## 1.0 Introduction

### 1.1 Description of the Dewey Robbins Community Development District

The Lakewood Reserve and Hodges Reserve neighborhoods together (also referred to as the "Development" or "Community") comprise an approximately 281.821 acre master planned, residential community located in the City of Leesburg, Florida ("City") as shown on Exhibit A. The Master Developer ("Developer") is TLC Hodges Reserve, LLC, based in Orlando, Florida. The Development is approved as a Planned Unit Development (PUD) subdivision with 815 residential units.

Dewey Robbins Community Development District (herein called the "District" for "CDD") encompasses the entire 281.821 acres of the Development. The District will finance, construct, acquire, operate and/or maintain certain portions of the public infrastructure to support the Community. The legal description of the District boundaries can be seen in Exhibit E. The District will finance, acquire, and/or construct infrastructure in phases as necessary. Currently, the Development has six (6) phases which will be supported by the capital infrastructure improvements identified herein (the "Master Project"). The District expects to finance all or a portion of the Master Project from the proceeds of District's special assessment bonds. Construction of the Lakewood Reserve and Hodges Reserve neighborhoods will be in multiple phases. Lakewood Reserve consists of three phases, Phase 1 including part of the offsite roadway infrastructure is in for permitting. Hodges Reserve also consists of three phases, Phases 1, 2, and 3 are in for permitting. It is expected that Phase 1 of Hodges Reserve and Phase 1 of Lakewood Reserve will start independently of each other and progress through Phases 2 and 3 respectively. Hodges started construction fall of 2023. Lakewood Reserve is expected to start in early 2024. An inventory of the phasing has been presented in Table 1 with the proposed unit mix of the residential units for the Development.

### 1.2 Purpose of Report

The purpose of this report is to provide a description of the Master Project, which will serve the 281.821 acres of the Community; the capital improvements to be constructed, acquired, and/or financed by the District; and apportionment of the costs of the capital improvements.

## **2.0 District Boundary and Properties Served**

### **2.1 District Boundary**

Dewey Robbins Site Plan, Exhibit B, identifies the location and boundary of the properties included within the District. The Master Plan for the District will provide for multiple-type residential land uses and is located east of U.S. 27 on both the north and south sides of Dewey Robbins Road and in the City of Leesburg ("City"), which is located within Lake County ("County").

### **2.2 Description of Properties Served**

The Development is located in the east half of Sections 33, 34, and 35, Township 20, Range 24 East and 18, and the Northeast quarter of Section 19, Township 20 South, Range 25 East, and all within the City. The existing property consists of open pasture land. The environmental areas associated with the Development have been reviewed and are to be part of an Open Space/Conservation area within the District. The terrain of the site is somewhat rolling with elevations ranging from 80 to 185 NVGD.

## **3.0 Master Project Infrastructure**

### **3.1 Summary of the Proposed Master Project Infrastructure**

The Master Project will generally consist of the following project infrastructure and systems to serve the Development:

- On-Site Public Roadway Improvements
- Water Distribution and Sanitary Sewer Collection Systems and Reuse Water Distribution – On-Site
- Off-Site Public Roadway Improvements (Dewey Robbins Road)
- Master Stormwater Management System
- Landscaping
- Irrigation
- Hardscape
- Electrical Service System (Underground Differential Cost only)
- Gas Service System
- This infrastructure serves as a system of improvements benefitting all lands within the District. To the extent that the boundary of the District is amended from time to time, the District will consider amendments or supplementals to this report at such time.
- Table 2 shows the Master Project facilities, proposed ownership, and maintenance entities for each.

### 3.2 Master Stormwater Management System

The Master Stormwater Management System provides for the stormwater runoff treatment and will attenuate and provide for the runoff that will be carried out through the use of manmade retention and detention systems as collected in pipes, curbs, and surfaces to convey this runoff. These systems discharge to the ponds within the Development. The City and the St. Johns River Water Management District (SJRWMD) regulate the design criteria for the District's stormwater management facilities. The Master Stormwater Management System will discharge to the ponds.

The Master Stormwater Management System will also adhere to other requirements of SJRWMD and the City, which requires that all building finished floor elevations be constructed above the anticipated flood elevation for the 100-year, 72-hour storm event. The treatment of stormwater runoff will be provided in accordance with the design guidelines for retention/detention systems as mandated by the SJRWMD and the City. Stormwater runoff will be collected by curbs and stormwater conveyance surfaces with drainage inlets and an underground storm sewer pipe system conveyed to the retention/detention areas. The overall drainage system is shown on the Master Stormwater Plan attached as Exhibit C. The District may finance the cost of stormwater collection and treatment systems, as well as the construction and/or acquisition, and maintenance of said retention and detention areas. All of these improvements shall be owned and maintained by the District.

### **3.3 Master Public Roadway Systems On and Off-Site**

The on-site roadway improvements associated with the Development may be funded by the District and later turned over to the City for ownership and operation. The roadway improvements consist of two (2)-lane roads and a minimum of 22-foot pavement sections with curbs. The internal roadways will be public and may be funded by the District. The roadways will serve the various land uses within the Development. Construction of the roadways pavement will consist of an asphaltic concrete surface, sidewalks, signing and striping, landscaping, and landscaped hardscape features

The Master Project will provide for off-site roadway improvements on Dewey Robbins Road. These intersection improvements will include turn lane expansions and will be turned over to the County.

The off-site master public roadway improvements will be designed and constructed in accordance with the applicable County and Florida Department of Transportation (FDOT) standards. Please refer to Exhibit B for the depiction of the roadway systems within and adjacent to the Development.

The on-site and off-site roadway improvements will include utilities that will run within the road right-of-way of the internal roads within the Development and Dewey Robbins Road, as described in 3.4. The utilities within these roadways (described in 3.4) and any landscaping/hardscaping related to these roadways (described in 3.5) will be developed as part of the improvements to the District. A stormwater drainage facility (as described in 3.2) may also be provided for these improvements within the Master Stormwater Management System. The District may finance these onsite and off-site roadways and convey such to the County or City, as applicable, upon completion.

### **3.4 Water Distribution, Sanitary Sewer Collection, and Reuse Water Distribution Systems**

The Master Project includes utilities within the right-of-way of the internal roads within the Development and off-site along Dewey Robbins Road. The City will provide potable water and wastewater services for the District. The City will additionally provide reuse to the Development in the future. The Development has been designed with a reuse system within the internal roadways of the Development. Until the City can provide the Development with reuse water the Development will utilize potable water to supply the Development's reuse system. The major trunk lines, collection systems, and transmission mains to serve the District may be constructed or acquired by the District. The overall water distribution systems, sanitary sewer collection, and reuse water lines are shown on the Master Utility Plan Sheets, Exhibits D-1, D-2, and D-3.

The potable water facilities will include both transmission and distribution mains along with necessary valving, fire hydrants, and water services to individual lots and development parcels. It is currently estimated that these watermains of various sizes may be funded by the District.

The wastewater facilities will include gravity collection sewer services, mains, and manholes. The three (3) new lift stations will be located within the District and will service the Development. These new lift stations along with the proposed on-site forcemain will tie into a new forcemain located on Dewey Robbins Road. It is currently estimated that these gravity collection systems and forcemains may be financed by the District.

The design of the wastewater collection system, reuse water system, and water distribution system for potable water and fire protection is in accordance with the criteria and guidelines of the City and the Florida Department of Environmental Protection (FDEP). Utility extensions within Dewey Robbins Road will also be included as part of the infrastructure improvements for the Development; however, these are not paid for by the CDD and are part of a "Pioneer" agreement with the City of Leesburg. All onsite improvements are anticipated to be financed by the CDD and owned and maintained by the City of Leesburg Utilities.

### **3.5 Landscaping, Irrigation, and Entry Features**

Landscaping, irrigation and entry features may be financed by the District. The irrigation system will tie into the reuse system that will use potable water as provided by the City until the City can provide reuse to the Development. It is anticipated that the master reuse watermain to the various phases of development will be constructed or acquired by the CDD with District funds and subsequently turned over to the City. Landscaping for the roadways will consist of sod, shrubs, ground cover, and trees for the on-site roadway improvements within the Community. Monument signs and retaining walls at the site entrances of the Master Project. These items may be funded, owned, and/or maintained by the CDD.

### **3.6 Electrical Service Systems (Underground)**

SECO will provide underground electrical service to the Community. The service will include the primary and secondary systems to serve the various land uses. The differential cost of undergrounding electric utilities may be financed by the District.

### **3.7 Gas Service System**

The City will provide the underground gas service to the Community. The service will include the primary and secondary systems to serve the various land uses. The gas service may be financed by the District.

## **4.0 Opinion of Probable Construction Costs**

Exhibit F presents a summary of the estimated costs for the Master Project infrastructure described in this report.

Costs in Exhibit F are derived from expected quantities of the infrastructure multiplied by unit costs typical of the industry in Central Florida. Additionally included within these costs are professional consulting fees associated with the Master Project including planning, land surveying, design and engineering, legal fees, permitting, soil and material testing related to such infrastructure. These services are necessary for the design, permitting, and construction contract management for the Master Project infrastructure. The costs are exclusive of costs necessary to finance, operate, and/or maintain the Master Project infrastructure.

## **5.0 Permitting Status**

The District has been approved as a PUD by the City and is in the City utility service area. The Lakewood Reserve and Hodges Reserve construction plans are in the approval process with the City, County, and FDEP. Lakewood Reserve is in the approval process with SJRWMD and Hodges Reserve has been issued a permit from SJRWMD. The Environmental Protection Agency (EPA) National Pollutant Discharge Elimination System (NPDES) will be submitted for the projects. The NPDES is the responsibility of the contractor to obtain,

The District Engineer will certify that all permits necessary to complete the Master Project have either been obtained or, in his expert opinion, will be obtained and there is no reason to believe that the necessary permits cannot be obtained for the entire Development.

## 6.0 Engineer's Certification

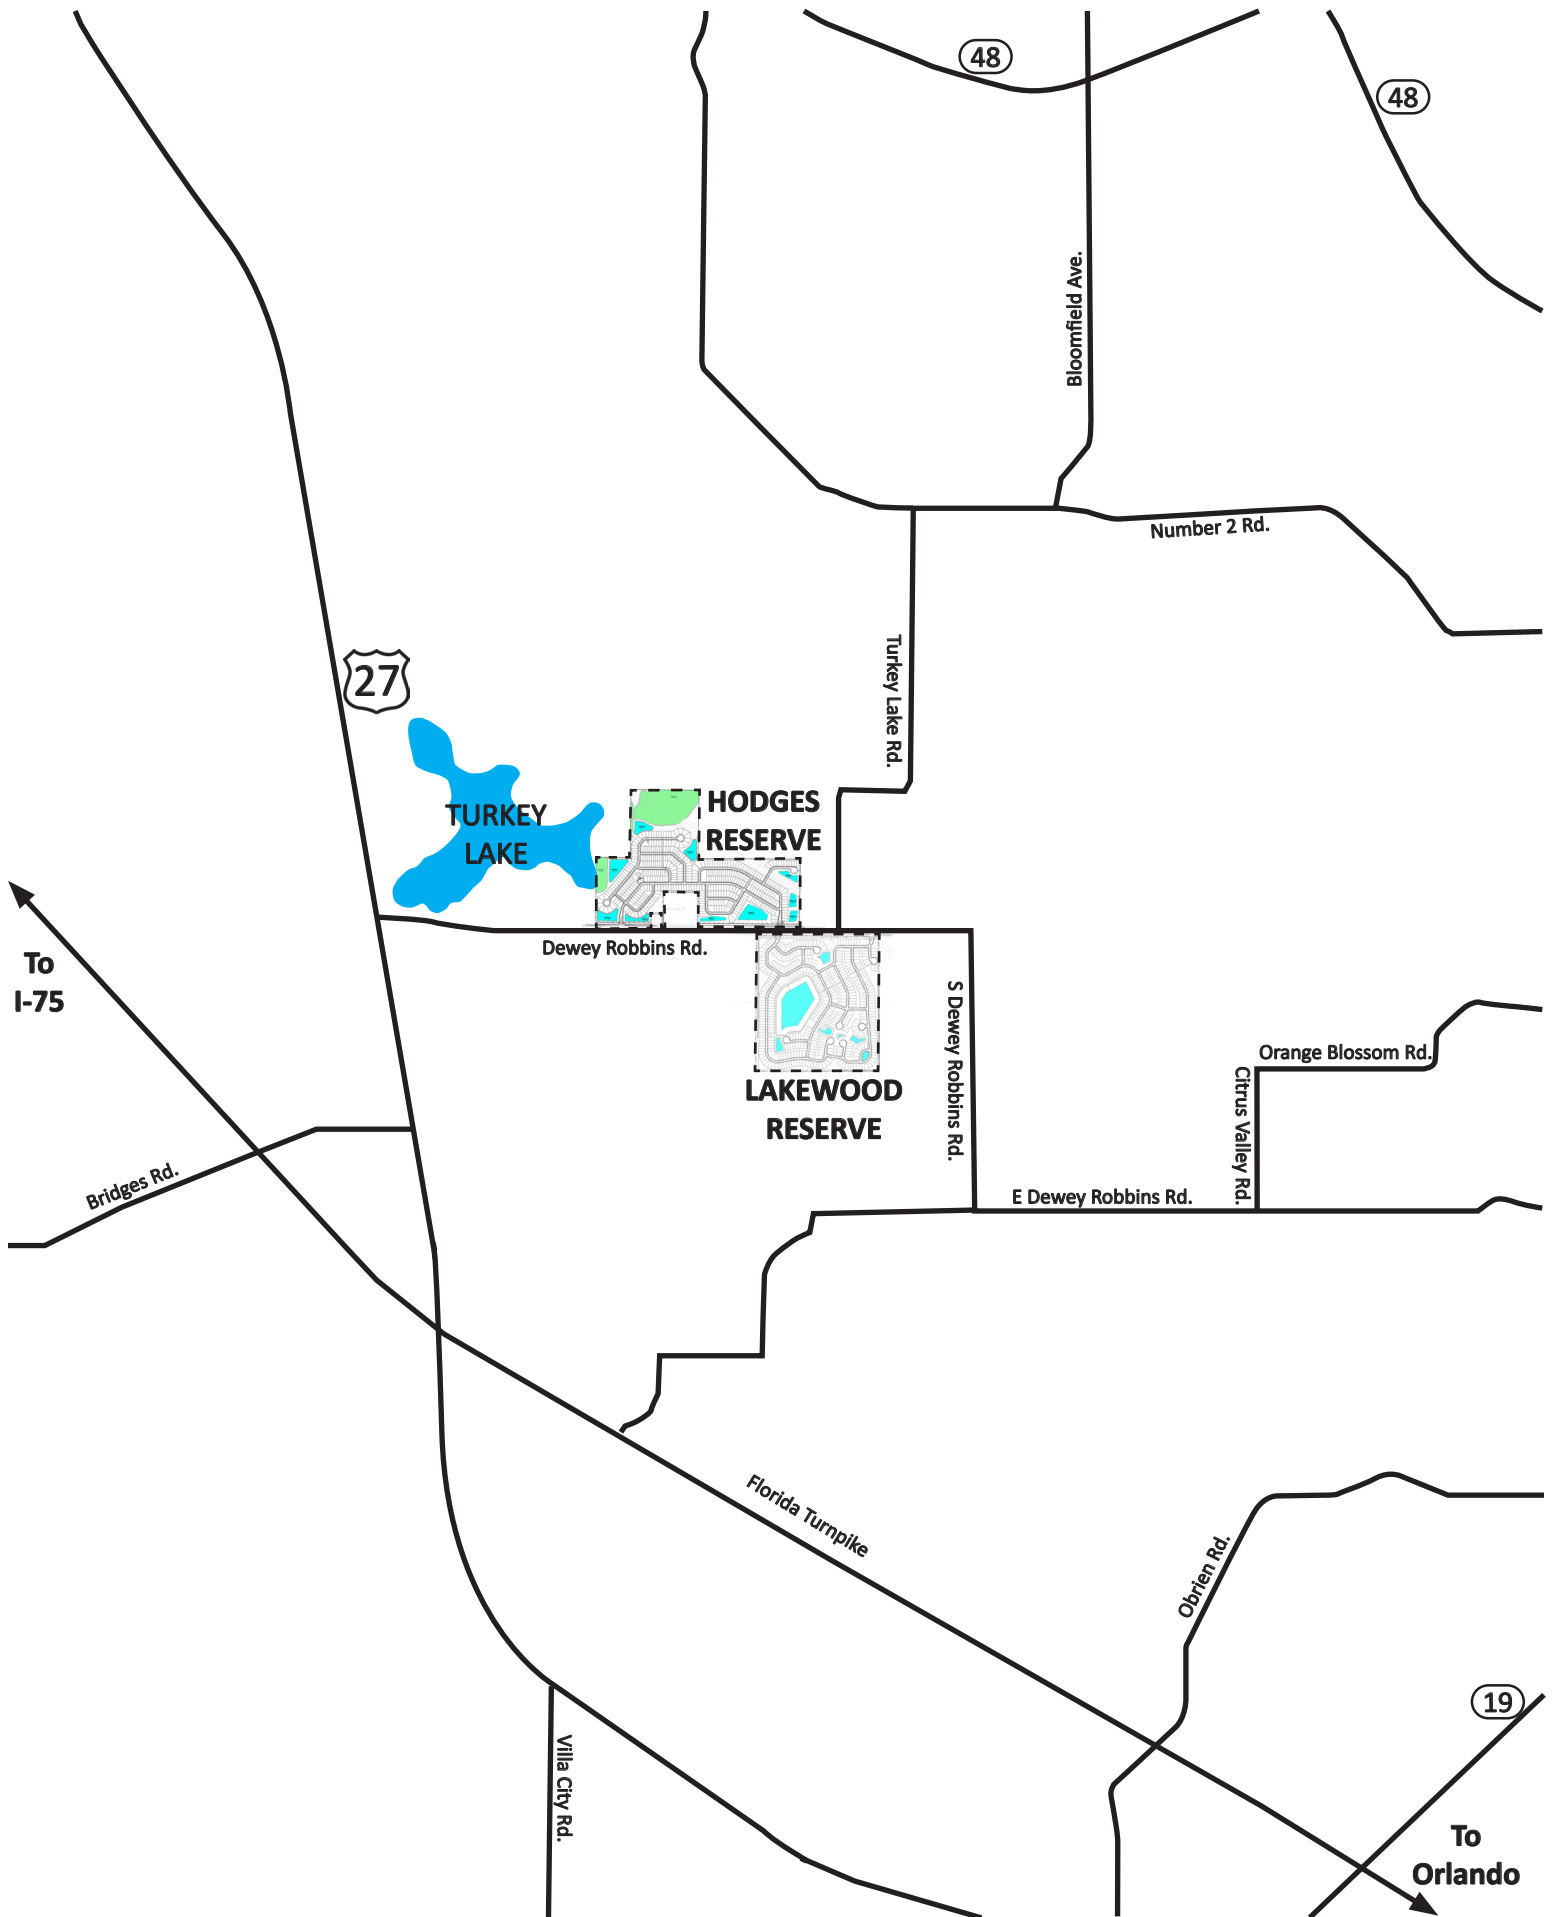

It is our opinion that the costs of the Master Project improvements proposed to represent a system of improvements benefitting all developable property located within the District are fair and reasonable and that the District-funded improvements are assessable improvements within the meaning of Chapter 190, F.S. Such benefits will equal or be greater than the costs of such improvements. We have no reason to believe that the Master Project cannot be constructed at the cost described in this report. We expect all or a portion of the Master Project improvements to be constructed or acquired by the District with bond proceeds, as indicated within this report. We believe that the District will be well served by the improvements discussed in this report.

The Master Project will be owned by the District or other governmental units and such Master Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the Master Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual public easements in favor of the District or other governmental entities. The Master Project, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on lots or property intended to be privately owned. Regarding any fill generated by construction of the Master Project, and that is not used as part of the Master Project, such fill will only be placed on-site at the expense of the Developer. If the District acquires portions of the Master Project, the District will pay the lesser of the cost of the components of the Master Project or the fair market value.

I hereby certify that the foregoing is a true and correct copy of the Engineer's Report for the Dewey Robbins Community Development District.

**1.0 Introduction**

The Dewey Robbins Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes, as amended (the "District"). The District plans to issue approximately \$5,270,000 of tax exempt bonds (the "2024 Bonds" or "Bonds") for the purpose of financing certain infrastructure improvements within the District, more specifically described in the Master Engineer's Report dated March 20, 2024, prepared by GAI Consultants, Inc. (the "District Engineer"), as may be amended and supplemented from time to time (the "Engineer's Report"). The District anticipates the construction of public infrastructure improvements consisting of improvements that benefit property owners within the District.

**1.1 Purpose**

This First Supplemental Assessment Methodology for the 2024 Project (the "Supplemental Assessment Report") supplements the Master Assessment Methodology Report dated March 20, 2024 (the "Master Report" and together with the Supplemental Assessment Report, the "Assessment Report"), and provides for an assessment methodology for allocating the debt assessments to properties within the District based on the special benefits each receives from the portion of the District's capital improvement plan as described in the Engineer's Report ("CIP") relating to Hodges Reserve - Phases 1 & 2 (herein the "2024 Project"). The Assessment Report is designed to conform to the requirements of Chapters 190, 197 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non ad valorem special assessments on the benefited lands within the District securing the repayment of the Series 2024 Bonds based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Supplemental Assessment Report to address any other assessments, if applicable, that may be levied by the District, a property owners association, or any other unit of government.

**1.2 Background**

The District currently includes approximately 281.821 acres within the City of Leesburg, Lake County, Florida. The development program for Hodges Reserve - Phases 1 & 2 currently envisions approximately 305 residential units (herein the "2024 Assessment Area"), which represents a portion of the planned development within the District (the "Development"). It is recognized that such land use plan may change, and this Supplemental Assessment Report will be modified accordingly. As of the date of this Supplemental Assessment Report, 163 units are platted in Hodges Reserve

Phase 1, with the remainder of the District remaining unplatted. The Development units planned for the 2024 Assessment Area, consisting of Hodges Reserve – Phases 1 & 2, ultimately are the benefitting property of the 2024 Project, and are anticipated to fully absorb and secure the debt assessments pledged to the 2024 Bonds.

The public improvements contemplated by the District in the 2024 Project will provide facilities that benefit certain property within the District. The 2024 Project is delineated in the Engineer’s Report. Specifically in regards to the 2024 Project, the District will construct and/or acquire certain sanitary sewer systems, water distribution systems, reuse water systems, pond & earthwork (master stormwater system), on & off-site storm conveyance system, electrical service systems (underground), gas, on-site roadway improvements, off-site roadway improvements, landscaping, hardscaping & irrigation, professional fees, and contingency. The 2024 Project estimated acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the 2024 Project.
2. The District Engineer determines the assessable acres that benefit from the 2024 Project.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct the 2024 Project.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, site planned, or subjected to a declaration of condominium, this amount will be assigned to each of the benefited properties based on an ERU basis.

### **1.3 Special Benefits and General Benefits**

Improvements undertaken by the District create special and peculiar benefits to the assessable property, different in kind and degree than general benefits, for properties outside its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to the assessable property within the District. The implementation of the 2024 Project enables properties within its boundaries to be developed. Without the 2024 Project, there would be no infrastructure to support development of land within the District. Without these improvements, the proposed Development within the District would be prohibited by law.

There is no doubt that the general public and property owners outside the District will benefit from the provision of the District's 2024 Project. However, these benefits will be incidental to the District's 2024 Project, which is designed solely to meet the needs of property within the District. Properties outside the District boundaries do not depend upon the District's 2024 Project. The property owners within the District are therefore receiving special benefits not received by those outside the District's boundaries.

## **1.4 Requirements of a Valid Assessment Methodology**

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of special assessments that meet these two requirements for valid special assessments.

## **1.5 Special Benefits Exceed the Costs Allocated**

The special benefits provided to the property owners within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's 2024 Project that is necessary to support full development of property will cost approximately \$18,670,628. The District's Underwriter projects that financing costs required to fund a portion of the District's 2024 Project, the cost of issuance of the Bonds, the funding of a debt service reserve, and capitalized interest, will be approximately \$5,270,000. Additionally, funding required to complete the 2024 Project which is not financed with Bonds will be funded by the TLC Hodges Reserve, LLC (herein the "Developer"), or a related developer entity. Without the 2024 Project, the property would not be able to be developed per the Development program and occupied by future residents of the community.

## **2.0 Assessment Methodology**

### **2.1 Overview**

The District plans to issue approximately \$5,270,000 in 2024 Bonds to fund a portion of the District's 2024 Project, provide for capitalized interest, a debt service reserve account and cost of issuance. It is the purpose of this Assessment Report to allocate the \$5,270,000 in debt to the properties benefiting from the 2024 Project.

Table 1 identifies the proposed land uses for the 2024 Assessment Area as identified by the Developer and current landowners of the land within the District. The District has relied on the Engineer's Report to develop the costs of the 2024 Project needed to support a portion of the Development; which construction costs are outlined in Table 2. The improvements needed to support the 2024 Assessment Area are described in detail in the Engineer's Report and are estimated to cost \$18,670,628. Based on the estimated costs, the size of the Bond issue under current market conditions needed to generate funds to pay for a portion of the 2024 Project and related costs was determined by the District's Underwriter to total approximately \$5,270,000. Table 3 shows the breakdown of the bond sizing.

## **2.2 Allocation of Debt**

Allocation of debt assessments is a continuous process until the Development plan is completed. The 2024 Project funded by the 2024 Bonds benefits all developable acres within the District.

The initial assessments will be allocated to the platted property within the 2024 Assessment Area first (which currently consists of 163 units in Hodges Reserve Phase 1) at the levels provided in Table 6. Then on an equal basis to the remaining unplatted gross acres within the 2024 Assessment Area of the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits.

When platting, site plan approval, or the recording of declaration of condominium, ("Assigned Properties") occurs, the assessments will be allocated to the Assigned Properties based on the benefits they receive. Property that has not been platted, assigned development rights or subjected to a declaration of condominium ("Unassigned Properties"), will continue to be assessed on an equal assessment per gross acre basis. Eventually the Development plan for the 2024 Assessment Area will be completed and the debt relating to the 2024 Bonds will be fully allocated to the planned 305 residential units in the 2024 Assessment Area within the District, as depicted in Table 5 and Table 6. If there are changes to the Development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. That process is outlined in Section 3.0.

The assignment of debt assessments pledged to the 2024 Bonds will be done on a first-platted, first-assigned basis, consistent with the assessment methodology found in the Master Report and as further described herein. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the District are benefiting from the improvements.

The debt assessment levels provided in this Supplemental Assessment Report have been determined based on targeted annual assessment installments provided by the Developer in order to achieve a certain market-level end user assessment. In order to reduce the debt service assessments for the Series 2024 Bonds to the target level under the methodology, the District shall recognize contributions of CIP infrastructure from the Developer. This is reflected on Table 5. Based on the product type and number of units anticipated to absorb the 2024 Bond principal, it is estimated that the Developer will contribute a total of \$635,000 in eligible CIP infrastructure to the District.

### **2.3 Allocation of Benefit**

The 2024 Project includes but is not limited to sanitary sewer systems, water distribution systems, reuse water systems, pond & earthwork (master stormwater system), on & off-site storm conveyance system, electrical service systems (underground), gas, on-site roadway improvements, off-site roadway improvements, landscaping, hardscaping & irrigation, professional fees, and contingency as further provided in the Engineer's Report. There are two\* product types within the planned Development for the 2024 Assessment Area. The single family 50' lot has been set as the base unit and has been assigned one equivalent residential unit ("ERU"). Table 4 shows the allocation of the 2024 Project to the particular land uses. It is important to note that the benefit derived from the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

### **2.4 Lienability Test: Special and Peculiar Benefit to the Property**

Construction and/or acquisition by the District of its proposed 2024 Project will provide several types of systems, facilities and services for its residents. These include sanitary sewer systems, water distribution systems, reuse water systems, pond & earthwork (master stormwater system), on & off-site storm conveyance system, electrical service systems (underground), gas, on-site roadway improvements, off-site roadway improvements, landscaping, hardscaping & irrigation, professional fees, and contingency. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the improvements in fact actually provided.

\*The original development plan for the 2024 Assessment Area provided in the Master Report anticipated the development of three (3) product types. While the total number of units has not changed, the product mix has changed slightly so that there are no longer 60' single family units anticipated to be developed in Hodges Reserve Phases 1 & 2. See Table 1 for the planned development in the 2024 Assessment Area.

For the provision of 2024 Project, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable, but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

### **3.0 True Up Mechanism**

Although the District does not process plats, declarations of condominium, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report. In addition, the District must also prevent any buildup of debt on Unassigned Properties. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, declaration of condominium, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no adjustment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

### **4.0 Assessment Roll**

As of the date of this Supplemental Assessment Report, the 2024 Assessment Area consists of 163 platted units (all located within Hodges Reserve Phase 1) (i.e. Assigned Properties) and approximately 27.939 gross acres of unplatted property (i.e. Unassigned Properties). Initially, the debt service assessments pledged to the 2024 Bonds will first be allocated to the platted property within the 2024 Assessment Area, and then across the 128.36 remaining acreage of the 2024 Assessment Area boundaries on an equal assessment per gross acreage basis. As Assigned Properties becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Tables 1, 4, 5 & 6 to reflect the changes. As a result, the assessment liens

on Unassigned Properties are neither fixed nor are they determinable with certainty on any acre of land in the District prior to the time final Assigned Properties become known. The current assessment roll is depicted in Table 7.

**WHEREAS**, the Board of Supervisors of Dewey Robbins Community Development District (the "Board" and the "District," respectively) has determined to proceed at this time with the sale and issuance of Dewey Robbins Community Development District Capital Improvement Revenue Bonds, Series 2024 (2024 Assessment Area) (the "Series 2024 Bonds") to be issued under and pursuant to a Master Trust Indenture, dated as of the first day of the first month and year in which Bonds are issued thereunder (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, Fort Lauderdale, Florida, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture to be dated as of the first day of the first month and year in which the Series 2024 Bonds are issued thereunder (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture") between the District and the Trustee, in order to finance a portion of the Costs of the Series 2024 Project, as more particularly described in the Master Engineer's Report dated March 20, 2024 (the "Engineer's Report");

**WHEREAS**, the Board has determined that given the nature of the market, the necessity for moving rapidly and the nature of the security for the Series 2024 Bonds, it is necessary and desirable for the Series 2024 Bonds to be sold by negotiated sale rather than competitively bid;

**WHEREAS**, the Board has received a proposal from MBS Capital Markets, LLC (the "Underwriter") for the purchase of the Series 2024 Bonds within parameters to be established by the Board and the Board has determined that authorization of the Chairman or other designated person to enter into a Bond Purchase Agreement (the "Purchase Agreement") in substantially the form attached hereto as Exhibit A for the sale of the Series 2024 Bonds to the Underwriter within the Parameters (hereinafter defined) herein set forth is in the best interests of the District for the reasons hereafter indicated; and

**WHEREAS**, in conjunction with the sale and issuance of the Series 2024 Bonds, it is necessary to approve the forms of the Master Indenture and Supplemental Indenture, to establish the parameters for the delegated award of the Series 2024 Bonds as set forth in Schedule I attached hereto (the "Parameters"), to authorize the Chairman or other designated persons to approve the use of the Preliminary Limited Offering Memorandum relating to the Series 2024 Bonds and the form of the final Limited Offering Memorandum, to approve the form of the Series 2024 Bonds and to provide for various other matters with respect to the Series 2024 Bonds and the undertaking of the Series 2024 Project.

**NOW, THEREFORE, BE IT RESOLVED** that:

**1. Definitions.** All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture.

**2. Award.** The Purchase Agreement in the form attached hereto as Exhibit A is hereby approved in substantial form and the sale of the Series 2024 Bonds to the Underwriter upon the terms and conditions therein set forth, but within the Parameters, is hereby approved. The Chairman is hereby authorized and directed to execute and deliver the Purchase Agreement on behalf of the District, with such changes, additions, deletions and insertions as shall be approved by the official executing such Purchase Agreement, which approval shall be conclusively evidenced by the execution and delivery thereof. **3. Negotiated Sale.** The Board hereby determines that a negotiated sale of the Series 2024 Bonds to the Underwriter is in the best interests of the District because the market for instruments such as the Series 2024 Bonds is limited, because of prevailing market conditions and because the delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Series 2024 Bonds.

**4. Approval of Forms of Master Indenture and Supplemental Indenture; Appointment of Trustee, Paying Agent and Bond Registrar.** Attached hereto as Exhibit B are the forms of the Master Indenture and Supplemental Indenture, which are each hereby authorized and approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Master Indenture and Supplemental Indenture and the Chairman is hereby authorized to deliver to the Trustee the Master Indenture and Supplemental Indenture which, when executed and delivered by the Trustee, shall each constitute the legal, valid and binding obligation of the District, enforceable in accordance with its respective terms. U.S. Bank Trust Company, National Association is hereby appointed as Trustee, Paying Agent and Bond Registrar under the Indenture.

**5. Description of Series 2024 Bonds.** The Series 2024 Bonds shall be dated as of their date of delivery and may be issued in one or more Series having such details as shall be set forth in the Purchase Agreement and as reflected in the Supplemental Indenture, but within the Parameters. The Series 2024 Bonds may be signed by the manual or facsimile signature of the Chairman and attested by the manual or facsimile signature of the Secretary. The Series 2024 Bonds shall, subject to the Parameters, be subject to redemption on the terms, at the times and prices and in the manner provided in the Purchase Agreement and in the form of Series 2024 Bonds attached to the Supplemental Indenture, which form is hereby

approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest and seal the Series 2024 Bonds and the Chairman is hereby authorized to deliver to the Trustee for authentication and delivery to the Underwriter upon payment by the Underwriter of the purchase price therefor, the Series 2024 Bonds which, when authenticated and delivered by the Trustee, shall be legal, valid and binding obligations of the District, enforceable in accordance with their terms.

**6. Approval of Form of Preliminary Limited Offering Memorandum and Limited Offering Memorandum; Approval of Form of Continuing Disclosure Agreement.** The Chairman is hereby authorized to approve the form and content of the Preliminary Limited Offering Memorandum, which is attached hereto as Exhibit C (the "Preliminary Limited Offering Memorandum") with such changes, additions, deletions and insertions as shall be approved by the Chairman prior to its distribution and the final form of which is to be dated the date of execution and delivery of the Purchase Agreement (the "Limited Offering Memorandum") relating to the Series 2024 Bonds. The Chairman is hereby authorized to execute on behalf of the District such Limited Offering Memorandum with such changes, additions, deletions and insertions as the Chairman may approve (such approval to be conclusively evidenced by the execution of the Limited Offering Memorandum, if required), and to deliver such Limited Offering Memorandum to the Underwriter in sufficient quantities for use by the Underwriter in marketing the Series 2024 Bonds. The Chairman is hereby authorized to deem "final" the Preliminary Limited Offering Memorandum, as of its date, for the purposes and within the meaning of Rule 15c2-12 (the "Rule") of the Securities Exchange Act of 1934, as amended (except for permitted omissions within the meaning of the Rule concerning the offering prices, interest rates, selling compensation, aggregate principal amount, principal amount per maturity, delivery dates, ratings or other terms dependent upon such matters, and except for such technical and conforming changes which shall be approved by the Chairman which approval shall be evidenced by the execution thereof, if required).

The Continuing Disclosure Agreement relating to the Series 2024 Bonds in the form attached hereto as Exhibit D is hereby approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Continuing Disclosure Agreement which, when executed and delivered by the District, shall be the legal, valid and binding obligation of the District, enforceable in accordance with its terms. Governmental Management Services – Central Florida, LLC is hereby appointed as the initial dissemination agent.

The Series 2024 Pledged Revenues consist primarily of the revenues derived by the District from non-ad valorem special assessments levied against certain residential lands in the District that are subject to assessment and specially benefiting from the Series 2024 Project or any portion thereof (the "Series 2024 Assessments"). The Series 2024 Pledged Funds include all of the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture.

3. **Delivery of Limited Offering Memorandum and Other Documents.** (a) Prior to the date hereof, the Issuer provided to the Underwriter for its review the Preliminary Limited Offering Memorandum dated [\_\_\_\_\_] , 2024 (the "Preliminary Limited Offering Memorandum"), that the Issuer deemed final as of its date, except for certain permitted omissions (the "permitted omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") in connection with the pricing of the Series 2024 Bonds. The Issuer hereby confirms that the Preliminary Limited Offering Memorandum was deemed final as of its date, except for the permitted omissions.

(b) The Issuer shall deliver, or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof or use good faith to deliver within such shorter period as may be requested by the Underwriter and at least three (3) business days prior to the date the Series 2024 Bonds are delivered to the Underwriter, or within such other period as the Underwriter may inform the Issuer which is necessary for the Underwriter to comply with regulations of the Municipal Securities Rulemaking Board ("MSRB") in order to accompany any confirmation that requests payment from any customer sufficient copies of the final Limited Offering Memorandum ("Limited Offering Memorandum") to enable the Underwriter to fulfill its obligations pursuant to the securities laws of Florida and the United States, in form and substance satisfactory to the Underwriter. In determining whether the number of copies to be delivered by the Issuer are reasonably necessary, at a minimum, the number shall be determined by the Underwriter and conveyed to the Issuer as shall be sufficient to enable the Underwriter to comply with the requirements of the Rule, all applicable rules of the MSRB, and to fulfill its duties and responsibilities under Florida and federal securities laws generally.

The Underwriter agrees to file the Limited Offering Memorandum in accordance with applicable MSRB rules.

The Issuer authorizes, or ratifies as the case may be, the use and distribution of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum in connection with the limited public offering and sale of the Series 2024 Bonds. The Underwriter agrees that it will not confirm the sale of any Series 2024 Bonds unless the confirmation of sale

requesting payment is accompanied or preceded by the delivery of a copy of the Limited Offering Memorandum.

(c) From the date hereof until the earlier of (i) ninety (90) days from the “end of the underwriting period” (as defined in the Rule), or (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB (but in no case less than twenty-five (25) days following the end of the underwriting period), if the Issuer has knowledge of the occurrence of any event which may make it necessary to amend or supplement the Limited Offering Memorandum in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Issuer shall notify the Underwriter and if, in the reasonable opinion of the Issuer or the reasonable opinion of the Underwriter, such event requires the preparation and publication of an amendment or supplement to the Limited Offering Memorandum, the Issuer, at its expense (unless such event was caused by the Underwriter), shall promptly prepare an appropriate amendment or supplement thereto (and file or cause to be filed the same with the MSRB, and mail such amendment or supplement to each record owner of Series 2024 Bonds) so that the statements in the Limited Offering Memorandum as so amended or supplemented will not, in light of the circumstances under which they were made, be misleading, in a form and in a manner reasonably approved by the Underwriter. The Issuer will promptly notify the Underwriter of the occurrence of any event of which it has knowledge, which, in its opinion, is an event described in the preceding sentence. The amendments or supplements that may be authorized for use with respect to the Series 2024 Bonds are hereinafter included within the term “Limited Offering Memorandum.”

4. **Authority of the Underwriter.** The Underwriter is duly authorized to execute this Bond Purchase Agreement and to perform its obligations hereunder. The Underwriter hereby represents that neither it nor any “person” or “affiliate” has been on the “convicted vendor list” during the past thirty-six (36) months, as all such terms are defined in Section 287.133, Florida Statutes, as amended.

5. **Offering and Sale of Series 2024 Bonds.** The Underwriter agrees to make a bona fide limited offering to “accredited investors” representing the general public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriter or wholesalers) of all of the Series 2024 Bonds at not in excess of the initial public offering price or prices (or below the yield or yields) set forth in Exhibit A hereto; provided, however, that the Underwriter may (i) offer and sell the Series 2024 Bonds to certain bond houses, brokers or to similar persons or organizations acting in the capacity of underwriters or wholesalers at prices lower than the public offering prices set forth in Exhibit A hereto, and (ii) change such initial offering prices (or yields) as the Underwriter deems necessary in connection with the marketing of the Series 2024 Bonds. The Issuer hereby authorizes the Underwriter to use the Limited Offering Memorandum in connection with the limited public offering and sale of the Series 2024 Bonds and ratifies and confirms the distribution and use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with such limited public offering and sale.

6. **Issuer Representations, Warranties, Covenants and Agreements.** The Issuer represents and warrants to and covenants and agrees with the Underwriter that, as of the date hereof and as of the date of the Closing (hereinafter defined):

(d) Each of the Financing Documents constitutes, or will at the Closing constitute, a legally valid and binding obligation of the District enforceable in accordance with its terms, and, upon due authorization, execution and delivery thereof by the parties thereto, will constitute a legal, valid and binding obligation of the District enforceable in accordance with its terms.

(e) When delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Bond Purchase Agreement, the Series 2024 Bonds will have been duly authorized, executed, authenticated, issued and delivered and will constitute legal, valid and

(j) Except as disclosed in the Limited Offering Memorandum, there is no action, suit, hearing, inquiry or investigation, at law or in equity, before or by any court, public board, agency or body, pending or, to the best knowledge of the District, threatened against the District or any of its supervisors in their respective capacities as such, in which an unfavorable decision, ruling

or finding would, in any material way, adversely affect (1) the transactions contemplated by the Financing Documents, the Series 2024 Bonds or the proceedings relating to the Series 2024 Assessments, (2) the organization, existence or powers of the District or any of its supervisors or officers in their respective capacities as such, (3) the business, properties or assets or the condition, financial or otherwise, of the District, (4) the validity or enforceability of the Series 2024 Bonds, the Financing Documents, the Series 2024 Assessments or any other agreement or instrument to which the District is a party and which is used or contemplated for use in the transactions contemplated hereby or by the Indenture, (5) the exclusion from gross income for federal income tax purposes of the interest on the Series 2024 Bonds, (6) the exemption under the Act of the Series 2024 Bonds and the interest thereon from taxation imposed by the State of Florida, (7) the legality of investment in the Series 2024 Bonds for certain investors as provided in the Act, (8) the issuance, sale or delivery of the Series 2024 Bonds, or (9) the collection of the Series 2024 Assessments and the pledge thereof under the Indenture to pay the principal or premium, if any, or interest on the Series 2024 Bonds.

(l) Between the date of this Bond Purchase Agreement and the date of the Closing, the District will not, without the prior written consent of the Underwriter, incur any material liabilities, direct or contingent, nor will there be any adverse change of a material nature in the financial position, results of operations or condition, financial or otherwise, of the District, other than (1) as contemplated by the Limited Offering Memorandum, or (2) in the ordinary course of business.

The Issuer shall cause CUSIP identification numbers to be printed on the Series 2024 Bonds, but neither the failure to print such number on any Series 2024 Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Underwriter to accept delivery of and pay for the Series 2024 Bonds in accordance with the terms of this Bond Purchase Agreement. The Closing shall occur at the offices of the Issuer, or such other place to which the Issuer and the Underwriter shall have mutually agreed. to the Constitution of the United States or by any legislation (other than any actions taken by either House of Congress on or prior to the date hereof) (i) enacted or adopted by the United States, (ii) recommended to the Congress or otherwise endorsed for passage, by press release, other form of notice or otherwise, by the President of the United States, the chair or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, the Treasury Department of the United States or the Internal Revenue Service, or (iii) favorably reported out of the appropriate Committee for passage to either House of the Congress by any full Committee of such House to which such legislation has been referred for consideration, or by any decision of any court of the United States or by any order, rule or regulation (final, temporary or proposed) on behalf of the Treasury Department of the United States, the Internal Revenue Service or any other authority or regulatory body of the United States, or by a release or announcement or communication issued or sent by the Treasury Department or the Internal Revenue Service of the United States, or any comparable legislative, judicial or administrative development affecting the federal tax status of the Issuer, its property or income, obligations of the general character of the Series 2024 Bonds, as contemplated hereby, or the interest thereon; or

(c) any amendment to the Limited Offering Memorandum is proposed by the Issuer or deemed necessary by Bond Counsel or the Underwriter which, in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2024 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2024 Bonds to be purchased by it; or

(d) there shall have occurred any outbreak or escalation of hostility, declaration by the United States of a national emergency or war or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Underwriter, impractical or inadvisable to proceed with the offering or delivery of the Series 2024 Bonds as contemplated by the Limited Offering Memorandum (exclusive of any amendment or supplement thereto); or

(e) legislation shall be enacted or adopted, or any action shall be taken by, or on behalf of, the Securities and Exchange Commission which, in the reasonable opinion of Bond Counsel, has the effect of requiring the contemplated distribution of the Series 2024 Bonds to be registered under the Securities Act of 1933, as amended, or the Indenture to be qualified under the Trust Indenture Act of 1939, as amended, or any laws analogous thereto relating to governmental bodies, and compliance therewith cannot be accomplished prior to the Closing; or

(f) legislation shall be introduced by amendment or otherwise in or be enacted by, the House of Representatives or the Senate of the Congress of the United States, or a decision by

(g) there shall have occurred, after the signing hereof, either a financial crisis or a default with respect to the debt obligations of the Issuer or proceedings under the federal or State of Florida bankruptcy laws shall have been instituted by the Issuer, in either case the effect of which, in the reasonable judgment of the Underwriter, is such as to materially and adversely affect (i) the market price or the marketability of the Series 2024 Bonds, or (ii) the ability of the Underwriter to enforce contracts for the sale of the Series 2024 Bonds; or

(h) a general banking moratorium shall have been declared by the United States, New York or Florida authorities, which in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2024 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2024 Bonds to be purchased by it; or

(i) any national securities exchange, or any governmental authority, shall impose, as to the Series 2024 Bonds or obligations of the general character of the Series 2024 Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the establishment of material restrictions upon trading of securities, including limited or minimum prices, by any governmental authority or by any national securities exchange, which in the reasonable opinion of the Underwriter, materially adversely affects the market for the Series 2024 Bonds or the sale, at the contemplated offering prices, by the Underwriter of the Series 2024 Bonds to be purchased by it; or

(j) legal action shall have been filed against the Issuer wherein an adverse ruling would materially adversely affect the transactions contemplated hereby or by the Limited Offering Memorandum or the validity of the Series 2024 Bonds, the Bond Resolutions, the Assessment Resolutions, the Indenture, the Continuing Disclosure Agreement or this Bond Purchase Agreement; provided, however, that as to any such litigation, the Issuer may request and the Underwriter may accept an opinion by Bond Counsel, or of other counsel acceptable to the Underwriter, that in such counsel's opinion the issues raised by any such litigation or proceeding are without substance or that the contentions of any plaintiffs therein are without merit; or

(k) there shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service to any of the Issuer's obligations; or

(l) any information shall have become known which, in the Underwriter's reasonable opinion, makes untrue, incorrect or misleading in any material respect any statement or information contained in the Limited Offering Memorandum, as the information contained therein has been supplemented or amended by other information, or causes the Limited Offering Memorandum, as so supplemented or amended, to contain an untrue, incorrect or misleading statement of a material fact or to omit to state a material fact necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading and upon the receipt of notice of same by the Issuer, the Issuer fails to promptly amend or supplement the Limited Offering Memorandum; or

(m) an event occurs as a result of which the Limited Offering Memorandum, as then amended or supplemented, would include an untrue statement of a material fact or omit to state any material fact which is necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading which, in the reasonable opinion of the Underwriter, requires an amendment or supplement to the Limited Offering Memorandum and, in the reasonable opinion of the Underwriter, materially adversely affects the marketability of the Series 2024 Bonds or the contemplated offering prices thereof and upon the receipt of notice by the Issuer, the Issuer fails to promptly amend or supplement the Limited Offering Memorandum; or

(n) the Internal Revenue Service makes a determination with respect to any special purpose development district formed under State law (referred to herein as a "Special District") deeming that all or certain of such Special Districts are not a "political subdivision" for purposes of Section 103(a) of the Code, and such determination, in the reasonable opinion of the Underwriter, materially adversely affects the federal tax status of the District, the tax exempt character or marketability of the Series 2024 Bonds or the contemplated offering prices thereof.

10. **Expenses.**

(a) The District agrees to pay from the proceeds of the Series 2024 Bonds, and the Underwriter shall be under no obligation to pay, all expenses incident to the performance of the District's obligations hereunder, including but not limited to (1) the cost of the preparation, printing or other reproduction (for distribution prior to, on or after the date of acceptance of this Bond Purchase Agreement) of a reasonable number of copies of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum; (2) the fees and disbursements of Bond Counsel, District Counsel, Governmental Management Services – Central Florida, LLC, as Methodology Consultant, G-A-I Consultants, Inc., as Consulting Engineer, and any other experts or consultants retained by the District, including, but not limited to, the fees and expenses of the District Manager; (3) the fees and disbursements of Underwriter's Counsel; (4) the fees and

disbursements of the Trustee, Bond Registrar and Paying Agent under the Indenture; and (5) out-of-pocket expenses of the District.

(b) The Underwriter shall pay (1) the cost of qualifying the Series 2024 Bonds for sale in various states chosen by the Underwriter and the cost of preparing or printing any Blue Sky and legal investment memoranda to be used in connection with such sale; and (2) out-of-pocket expenses, including advertising, incurred by it in connection with its offering and distribution of the Series 2024 Bonds.

(c) In the event that either the District or the Underwriter shall have paid obligations of the other as set forth in this Section, adjustment shall be made at or prior to Closing.

11. **No Advisory or Fiduciary Role.** The District acknowledges and agrees that (i) the purchase and sale of the Series 2024 Bonds pursuant to this Bond Purchase Agreement is an arm's-length commercial transaction between the District and the Underwriter, (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as a principal and is not acting as an advisor (including, without limitation, a Municipal Advisor, as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act), agent or fiduciary of the District, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the District with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter or any affiliate of the Underwriter has provided other services or is currently providing other services to the District on other matters) and the Underwriter has no obligation to the District with respect to the offering contemplated hereby except the obligations expressly set forth in this Bond Purchase Agreement, (iv) the District has consulted its own legal, financial and other advisors to the extent it has deemed appropriate in connection with the offering of the Series 2024 Bonds, (v) the Underwriter has financial and other interests that differ from those of the District, and (vi) the District has received the Underwriter's G-17 Disclosure Letter.

13. **Parties in Interest.** This Bond Purchase Agreement is made solely for the benefit of the Issuer and the Underwriter (including the successors or assignees of the Issuer or the Underwriter) and no other party or person shall acquire or have any right hereunder or by virtue hereof. All representations, warranties, covenants and agreements in this Bond Purchase Agreement shall remain operative and in full force and effect, regardless of: (i) any investigations made by or on behalf of the Underwriter; (ii) the delivery of and payment for the Series 2024 Bonds pursuant to this Bond Purchase Agreement; or (iii) any termination of this Bond Purchase Agreement but only to the extent provided by the last paragraph of Section 8 hereof.

14. **Waiver.** Notwithstanding any provision herein to the contrary, the performance of any and all obligations of the Issuer hereunder and the performance of any and all conditions contained herein for the benefit of the Underwriter may be waived by the Underwriter, in its sole discretion.

15. **Effectiveness.** This Bond Purchase Agreement shall become effective upon the execution of the acceptance hereof by the Chair or Vice Chair of the District, or such other member of the District's Board of Supervisors as may be authorized to execute documents in connection with the issuance of the Series 2024 Bonds, and shall be valid and enforceable at the time of such acceptance.

16. **Counterparts.** This Bond Purchase Agreement may be executed in several counterparts, each of which shall be regarded as an original and all of which shall constitute one and the same document.

17. **Headings.** The headings of the sections of this Bond Purchase Agreement are inserted for convenience only and shall not be deemed to be a part hereof.

18. **Florida Law Governs.** The validity, interpretation and performance of this Bond Purchase Agreement shall be governed by the laws of the State of Florida.

19. **Truth In Bonding Statement.** Pursuant to the provisions of Section 218.385(2) and (3), Florida Statutes, as amended, the Underwriter provides the following truth-in-bonding statement:

(a) The Issuer is proposing to issue the Series 2024 Bonds in the aggregate principal amount of \$[\_\_\_\_\_] for the purposes described in Section 2 hereof. The Series 2024 Bonds are expected to be repaid over a period of approximately [\_\_] years. At a true interest cost rate of

approximately [\_\_\_\_\_]%, total interest paid over the life of the Series 2024 Bonds will be approximately \$[\_\_\_\_\_].

(b) The sources of repayment for the Series 2024 Bonds are the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds (as described in Section 2 hereof). Authorizing the Series 2024 Bonds will result in a maximum of approximately \$[\_\_\_\_\_] of Series 2024 Pledged Revenues not being available to finance other services of the Issuer every year for approximately [\_\_] years; provided, however, that in the event the Series 2024 Bonds are not issued, the District would not be entitled to impose and collect the Series 2024 Assessments in the amount of the debt service to be paid on the Series 2024 Bonds.

20. **Establishment of Issue Price.**

(a) The Underwriter agrees to assist the Issuer in establishing the issue price of the Series 2024 Bonds and shall execute and deliver to the Issuer at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit K, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Issuer and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2024 Bonds.

(b) The Issuer will treat the first price at which 10% of each maturity of the Series 2024 Bonds (the “10% test”) is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Bond Purchase Agreement, the Underwriter shall report to the Issuer the price or prices at which it has sold to the public each maturity of Series 2024 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2024 Bonds, the Underwriter agrees to promptly report to the Issuer the prices at which it sells the unsold Series 2024 Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing has occurred, until the 10% test has been satisfied as to the Series 2024 Bonds of that maturity or until all Series 2024 Bonds of that maturity have been sold to the public.

[Remainder of page intentionally left blank]

21. **Entire Agreement.** This Bond Purchase Agreement when accepted by you in writing as heretofore specified shall constitute the entire agreement between us and is made solely for the benefit of the Issuer and the Underwriter (including the successors or assigns of the Issuer or the Underwriter). No other person shall acquire or have any right hereunder or by virtue hereof.

Very truly yours,

## **B. RELIANCE**

This opinion is solely for the benefit of (i) the District; (ii) the Underwriter; and (iii) the Trustee provided, however, that the Trustee may only rely on this opinion for the limited purposes of the opinions stated in Sections C.1. and C.3. This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

## **C. OPINIONS**

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* (“**Act**”), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Series 2024 Trust Estate to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to authorize and execute the Assessment Resolution and to levy and impose the Debt Assessments, as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Bonds, (c) Indenture, and (d) Bond Agreements (assuming due authorization, execution and delivery of documents (b) – (d) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court for the Fifth Judicial Circuit in and for Lake County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our

review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the PLOM, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "THE DISTRICT" (excluding the subcaption "District Manager and Other Consultants"), "SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2024 BONDS – Agreements for Assignment of Development Rights, Completion Agreements, True-Up Agreements", "ENFORCEMENT OF ASSESSMENT COLLECTIONS", "VALIDATION", "LITIGATION – The District", "CONTINUING DISCLOSURE" (as it relates to the District only), and "AGREEMENT BY THE STATE," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Based on our serving as the District's Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Series 2024 Trust Estate pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. *Authority to Undertake the Series 2024 Project* - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Series 2024 Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

MBS Capital Markets, LLC  
Winter Park, Florida

Re: Dewey Robbins Community Development District Special Assessment Revenue  
Bonds, Series 2024

Ladies and Gentlemen:

We are counsel to Landsea Homes of Florida, LLC, a Delaware limited liability company (the "HR Phase 1 Developer"), which is the owner and developer of the property legally described in Exhibit A hereto ("Hodges Reserve Phase 1") consisting of approximately \_\_\_ acres within the residential neighborhood commonly known as the "Hodges Reserve Neighborhood" located within the City of Leesburg, Florida, and within the jurisdictional boundaries of the Dewey Robbins Community Development District (the "District"). We have served as counsel to the HR Phase 1 Developer in connection with the issuance by the District of its Capital Improvement Revenue Bonds, Series 2024 (2024 Assessment Area) in the principal amount of \$\_\_\_\_\_ (the "Bonds") as described in the Limited Offering Memorandum dated November [\_\_\_], 2024 (the "Offering Memorandum"). The Bonds were purchased from the District by MBS Capital Markets, LLC (the "Underwriter") pursuant to that certain Bond Purchase Agreement, dated November [\_\_\_], 2024 (the "Purchase Agreement"). The Bonds are being issued under and pursuant to the Master Trust Indenture, dated as of December 1, 2024 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as particularly supplemented and amended by the First Supplemental Trust Indenture, dated as of December 1, 2024 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), between the District and the Trustee. Capitalized terms used, but not defined, herein shall have the meaning assigned thereto in the Indenture.

This opinion letter is furnished to you pursuant to Section 8(c)(10) of the Purchase Agreement.

In our capacity as counsel to the HR Phase 1 Developer, we have examined and are familiar with the following documents (collectively, the "Transaction Documents") relating to the Bonds:

- (a) the Declaration of Consent to Jurisdiction of the Dewey Robbins Community Development District and to Imposition of Debt Special Assessments (Series 2024 Assessments) effective December [\_\_], 2024, executed and delivered by the HR Phase 1 Developer;
- (b) the [Acquisition Agreement] made and entered into as of December \_\_, 2024;

- (d) the [True Up Agreement] made and entered into as of December \_\_, 2024;
- (e) the [Collateral Assignment and Assumption of Development and Contract Rights] dated December \_\_, 2024;
- (f) the Continuing Disclosure Agreement dated December [\_\_], 2024; and
- (g) the Certificate of the HR Phase 1 Developer dated December [\_\_], 2024, executed by the HR Phase 1 Developer in connection with the issuance of the Bonds by the District.

We have also relied upon the following documents and materials (collectively, the “Certificates”):

- (h) Articles of Organization for the HR Phase 1 Developer, certified by the State of Delaware as of \_\_\_\_\_, 2024;
- (i) Certificate of Good Standing in the State of Delaware for the HR Phase 1 Developer, certified by the State of Delaware as of \_\_\_\_\_, 2024; and
- (j) Certificate to Counsel from the HR Phase 1 Developer as attached hereto as Exhibit B.

Additionally, in our capacity as counsel to the HR Phase 1 Developer in connection with the District’s issuance of the Bonds, we have made such examination of law as we have deemed necessary or appropriate in rendering the opinions set forth below.

For purposes of rendering the opinions contained in this opinion letter, we have not reviewed any documents other than the documents listed above. We have also not reviewed any documents that may be referred to in or incorporated by reference into any of the documents listed above.

In rendering the opinions set forth herein, we have assumed with your permission, and without undertaking any independent investigation, that:

- (i) The execution, delivery and performance of the Transaction Documents does not violate or conflict with any order, writ, injunction or decree of any court, administrative agency or other governmental authority applicable to the HR Phase 1 Developer.

(ii) The HR Phase 1 Developer will obtain all permits and governmental approvals required in the future, and take all actions similarly required, relevant to the performance of the Transaction Documents.

In rendering the opinions set forth herein, we have further assumed with your permission the genuineness of all signatures other than those of the HR Phase 1 Developer, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies, and the legal capacity of all natural persons. In our examination of any of the Transaction Documents executed by entities other than HR Phase 1 Developer, we have assumed that each such other entity has the power to execute and deliver such Transaction Documents and that such other entity has the power to perform all of its obligations thereunder; and also have assumed the due authorization by each such entity of all requisite action and the due execution and delivery of such documents by each such entity; and that such Transaction Documents constitute the legal, valid and binding obligations or undertakings of each such entity.

We have further relied upon certificates and representations made by the HR Phase 1 Developer and the HR Phase 1 Developer's representatives and the parties to this transaction described in the Offering Memorandum.

Based on the foregoing and subject to the qualifications set forth herein, we are of the opinion that:

1. The HR Phase 1 Developer is a limited liability company duly organized and validly existing and in good standing under the laws of the State of Delaware and is authorized to do business in the State of Florida.

2. The execution, delivery and performance by the HR Phase 1 Developer of the Transaction Documents are within the power of the HR Phase 1 Developer and have been duly authorized by entity action.

3. Each of the Transaction Documents is a legal, valid and binding obligation of the HR Phase 1 Developer, enforceable under the laws of the State of Florida in accordance with its terms.

4. The execution and delivery of the Transaction Documents by the HR Phase 1 Developer and consummation of the obligations of the HR Phase 1 Developer thereunder do not: (i) constitute a breach or violation of the HR Phase 1 Developer's organizational documents, (ii) conflict with any Florida law or (iii) based solely in reliance on the Certificates, constitute a breach of or default under any existing agreement, indenture, mortgage or other instrument to which the HR Phase 1 Developer is subject or by which its assets are or may be bound.

5. The HR Phase 1 Developer has the power and authority to undertake the development of Hodges Reserve Phase 1 as described in the Offering Memorandum, except for the obtaining of necessary permits and governmental approvals for construction to be issued in the ordinary course, and we are not aware of any action taken or omitted by the HR Phase 1

Developer that would cause or give reason for such permits or governmental approvals not to be issued or obtained.

6. The property constituting Hodges Reserve Phase 1 is zoned as described in the Offering Memorandum. Hodges Reserve Phase 1 has approval from the City of Leesburg, Florida, to allow for the development of the 163 planned residential units as described in the Offering Memorandum.

7. Based on a review of that certain Ownership and Encumbrance Report issued by First American Title Insurance Company, File No. \_\_\_\_\_, dated through \_\_\_\_\_, 2024 @ \_\_:00 .m., and updated through \_\_\_\_\_, 2024 @ \_:00 .m., as attached hereto as Exhibit A (the "Title Report") of the property owned by the HR Phase 1 Developer (the "HR Phase 1 Developer Property"), without independent inquiry, fee simple title to the HR Phase 1 Developer Property is held by the HR Phase 1 Developer and is subject only to the liens, encumbrances, easements and agreements set forth in the Title Report. The opinion in this paragraph is given as of the date of and in reliance upon the Title Report, and we disclaim any obligation to advise you of any change which thereafter may have been brought to our attention. We offer no opinion as to the correctness of the Title Report and have undertaken no independent verification as to the title Hodges Reserve Phase 1.

8. To the best of our knowledge, based on inquiry with the Clerks of the Court for the Fifth Judicial Circuit in and for Lake County, Florida and the United States District Court for the Middle District of Florida as of \_\_\_\_\_, 2024, except as disclosed in the Offering Memorandum, there was no action, suit or proceeding, at law or in equity, pending before the Fifth Judicial Circuit in and for Lake County, Florida or before the United States District Court for the Middle District of Florida for which the HR Phase 1 Developer has received actual notice or, to our knowledge, threatened, against the HR Phase 1 Developer which, if successful would: (a) restrain or enjoin the HR Phase 1 Developer from executing and delivering any of the Transaction Documents, (b) render invalid or unenforceable one or more of the Transaction Documents or the obligations of the HR Phase 1 Developer contemplated thereunder, (c) affect the existence of the HR Phase 1 Developer or the election or appointment of any of its officers or directors, (d) negatively impact the corporate powers of the HR Phase 1 Developer or the HR Phase 1 Developer's assets or financial condition in such manner as to materially adversely affect the HR Phase 1 Developer's ability to perform its obligations under the Transaction Documents or develop Hodges Reserve Phase 1 as described in the Offering Memorandum.

9. To our knowledge, the HR Phase 1 Developer has not taken any action that would preclude the sale or issuance of the Bonds by the District or the construction or acquisition by the District of the Series 2024 Project (as defined in the Offering Memorandum).

10. With respect to the information in the Offering Memorandum, no facts have come to our attention that cause us to believe that the information set forth in the Offering Memorandum under the captions "THE DEVELOPMENT," "THE HR PHASE 1 DEVELOPER,"

“LITIGATION – The HR Phase 1 Developer,” and “CONTINUING DISCLOSURE” (solely as to the HR Phase 1 Developer and Hodges Reserve Phase 1), as of the date of the Offering Memorandum or as of the date hereof, contains an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

11. The HR Phase 1 Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute. To our knowledge, the HR Phase 1 Developer has not indicated its consent to, or approval of, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

The opinions expressed above are based solely on the laws of the State of Florida as of the date hereof. Accordingly, we express no opinion nor make any statement regarding the effect or application of the law of any other state or jurisdiction.

No opinion is rendered hereunder as to the accuracy of the representations or warranties contained in the Transaction Documents.

Our opinion set forth above as to the enforceability of any of the Transaction Documents is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors’ rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Our opinions expressed herein are predicated upon present laws, facts and circumstances, and we do not undertake or assume any obligation to update any matters contained herein or to update or supplement the opinions expressed herein to reflect any changes in facts or circumstances that may hereafter come to our attention or any changes in laws that may hereafter occur though such change may affect one or more of the opinions expressed herein. This opinion is furnished by us as counsel to the HR Phase 1 Developer and is solely for the benefit of the addressees herein in connection with the issuance of the Bonds and shall not extend to, and may not be relied upon by, any other person or entity (regardless of whether such other person or entity is related to or affiliated with any of the addressees) without our express written consent. The delivery of this opinion to the addressees does not create, and shall not be deemed to create, an attorney-client relationship.

Respectfully submitted,

Representatives of the Master Landowner have provided information to the District to be used in connection with the offering by the District of the Bonds, pursuant to a Preliminary Limited Offering Memorandum dated [\_\_\_\_\_] 2024 (the “Preliminary Limited Offering Memorandum”), and a final Limited Offering Memorandum dated November [\_\_], 2024 (the “Limited Offering Memorandum” and, together with the Preliminary Limited Offering Memorandum, the “Limited Offering Memoranda”).

4. The Master Landowner has reviewed and approved the information relating to the Master Landowner and the lands within the District owned by the Master Landowner (the “Master Landowner Lands”) contained in the Limited Offering Memoranda under the captions “THE DEVELOPMENT,” “THE MASTER LANDOWNER,” and “LITIGATION – The Master Landowner” and with respect to the Master Landowner and the Master Landowner Lands under the captions “CONTINUING DISCLOSURE” and “BONDOWNERS’ RISKS” and warrants and represents that such information did not as of its respective date, and does not as of the date hereof, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. In addition, the Master Landowner is not aware of any other information in the Limited Offering Memoranda that contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

5. The Master Landowner represents and warrants that it has complied with and will continue to comply with Chapters 190.009, Florida Statutes and 190.048, Florida Statutes, as amended.

6. As of the date hereof, there has been no material adverse change in the business, properties, assets or financial condition of the Master Landowner which has not been disclosed in the Limited Offering Memoranda and/or in all other information provided by the Master Landowner to the Underwriter or the District.

7. The Master Landowner hereby consents to the levy of the Series 2024 Assessments on the lands in the 2024 Assessment Area owned by the Master Landowner. The levy of the Series 2024 Assessments on the lands in the 2024 Assessment Area owned by the Master Landowner will not conflict with or constitute a breach of or default under any agreement, mortgage, lien or other instrument to which the Master Landowner is a party or to which its property or assets are subject.

8. The Master Landowner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. The Master Landowner has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

9. Other than as may be disclosed in the Limited Offering Memorandum, that portion of the Master Landowner Lands securing Series 2024 Assessments for the Series 2024 Bonds is free and clear of any commercial mortgage encumbrance (i.e., non single-family home mortgages obtained by homeowners).

10. The Master Landowner acknowledges that the Bonds have the debt service requirements set forth in the Limited Offering Memorandum and that the Series 2024 Assessments will be levied by the District at times, and in amounts sufficient, to enable the District to pay debt service on the Bonds when due.

11. To the best of our knowledge, the Master Landowner is not in default under any resolution, ordinance, agreement or indenture, mortgage, lease, deed of trust, note or other instrument to which the Master Landowner is subject or by which the Master Landowner or its properties are or may be bound, which would have a material adverse effect on the consummation of the transactions contemplated by the Financing Documents to which the Master Landowner is a party or on the Master Landowner Lands, and the Master Landowner is not delinquent in the payment of any ad valorem, federal or state taxes associated with the Master Landowner Lands.

12. Except as otherwise disclosed in the Limited Offering Memoranda, there is no action, suit or proceeding at law or in equity by or before any court or public board or body pending or, solely to the best of our knowledge, threatened against the Master Landowner (or any basis therefor) (a) seeking to restrain or enjoin the execution or delivery of the Financing Documents to which the Master Landowner is a party and the Declaration of Consent, (b)

contesting or affecting the validity or enforceability of the Financing Documents to which the Master Landowner is a party, the Declaration of Consent, or any and all such other agreements or documents as may be required to be executed, or the transactions contemplated thereunder, or (c) contesting or affecting the establishment or existence of the Master Landowner, or of the Master Landowner's business, assets, property or conditions, financial or otherwise, or contesting or affecting any of the powers of the Master Landowner.

13. To the best of our knowledge after due inquiry, the Master Landowner is in compliance in all material respects with all provisions of applicable law in all material matters relating to the Master Landowner Lands as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) to the best of our knowledge, the Master Landowner Lands are zoned and properly designated for their intended use, and (b) the Master Landowner is not aware of any default of any zoning condition, permit or development agreement which would adversely affect the Master Landowner's ability to complete or cause the completion of development of the Hodges Reserve Neighborhood as described in the Limited Offering Memoranda.

14. The Master Landowner acknowledges that it will have no rights under Chapter 170, Florida Statutes, as amended, to prepay, without interest, the Series 2024 Assessments imposed on lands in the 2024 Assessment Area owned by the Master Landowner within thirty (30) days following completion of the Series 2024 Project and acceptance thereof by the District.

15. The Master Landowner is not insolvent and the Master Landowner is not in default of any obligations to pay special assessments, except as disclosed in the Limited Offering Memoranda.

16. The current general development plans for the Hodges Reserve Neighborhood are as set forth in the Limited Offering Memorandum under the caption "THE DEVELOPMENT – Residential Land Use and Development Plan" and the status of sales activity and projected absorption is as set forth in the Limited Offering Memorandum under the captions "THE DEVELOPMENT – Development Status," "THE DEVELOPMENT – Model Home/Sales Activity" and "THE DEVELOPMENT – Projected Absorption." The Master Landowner is proceeding with all reasonable speed to develop Hodges Reserve Phase 2 and to sell developed lots for the construction of homes thereon to be purchased by end users. As of the date hereof, the Master Landowner does not reasonably expect that it will be required to make any payments under the True-Up Agreement between the Master Landowner and the District.

MBS Capital Markets, LLC  
Winter Park, Florida

Re:    \$[\_\_\_\_\_] Dewey Robbins Community Development District (City of  
          Leesburg, Florida) Capital Improvement Revenue Bonds, Series 2024 (the  
          “Bonds”)

Ladies and Gentlemen:

I am general counsel to Trinity Land Company, LLC, a Florida limited liability company (the “Master Landowner”), in connection with its development of the Hodges Reserve Neighborhood project located in the City of Leesburg, Florida in Lake County, Florida described in the Limited Offering Memorandum, dated November [\_\_], 2024 (the “Limited Offering Memorandum”), relating to the above-referenced Bonds issued by the Dewey Robbins Community Development District (the “District”). As of the date of this opinion, the Master Landowner is the owner of a substantially portion of the lands within the 2024 Assessment Area, as described in the Limited Offering Memorandum (the “Master Landowner Lands”). Unless otherwise defined herein, capitalized terms used herein have the respective meanings assigned to such terms in the Bond Purchase Agreement, dated November [\_\_], 2024 (the “Bond Purchase Agreement”), between the District and MBS Capital Markets, LLC (the “Underwriter”), or in the Master Trust Indenture, dated as of November 1, 2024, as supplemented by a First Supplemental Trust Indenture dated as of November 1, 2024, each by and between the District and U.S. Bank Trust Company, National Association, as trustee (together, the “Indenture”).

In my capacity as general counsel to the Master Landowner, I have examined and am familiar with the documents listed on Exhibit “A” attached hereto (the “Master Landowner Agreements”).

Also, I have examined the organizational documents listed on Exhibit “B” attached hereto (collectively, the “Master Landowner Organizational Documents” and, together with the Master Landowner Agreements, the “Documents”).

Except to the extent expressly stated herein to the contrary, in rendering this opinion, I have relied solely upon the Master Landowner Organizational Documents and the certificates,

opinions and representations made by the Master Landowner, its representatives and the parties to this transaction as described in, but not limited to, the Documents (collectively, the "Certificates").

### **Assumptions**

In rendering this opinion, I have assumed, without having made any independent investigation of the facts and on reliance on the Master Landowner Organizational Documents and Certificates, the following:

A. The genuineness of all signatures (other than those of the Master Landowner) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

B. To the extent that the obligations of the Master Landowner may be dependent upon such matters, that each other party to the Documents referred to herein is duly formed, validly existing and in good standing under the laws of its jurisdiction of formation; that each such other party has the requisite corporate or other organizational power and authority to perform its obligations under the Documents, as applicable; and that the Documents, as applicable, have been duly authorized, executed and delivered by, and each of them constitutes the legally valid and binding obligations of, such other parties, as applicable, enforceable against such other parties in accordance with their respective terms.

C. That all material legal and factual matters, including without limitation, representations and warranties, contained in the Documents and the Certificates, are true and correct as set forth therein.

D. There have been no undisclosed material modifications of any provision of any of the Documents, Master Landowner Organizational Documents or Certificates reviewed by me in connection with the rendering of the opinions expressed herein.

E. The parties to the Documents and their successors and assigns have and will: (i) act in good faith and in a commercially reasonable manner in the exercise of any rights or enforcement of any remedies under the Documents; (ii) not engage in any conduct in the exercise of such rights or enforcement of such remedies that would constitute other than fair dealing; and (iii) comply with all requirements of applicable procedural and substantive law in exercising any rights or enforcing any remedies under the Documents.

F. The exercise of any rights or enforcement of any remedies under the Documents would not be unconscionable, result in a breach of the peace or otherwise be contrary to public policy.

G. There are no agreements or understandings among the parties, written or oral, and there is no usage of trade or course of prior dealing among the parties that would, in either case, define, supplement, modify or qualify the terms of the Documents or the rights of the parties thereunder.

H. Value has been given to the Master Landowner to support the obligations of the Master Landowner under the Documents.

I. There has not been any mutual mistake of fact or mutual misunderstanding or undue influence by the parties to the Documents and there exists no fraud or duress.

J. The truthfulness of each statement as to all factual matters contained in any document if such statements were not otherwise known by me to be untruthful based upon the diligence review undertaken by me.

K. Routine procedural matters such as service of process or qualification to do business in the relevant jurisdiction(s) will be satisfied by the parties seeking to enforce the Documents.

In basing the opinions set forth in this opinion on “my knowledge”, the words “my knowledge” signify that, in the course of my representation of the Master Landowner, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters. Further, the words “my knowledge” as used in this opinion are intended to be limited to my actual knowledge.

I express no opinions other than those specifically set forth herein and no other opinions may be considered implied or inferred hereby.

Based upon the foregoing, and subject to the qualifications set forth herein, I am of the opinion that:

1. The Master Landowner is a limited liability company organized and existing under the laws of the State of Florida.

2. The Master Landowner has the power to conduct its business and to enter into the Documents.

3. The Documents have been duly authorized, executed and delivered by the Master Landowner and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute the legal, valid and binding obligations of the Master Landowner, enforceable in accordance with their respective terms.

4. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memorandum under the captions "THE DEVELOPMENT," "THE MASTER LANDOWNER," "LITIGATION – The Master Landowner" and "CONTINUING DISCLOSURE" (as it relates to the Master Landowner) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the date of the Limited Offering Memorandum or as of the date hereof.

5. The execution, delivery and performance of the Documents by the Master Landowner do not violate: (i) the Master Landowner's Operating Agreement, (ii) to my knowledge, any agreement, instrument or federal or Florida law, rule or regulation known to me to which the Master Landowner is a party or by which Master Landowner's assets are or may be bound; or (iii) to my knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Master Landowner or its assets.

6. Nothing has come to my attention that would lead me to believe that the Master Landowner is not in compliance in all material respects with all provisions of "Applicable Laws" (as hereinafter defined) in all material matters relating to the Master Landowner as described in the Limited Offering Memorandum.

7. To my knowledge, the levy of the Series 2024 Assessments on the Master Landowner Lands will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Master Landowner is a party or to which the Master Landowner or any of its property or assets is subject.

8. There is no litigation pending which would prevent or prohibit the Master Landowner from fulfilling its obligations under the Master Landowner Agreements or development of the Hodges Reserve Neighborhood in accordance with the description thereof in the Limited Offering Memorandum or which may result in any material adverse change in the respective business, properties, assets or financial condition of the Master Landowner.

9. To my knowledge, there is no threatened litigation which would prevent or prohibit the development of the Hodges Reserve Neighborhood in accordance with the description thereof in the Limited Offering Memorandum or which may result in any material adverse change in the respective business, properties, assets or financial condition of the Master Landowner. For avoidance of doubt, please be advised that in rendering this confirmation I have made no independent investigation, including, without limitation, any search of court records or the files of Master Landowner.

10. To my knowledge based on a search of applicable judicial dockets and official records of Lake County, Florida, the Master Landowner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any

bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To my knowledge, the Master Landowner has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

11. To my knowledge, the Master Landowner is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets is subject, which default would have a material adverse effect on the Series 2024 Bonds or the Hodges Reserve Neighborhood.

12. The property constituting the 2024 Assessment Area is zoned as described in the Limited Offering Memorandum. The 2024 Assessment Area has approval from the City of Leesburg, Florida, to allow for the development of the 305 residential units as described in the Limited Offering Memorandum.

13. [Title Opinion].

### **Qualifications**

Notwithstanding any provision of this opinion to the contrary, each of the opinions and confirmations set forth in this opinion is subject to the following qualifications:

(a) I am licensed to practice law only in the State of Florida and I do not express any opinion herein concerning any laws other than the laws of the State of Florida or federal laws of the United States of America.

(b) Any opinion expressed herein concerning a document is limited to the specific document referenced. No inference should be made that my opinion addresses other documents amended, modified, supplemented or referenced by, or attached to the document which is the subject of my opinion. I have made no investigation of the accuracy or completeness of any schedule attached to the Documents and express no opinion with respect thereto.

(c) The validity or enforceability of any Document and the liens created thereby may be limited or affected by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and transfer or similar laws affecting creditors' rights generally (including, without limitation, fraudulent conveyance laws) and by general principles of equity including, concepts of materiality, reasonableness, good faith and fair dealing and the possible unavailability of specific performance or injunctive relief, regardless of whether considered in a proceeding in equity or at law.

(d) I express no opinion as to the validity, binding effect or enforceability of:

(i) purported waivers of any statutory or other rights, court rules or defenses to obligations or consents to any actions where such waivers or consents: (A) are against public

policy; or (B) constitute waivers of rights or consents to actions which by law, regulation or judicial decision may not otherwise be waived or given;

(ii) provisions indemnifying any person against, or relieving any person of liability for, its own negligent or wrongful acts or in any other circumstances where enforcement of such provisions would be against public policy or limited or prohibited by Applicable Laws;

(iii) any provisions which purport to authorize or permit any person to exercise any right or remedy upon any nonmaterial breach or default;

(iv) any forum selection or exclusive jurisdiction provision;

(v) any powers of attorney to the extent that they purport to grant rights and powers that may not be granted under Applicable Laws;

(vi) any provision that purports to permit the exercise of "self-help" remedies, including, the exercise of rights of setoff or purported rights to enter onto the property of any person or take physical possession of any property;

(vii) any right or obligation to the extent that the same may be varied by course of dealing or performance;

(viii) any provisions which may provide for the compounding of interest or the payment or accrual of interest on interest;

(ix) any provision that is subject to any mutual mistake of fact or misunderstanding, fraud, duress or undue influence; This opinion does not mean that any particular remedy is available upon a material default.

(d) Unless explicitly addressed in this opinion, the opinions and confirmations set forth in this opinion do not address any of the following legal issues, and I specifically express no opinion with respect thereto and whenever used in this letter, the term "**Applicable Laws**" and words of similar import means the laws, rules and regulations of the United States and the State of Florida that a Florida counsel exercising customary professional diligence would reasonably be expected to recognize as being applicable to the Master Landowner and the Documents, but excluding the following laws, rules and regulations of the United States and the State of Florida: (i) securities laws and regulations administered by the Securities and Exchange Commission, State "Blue Sky" laws and regulations, and laws and regulations relating to commodity (and other) futures and indices and other similar instruments; (ii) Federal Reserve Board margin regulations; (iii) pension and employee benefit laws and regulations (e.g., ERISA); (iv) antitrust and unfair competition laws and regulations; (v) laws and regulations concerning filing and notice requirements (e.g., Hart-Scott-Rodino and Exon-Florio), other than requirements applicable to charter-related documents such as a certificate of merger; (vi) compliance with fiduciary duty requirements; (vii) environmental laws and regulations; (viii) zoning, land use, condominium, cooperative, subdivision and other development laws and

regulations; (viii) tax laws and regulations; (ix) patent, copyright and trademark, state trademark, and other federal and state intellectual property laws and regulations; (x) racketeering laws and regulations (e.g., RICO); (xi) health and safety laws and regulations (e.g., OSHA); (xii) labor laws and regulations; (xiii) laws, regulations and policies concerning: (a) national and local emergency, (b) possible judicial deference to acts of sovereign states, and (c) criminal and civil forfeiture laws; and (d) epidemics and pandemics; (xiv) bulk transfer law; (xv) law concerning access by the disabled and building codes; (xvi) bankruptcy, fraudulent conveyance, fraudulent transfer and other insolvency laws; (xvii) laws relating to terrorism or money laundering; (xviii) other statutes of general application to the extent that they provide for criminal prosecution; (xix) laws, rules and regulations concerning health care; (xx) filing or consent requirements under any of the foregoing excluded laws; and (xxi) judicial and administrative decisions to the extent they deal with any of the foregoing excluded laws.

(e) I express no opinion with respect to (i) the description, title, ownership or location of any property, real or personal; (ii) the characterization of any property as real property, personal property or fixtures; (iii) the accuracy or sufficiency of any description of collateral or other property; (iv) or the priority of any lien or security interest intended to be granted therein pursuant to one or more of the Documents.

(f) I express no opinion as to the effectiveness of any provisions of the Documents that provide for the assignment or transfer of any permits, licenses or similar rights of the Master Landowner or the District.

(g) I exclude from this letter any opinion as to the applicability or effect of any federal and state taxes, including income taxes, sales taxes and franchise fees.

(h) I hereby disclose that I have an indirect ownership interest in the Master Landowner, and therefore have a pecuniary interest in the transaction that is the subject of this opinion.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction.

This letter may not be quoted in whole or in part or otherwise referred to in any report or document furnished to any person or entity, except: (i) in connection with the enforcement of the obligations of the Master Landowner under the Documents, or (ii) the inspection of your files by internal or government examiners or auditors; or (iii) as may be required pursuant to any validly issued court order, subpoena, decree or other lawful process.

Very truly yours,

Re: Dewey Robbins Community Development District Capital Improvement  
Revenue Bonds, Series 2024 (2024 Assessment Area) (the "Bonds")

Ladies and Gentlemen:

The undersigned serves as the Consulting Engineer to the Dewey Robbins Community Development District (the "District"). This Certificate is furnished pursuant to Section 8(c)(12) of the Bond Purchase Agreement dated November [\_\_], 2024, between the District and MBS Capital Markets, LLC (the "Bond Purchase Agreement") relating to the sale of the Bonds. Terms used herein in capitalized form and not otherwise defined herein shall have the meaning ascribed thereto in said Bond Purchase Agreement or in the Limited Offering Memorandum dated November [\_\_], 2024, relating to the Bonds (the "Limited Offering Memorandum").

1. GAI Consultants, Inc. (the "Firm") has been retained by the District to serve as the Consulting Engineer and to prepare the Master Engineer's Report dated March 20, 2024, (the "Report") included as an appendix to the Limited Offering Memorandum. Consent is hereby given to the references to the Firm and the Report in the Limited Offering Memorandum and to the inclusion of the Report as an appendix to the Limited Offering Memorandum.

2. The Report was prepared in accordance with generally accepted engineering practices. It is our professional opinion that the Capital Improvement Program ("CIP") and the Series 2024 Project, as defined in the Report, is feasible and that the cost estimates contained therein are reasonable and represent the estimated cost of construction of the improvements and work product. Further, the CIP, which includes the Series 2024 Project, represents a system of improvements benefitting all lands within the District. The Series 2024 Project provides sufficient benefit to support the Series 2024 Assessments levied on the properties subject to the Series 2024 Assessments.

3. In connection with the preparation of the Report personnel of the Firm participated in meetings with representatives of the District and its counsel, Bond Counsel, the

Underwriter and its counsel and others in regard to the Series 2024 Project. The Series 2024 Project consists solely of infrastructure and other improvements set forth in the Act. Nothing has come to the attention of the Firm in relation to our engagement as described in this paragraph which would cause us to believe that the Report is, as of its date, or is as of the date hereof, or any of the statements in the Limited Offering Memorandum specifically attributed to the Firm were, as of the date of the Limited Offering Memorandum, or are as of the date hereof, inaccurate in any material respect.

4. The information contained in the Limited Offering Memorandum under the heading "THE CAPITAL IMPROVEMENT PROGRAM AND SERIES 2024 PROJECT" and in Appendix "A" to the Limited Offering Memorandum are accurate statements and fairly present the information purported to be shown, and nothing has come to the attention of the Firm that would lead it to believe that such section and appendix contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make such statements, in light of the circumstances in which they were made, not misleading.

5. Except as described in the Report, all permits, consents or licenses, and all notices to or filings with governmental agencies necessary for the construction and acquisition of the Series 2024 Project as described in the Limited Offering Memorandum required to be obtained or made have been obtained or made or it is reasonable to believe that they will be obtained or made when required. There is no reason to believe that any permits, consents, licenses or governmental approvals required to complete any portion of the Series 2024 Project as described in the Limited Offering Memorandum will not be obtained as required. There is no reason to believe that the necessary water and sewer capacity will not be available when needed to permit the development of the Development as described in the Limited Offering Memorandum.

**CAPITAL IMPROVEMENT REVENUE BONDS, SERIES 2024  
(2024 ASSESSMENT AREA)**

The undersigned, on behalf of MBS CAPITAL MARKETS, LLC (“MBS”), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the “Bonds”).

1. ***Sale of the Bonds.*** As of the date of this certificate, for each Maturity of the Bonds, the first price at which at least 10% of such Maturity of the Bonds was sold to the Public is the respective price listed in Schedule A.

2. ***Defined Terms.***

(a) ***Issuer*** means Dewey Robbins Community Development District.

(b) ***Maturity*** means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(c) ***Public*** means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(d) ***Sale Date*** means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is November [\_\_], 2024.

(e) ***Underwriter*** means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

3. **Reserve Account.** The requirement that the Series 2024 Reserve Account be funded in the amount of the initial Series 2024 Reserve Account Requirement is necessary and a vital factor in marketing the Bonds and in obtaining the interest rates obtained which rates are comparable to that for other bonds issued of the same character priced on the same date.

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents MBS' interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Bond Counsel in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of Internal Revenue Service Form 8038-G, and other federal income tax advice it may give to the Issuer from time to time relating to the Bonds.

Issuance of Bonds.** For the purpose of providing funds for paying all or part of the Cost of a Series Project, Bonds of a Series, without limitation as to aggregate principal amount, may be issued under this Master Indenture subject to the conditions hereinafter provided in Section 207 hereof. Debt Service on each Series of Bonds shall be payable solely from the Pledged Revenues and Pledged Funds pledged to such Series of Bonds in the Supplemental Indenture authorizing the issuance of such Series of Bonds and, as may be provided in such Supplemental Indenture, all of the provisions of this Master Indenture shall be for the benefit and security of the present and future Owners of such Series of Bonds so issued, without preference, priority or distinction, as to lien or otherwise, of any one Bond of such Series over any other Bond of such Series. The District may also issue from time to time, Additional Bonds, Completion Bonds and Refunding Bonds of a Series under and pursuant to the terms of the Supplemental Indenture authorizing the issuance of such Series of Bonds.

**Section 202. Details of Bonds.** Bonds of a Series shall be in such denominations, numbered consecutively, shall bear interest from their date until their payment at rates not exceeding the maximum rate permitted by law, shall be dated, shall be stated to mature in such year or years in accordance with the Act, and shall be subject to redemption prior to their respective maturities, subject to the limitations hereinafter provided, as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds. Bonds of a Series may be Current Interest Bonds, Variable Rate Bonds, Capital Appreciation Bonds, Option Bonds or any combination thereof and may be secured by a Credit Facility or Liquidity Facility, all as shall be provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds. Debt Service shall be payable in any coin or currency of the United States of America which, at the date of payment thereof, is legal tender for the payment of public and private debts. Interest shall be paid to the registered Owner of Bonds at the close of business on the Record Date for such interest; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 hereof, the payment of interest and principal or Redemption Price or Amortization Installments pursuant hereto shall be made by the Paying Agent to such person who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the registered Owner of a Bond. Any payment of principal, Maturity Amount or Redemption Price shall be made only upon presentation of the Bond at the designated corporate trust office of the Paying Agent in Fort Lauderdale, Florida; provided, however, that presentation shall not be required if the Bonds are in book-entry only form. Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner if such Owner requests such method of payment by delivery of written notice to the Paying Agent prior to the Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner owns not less than \$1,000,000 in aggregate principal amount of the Bonds or, if less than such amount, all of the Bonds then Outstanding). Unless otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, interest on a Series of Bonds will be computed on the basis of a 360-day year of twelve 30-day months.

**Section 203. Execution and Form of Bonds.** The Bonds shall be signed by or bear the facsimile signature of the Chairman, shall be attested and countersigned by the Secretary, and the certificate of authentication appearing on the face of the Bonds shall be signed by the Trustee; provided, however, that each Bond shall be manually signed by the Chairman and attested by the Secretary. The official seal of the District shall be imprinted or impressed on each Bond. In case any officer whose signature or a facsimile of whose signature appears on any Bond shall

cease to be such officer before the delivery of such Bond, such signature or such facsimile shall nevertheless be valid for all purposes the same as if he or she had remained in office until such delivery. Any Bond may bear the facsimile signature of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be proper officers to execute such Bond although at the date of such Bond such persons may not have been such officers. The Bonds, and the provisions for registration and reconversion to be endorsed on such Bonds, shall be substantially in the form set forth in a Supplemental Indenture. The Trustee may appoint one or more authenticating agents.

**Section 204. Negotiability, Registration and Transfer of Bonds.** The District shall cause books for the registration and for the transfer of the Bonds as provided in this Master Indenture to be kept by the Bond Registrar. Any Bond may be transferred only upon an assignment duly executed by the registered Owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, such transfer to be made on such books and endorsed on the Bond by the Bond Registrar. No charge shall be made to any Owner for registration and transfer as hereinabove provided, but any Owner requesting any such registration or transfer shall pay any tax or other governmental charge required to be paid with respect thereto. The Bond Registrar shall not be required to transfer any Bond during the period between the Record Date and the Interest Payment Date next succeeding the Record Date of such Bond, during the period between the Record Date for the mailing of a notice of redemption and the date of such mailing, nor after such Bond has been selected for redemption. The Bonds shall be and have all the qualities and incidents of negotiable instruments under the laws of the State, and each successive Owner, in accepting any of the Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the laws of the State.

**Section 205. Ownership of Bonds.** The person in whose name any Bond shall be registered shall be deemed the absolute Owner thereof for all purposes, and payment of Debt Service shall be made only to or upon the order of the registered Owner thereof or his attorney or legal representative as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Trustee, the District, the Bond Registrar and the Paying Agent may deem and treat the registered Owner of any Bond as the absolute Owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the Trustee, the District, the Bond Registrar nor the Paying Agent shall be affected by any notice to the contrary.

**Section 206. Special Obligations.** Each Series of Bonds shall be a special and direct obligation of the District. Neither the Bonds nor the interest and premium, if any, payable thereon shall constitute a general obligation or general indebtedness

of the District within the meaning of the Constitution and laws of the State. The Bonds and the interest and premium, if any, payable thereon do not constitute either a pledge of the full faith and credit of the District or a lien upon any property of the District other than as provided herein or in the Supplemental Indenture authorizing the issuance of such Series of Bonds. No Owner or any other person shall ever have the right to compel the exercise of any ad valorem taxing power of the District or any other public authority or governmental body to pay Debt Service or to pay any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds. Rather, Debt Service and any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds, shall be payable solely from, and shall be secured solely by, the Series Pledged Revenues and the Series Pledged Funds pledged to such Series of Bonds, all as provided herein and in such Supplemental Indenture.

**Section 207. Authorization of Bonds.**

(a) There shall be issued from time to time in Series, under and secured by this Master Indenture, Bonds without limitation as to aggregate principal amount for the purposes of:

- (i) paying all or part of the Cost of a Series Project or Series Projects or refunding a Series of Bonds or any portion thereof then Outstanding; and
- (ii) depositing the Series Reserve Account Requirement to the Series Reserve Account for such Series of Bonds.

(b) Each Series of Bonds, upon initial issuance thereof, shall be executed by the District for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the District or upon its order, but only upon the further receipt by the Trustee of the following:

- (i) an executed and attested original or certified copy of this Master Indenture;
- (ii) an executed and attested original or certified copy of the Supplemental Indenture fixing the amount of and security for the Series of Bonds authorized to be issued thereby and establishing, among other things, the dates on which, and the amounts in which, such Series of Bonds will mature (provided that the final maturity date of such Series of Bonds shall be not later than permitted by the Act with respect to such Series of Bonds), designating the Paying Agent and Bond Registrar, fixing the Amortization Installments, if any, for the Term Bonds of such Series, awarding the Series of Bonds, specifying the interest rates or the method for calculating such interest rates with respect to such Series of Bonds, specifying the redemption provisions and prices thereupon, specifying other details of such Series of Bonds, and directing the delivery of such Series of Bonds to or upon the order

of the initial purchaser thereof upon payment of the purchase price therefor set forth in such Supplemental Indenture;

(iii) an opinion of counsel for the District substantially to the effect that the signer is of the opinion that this Master Indenture and the Supplemental Indenture relating to such Series of Bonds have been duly and validly authorized in accordance with the terms hereof and of the Act, and have been duly approved and adopted, that the issuance of such Series of Bonds has been duly authorized, and that this Master Indenture and the Supplemental Indenture constitute binding obligations of the District, enforceable against the District in accordance with their terms except as enforcement thereof may be affected by bankruptcy and other similar laws relating to creditor's rights generally; and

(iv) an opinion of Bond Counsel for the District substantially to the effect that the signer is of the opinion that the Bonds of such Series are valid, binding and enforceable obligations of the District and, if such Series of Bonds are Tax-Exempt Bonds, that interest thereon is excludable from gross income of the Owners under the income tax laws of the United States in effect on the date such Series of Bonds are delivered to the initial purchasers.

Execution of a Series of Bonds by the District shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the District and payment to the Trustee of the initial purchase price for a Series of Bonds shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the underwriter of such Series of Bonds.

The Trustee shall be provided with reliance letters with respect to the opinions required in paragraphs (iii) and (iv) above. When the documents mentioned in subsections (i) through (iv) above shall have been received, and when the Bonds of such Series shall have been executed and authenticated as required by this Master Indenture, such Series of Bonds shall be delivered to, or upon the order of, the District, but only upon payment to the Trustee of the purchase price of such Series of Bonds, together with accrued interest, if any, thereon as set forth in a certificate of delivery and payment executed by the Chairman of the District.

(c) To the extent not set forth in the Supplemental Indenture authorizing the issuance of a Series of Bonds, the proceeds (including accrued interest and any premium) of each Series of Bonds shall be applied as soon as practicable upon delivery thereof to the Trustee as follows:

(i) the amount received as accrued interest on the Bonds, if any, shall be deposited to the credit of the Series Interest Account and Capitalized Interest, if any, shall be deposited to the credit of the Series Capitalized Interest Account;

(ii) an amount equal to the Series Reserve Account Requirement or the initial cost of satisfying the Series Reserve Account Requirement if not satisfied by the deposit of cash, shall be deposited to the credit of the Series Reserve Account; and

(iii) the balance shall be deposited and applied as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

**Section 208. Mutilated, Destroyed or Lost Bonds.** If any Bonds become mutilated, destroyed or lost, the District may cause to be executed and delivered a new Bond in substitution therefor upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, and upon payment by the Owner of the reasonable expenses and charges of the District and the Trustee in connection therewith and, in the case of a Bond destroyed or lost, upon the Owner filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost and of his or her ownership thereof, and upon furnishing the District and the Trustee with indemnity satisfactory to them.

**Section 209. Parity Obligations Under Credit Agreements.** As may be provided for or required in any Supplemental Indenture, the District may incur financial obligations under a Letter of Credit Agreement or a Liquidity Agreement payable on parity with respect to the lien on the Trust Estate pledged to a Series of Bonds issued under this Master Indenture and a Supplemental Indenture, without meeting any financial test or requirement set forth in this Master Indenture or the corresponding Supplemental Indenture, but only if the Letter of Credit Agreement or Liquidity Agreement supports a related Series of Bonds then being issued which does meet such tests or requirements.

**Section 210. Bond Anticipation Notes.** Whenever the District shall authorize the issuance of a Series of Bonds, the District may by resolution authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such authorized Series of Bonds in a principal amount not exceeding the principal amount of such Series of Bonds. The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered to pay the Cost of the Series Project or Series Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from the proceeds of the sale of the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing

such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale of such Bond Anticipation Notes and for the deposit in the related Series Capitalized Interest Account. In the event that the District adopts a resolution authorizing the issuance of Bond Anticipation Notes, the District will promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and unless the Trustee accepts in writing such duties and obligations.

**Section 211. Tax Status of Bonds.** Any Series of Bonds issued under this Master Indenture may be issued either as Tax-Exempt Bonds or Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referenced in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

### **ARTICLE III REDEMPTION OF BONDS**

**Section 301. Redemption Generally.** The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption. Notwithstanding any other provision of this Master Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of a Series shall be called for redemption, the particular Bonds of such Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The portion of any Series of Bonds to be redeemed shall be in an Authorized Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond Registrar shall treat each such Bond as representing that number of Bonds of such Series which is obtained by dividing the principal amount of such Bond by an Authorized Denomination (such amount being hereinafter referred to as the "unit of principal amount").

If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the redemption price of the unit or units of principal amount called for redemption, shall be entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest Redemption Price (including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series of Bonds.

**Section 302. Notice of Redemption; Procedure for Selection.** The District shall establish each redemption date, other than in the case of a mandatory redemption, in which case the Trustee shall establish the redemption date, and the District or the Trustee, as the case may be, shall notify the Bond Registrar in writing of such redemption date on or before the forty-fifth (45th) day next preceding the date fixed for redemption, which notice shall set forth the terms of the redemption and the aggregate principal amount of Bonds to be redeemed. Except as otherwise provided herein, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or certified mail at such address to any Owner who has not submitted his Bond to the Paying Agent for payment on or before the date sixty (60) days following the date fixed for redemption of such Bond, in each case stating: (a) the numbers of the Bonds to be redeemed, by giving the individual certificate number of each Bond to be redeemed (or stating that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption); (b) the CUSIP numbers of all Bonds being redeemed; (c) in the case of a partial

redemption of Bonds, the principal amount of each Bond being redeemed; (d) the date of issue of each Bond as originally issued and the complete official name of the Bonds including the Series designation; (e) the rate or rates of interest borne by each Bond being redeemed; (f) the maturity date of each Bond being redeemed; (g) the place or places where amounts due upon such redemption will be payable; and (h) the notice date, redemption date, and Redemption Price. The notice shall require that such Bonds be surrendered at the designated corporate trust office of the Paying Agent for redemption at the Redemption Price and shall state that further interest on such Bonds will not accrue from and after the redemption date; provided, however, that such presentation shall not be required while such Bonds are registered in book-entry only format. CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Any required notice or redemption shall also be sent by registered mail, overnight delivery service, telecopy or other secure means, postage prepaid, to any Owner of \$1,000,000 or more in aggregate principal amount of Bonds to be redeemed, to certain municipal registered securities depositories in accordance with the then-current guidelines of the Securities and Exchange Commission, which are known to the Bond Registrar to be holding Bonds thirty-two (32) days prior to the redemption date and to at least two of the national information services that disseminate securities redemption notices in accordance with the then-current guidelines of the Securities and Exchange Commission, when possible, at least thirty (30) days prior to the redemption date; provided that neither failure to send or receive any such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

**Section 303. Effect of Calling for Redemption.** On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price provided for the redemption of such Bonds on such date and, moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to be entitled to any benefit under this Master Indenture, and the Owners of such Bonds shall have no rights in respect thereof, except to receive payment of the Redemption Price thereof, and interest, if any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

**Section 304. Cancellation.** Bonds called for redemption shall be canceled upon the surrender thereof pursuant to the provisions of Section 511 hereof.

**ARTICLE IV  
ACQUISITION AND CONSTRUCTION FUND**

**Section 401. Acquisition and Construction Fund.** There is created and established by Section 502 hereof a fund designated as the "Acquisition and Construction Fund" which shall be held by the Trustee and there shall be deposited to the credit of the Series Acquisition and Construction Accounts the amounts specified in the Supplemental Indenture relating to such Series of Bonds.

**Section 402. Payments from Acquisition and Construction Fund.** Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. All such payments shall be subject to the provisions and restrictions set forth in this Article IV and in Article V hereof, and the District covenants that it will not request any sums to be paid from the Acquisition and Construction Fund except in accordance with such provisions and restrictions. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in Section 503(b) hereof.

**Section 403. Cost of a Series Project.** For the purposes of this Master Indenture, the Cost as it pertains to a Series Project shall include, without intending thereby to limit or to restrict or expand any proper definition of such cost under the Act, other applicable provisions of State law, or this Master Indenture, the following:

(a) ***Expenses of Bond Issuance.*** All expenses and fees relating to the issuance of the Bonds, including, but not limited to, initial Credit Facility or Liquidity Facility fees and costs, attorneys' fees, underwriting fees and discounts, the Trustee's acceptance fees and costs, Trustee's counsel fees and costs, rating agency fees, fees of financial advisors, engineer's fees and costs, administrative expenses of the District, the costs of preparing audits and engineering reports, the costs of preparing reports, surveys, and studies, and the costs of printing the Bonds and preliminary and final disclosure documents.

Notwithstanding the deposit of Capitalized Interest into the related Series Capitalized Interest Account, Capitalized Interest shall also include any amount directed by the District to the Trustee in writing to be withdrawn from the related Series Acquisition and Construction Account and deposited into such Series Capitalized Interest Account, provided that such direction includes a

certification that such amount represents earnings on amounts on deposit in the related Series Acquisition and Construction Account and that, after such deposit, the amount on deposit in such Series Acquisition and Construction Account, together with earnings thereon, will be sufficient to pay for the Costs of the related Series Project which are to be funded from such Series Acquisition and Construction Account, other than those Costs that have already been paid from such Series Acquisition and Construction Account, if any.

(c) ***Acquisition Expenses.*** The costs of acquiring, by purchase, donation or condemnation, all of the land, structures, improvements, rights-of-way, franchises, easements, plans and specifications and similar items and other interests in property, whether real or personal, tangible or intangible, which themselves constitute a Series Project or which are necessary or convenient to acquire, install and construct a Series Project and payments, contributions, dedications, taxes, assessments or permit fees or costs and any other exactions required as a condition to receive any government approval or permit necessary to accomplish any District purpose.

(d) ***Construction Expense.*** All costs incurred, including interest charges, for labor and materials, including equipment, machinery and fixtures, by contractors, builders, and materialmen in connection with the acquisition, installation and construction of a Series Project, and including without limitation costs incident to the award of contracts.

(e) ***Other Professional Fees and Miscellaneous Expenses.***

(ix) Costs incurred to enforce remedies against contractors, subcontractors, any provider of labor, material, services or any other person for a default or breach under the corresponding contract, or in connection with any dispute.

(x) Premiums for contract bonds and insurance during construction and costs on account of personal injuries and property damage in the course of construction and insurance against the same.

(xi) Expenses of management and supervision of a Series Project.

(xiv) Any other "cost" or expense as provided by the Act.

(f) ***Refinancing Costs.*** All costs described in (a) through (e) above or otherwise permitted by the Act associated with refinancing or repaying any loan or other debt obligation of the District.

**Section 404. Disposition of Balances in Acquisition and Construction Fund.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved for the payment of any remaining part of the Cost of the Series Project shall be transferred by the Trustee to the credit of the Series Prepayment Subaccount in the Series Redemption Account, or as otherwise provided in the Supplemental Indenture, and used for the purposes set forth for such Subaccount in the Supplemental Indenture relating to such Series of Bonds.

## **ARTICLE V ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF**

**Section 501. Lien.** There is hereby irrevocably pledged for the payment of the Bonds of each Series issued hereunder, subject only to the provisions of this Master Indenture and any Supplemental Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Indenture and any such Supplemental Indenture with respect to each Series of Bonds, the Trust Estate; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Series Trust Estate securing such Series of Bonds, the Series Pledged

Funds and Series Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and shall not secure any other Bonds or other Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

**Section 502. Establishment of Funds.** The following Funds are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a separate Series Costs of Issuance Account for each Series of Bonds issued hereunder;

(b) Revenue Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Revenue Account for each Series of Bonds issued hereunder;

(c) Debt Service Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds,

(i) a Series Debt Service Account, and therein a Series Interest Account, a Series Principal Account, a Series Sinking Fund Account and a Series Capitalized Interest Account, and

(ii) a Series Redemption Account and therein a Series Prepayment Subaccount and a Series Optional Redemption Subaccount,

for each such Series of Bonds issued hereunder;

(d) Reserve Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Reserve Account for each such Series of Bonds issued hereunder and any Bonds issued on a parity with any such Series of Bonds hereunder; and

(e) Rebate Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Rebate Account for each such Series of Tax-Exempt Bonds issued hereunder.

Notwithstanding the foregoing, the Supplemental Indenture authorizing any Series of Bonds may establish such other Series Accounts or dispense with the Series Accounts set forth above as shall be deemed advisable by the District in connection with such Series of Bonds.

**Section 503. Acquisition and Construction Fund.**

(a) **Deposits.** The District shall pay to the Trustee, for deposit into the related Series Acquisition and Construction Account in the Acquisition and Construction Fund, as promptly as practicable, the following amounts received by it:

(i) the amount set forth in the Supplemental Indenture relating to such Series of Bonds;

(ii) subject to Section 806 hereof, payments made to the District from the sale, lease or other disposition of the Series Project or any portion thereof;

(iii) the balance of insurance proceeds with respect to the loss or destruction of the Series Project or any portion thereof;

(iv) amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of a Series Project;

(v) amounts received from impact fee credits and/or utility connection fee credits; and

(vi) such other amounts as may be provided in a Supplemental Indenture.

Amounts in such Series Acquisition and Construction Account shall be applied to the Cost of the Series Project.

(b) **Disbursements.** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds, payments from a Series Acquisition and Construction Account shall be paid in accordance with the provisions of this subsection (b). Before any such payment shall be made, the District shall file with the Trustee a requisition in the form of Exhibit A attached hereto, signed by an Authorized Officer.

Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate either the accuracy or validity of the items delivered pursuant to this Section 503(b)

or whether such amount is properly payable hereunder or under the Supplemental Indenture for such Series of Bonds.

(c) **Inspection.** All requisitions and certificates received by the Trustee pursuant to this Article V shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District, the Consulting Engineer, the Owner of any Bonds of the related Series, and the agents and representatives thereof.

(d) **Completion of Series Project.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of acquiring or constructing the Series Project shall be applied in accordance with the provisions of Section 404 hereof. The Trustee shall have no duty to determine whether the Date of Completion has occurred and the Trustee shall not be deemed to have knowledge that the Date of Completion has occurred until the Trustee has received the certificate of the Consulting Engineer establishing such Date of Completion as specified in the definition of Date of Completion in Section 101 hereof.

**Section 504. Revenue Fund.** The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt all such Pledged Revenues with the Trustee (including Prepayments, which shall be identified as such by the District at the time of deposit with the Trustee), and the Trustee shall immediately deposit all such Pledged Revenues, when received, into the related Series Revenue Account and immediately deposit all Prepayments, when received, into the related Series Prepayment Subaccount in the Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds.

**Section 505. Debt Service Fund.**

(a) **Principal, Maturity Amount, Interest and Amortization Installments.** Except as otherwise provided in a Supplemental Indenture, on the Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the amount of interest payable on the Bonds of such Series on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the

principal amount, if any, payable with respect to Serial Bonds of such Series on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series maturing on such Interest Payment Date;

(v) to the Series Reserve Account, an amount, if any, which, together with other amounts, if any, then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account, the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to a Series of Tax-Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) ***Disposition of Remaining Amounts on Deposit in Series Revenue Account.*** The District shall authorize the withdrawal, from time to time, from the Series Revenue Account an amount sufficient to pay the fees and charges of the Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (i) the amount on deposit in the Series Interest Account, Series Principal Account, Series Sinking Fund Account and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of all Serial Bonds payable in such Bond Year, the Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installments required to be paid in such Bond Year, and (ii) any amounts remain in the Series Revenue Account on November 2 of such Bond Year, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property

Appraiser or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amounts have been withdrawn, paid and provided for as provided above, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to pay the operating and administrative costs and expenses of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Prepayment Subaccount of the Series Redemption Account. Upon the occurrence and continuance of an Event of Default hereunder, the foregoing transfer to the Series Prepayment Subaccount shall not be made.

(c) ***Series Reserve Account.*** Except as otherwise provided for herein or in a Supplemental Indenture, moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose.

(d) ***Series Debt Service Account.*** Moneys held for the credit of a Series Interest Account, Series Principal Account and Series Sinking Fund Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and the Amortization Installments of Term Bonds of such Series, as the case may be.

(e) ***Series Redemption Account.*** Moneys representing Prepayments on deposit in a Series Prepayment Subaccount to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms hereof (including extraordinary mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from Prepayments shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

(f) ***Payment to the District.*** When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for

such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

#### **Section 506. Optional Redemption.**

(a) ***Excess Amounts in Series Redemption Account.*** The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) ***Purchase of Bonds of a Series.*** The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller, and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue Account sufficient moneys to pay such respective amounts. In the event that

there are insufficient moneys on deposit in the related Series Sinking Fund Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Sinking Fund Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer of the District to the Trustee accompanied by a certificate of an Authorized Officer: (A) stating that sufficient moneys are on deposit in the Series Redemption Account to pay the purchase price of such Bonds; (B) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (C) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (B) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Sinking Fund Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year). The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the preceding sentence from amounts on deposit in the related Series Sinking Fund Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Sinking Fund Account for such purpose, but only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (X) stating that sufficient moneys are on deposit in the Series Sinking Fund Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (Y) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (Z) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (Y) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Series Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installments for Bonds of such Series first coming due in the current Bond Year or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bonds.

#### **Section 507. Rebate Fund.**

(a) **Creation.** There is created and established by Section 502 hereof a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series of Tax-Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) **Payment to United States.** The Trustee shall pay to the District, upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax-Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax-Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) **Deficiencies.** If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section 507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay such deficiency from its own funds.

(d) **Survival.** The covenants and agreements of the District in this Section 507 and Section 809, and any additional covenants related to compliance with

provisions necessary in order to preserve the exclusion of interest on the Tax-Exempt Bonds of a Series from gross income for federal income tax purposes shall survive the defeasance of the Bonds of such Series in accordance with Article XII hereof.

**Section 508. Investment of Funds and Accounts.** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Accounts for such Series of Bonds shall be invested as hereinafter in this Section 508 provided.

(a) ***Series Acquisition and Construction Account, Series Revenue Account and Series Debt Service Account.*** Moneys held for the credit of a Series Acquisition and Construction Account, a Series Revenue Account, and a Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when moneys held for the credit of each such Account will be required for the purposes intended.

(b) ***Series Reserve Account.*** Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

(c) ***Investment Obligations as a Part of Funds and Accounts.*** Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the written direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments. The Trustee shall have no obligation to invest funds without written direction from an Authorized Officer.

(d) ***Valuation.*** In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. The

Trustee shall value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

**Section 509. Deficiencies and Surpluses in Funds and Accounts.** For purposes of this Section 509, (a) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series

Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Revenue Account, or as otherwise provided in the related Supplemental Indenture.

**Section 510. Investment Income.** Unless otherwise provided in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account, a Series Capitalized Interest Account and a Series Revenue Account shall be retained, as realized, to the credit of such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture, earnings on investments in the Funds and Accounts other than a Series Reserve Account and other than as set forth above shall be deposited, as realized, to the credit of such Series Revenue Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited to the Series Revenue Account; or

(b) if there was a deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be retained in the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

**Section 511. Cancellation of Bonds.** All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall upon request of the District execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

## **ARTICLE VI CONCERNING THE TRUSTEE**

**Section 601. Acceptance of Trust.** The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article VI, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties expressly set forth herein, and no duties shall be implied against the Trustee.

**Section 602. No Responsibility for Recitals.** The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

**Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence.** The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatsoever in connection with the trust hereunder, except only its own gross negligence or willful misconduct.

**Section 604. Compensation and Indemnity.** The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and to the extent permitted under State law shall indemnify the Trustee and hold the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder except with respect to its own negligence or misconduct. The Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture other than moneys from a Credit Facility or Liquidity Facility. This Section 604 shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event

of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

**Section 605. No Duty to Renew Insurance.** The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

**Section 606. Notice of Default; Right to Investigate.** The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term "defaults" for purposes of this Section 606 and Section 607 being defined to include the events specified as "Events of Default" in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee, based upon the advice of counsel upon which the Trustee is entitled to rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and after receipt of written notice thereof by a Credit Facility issuer or Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and affected by such default. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

**Section 607. Obligation to Act on Default.** Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, or any action that would require the Trustee to expend its own funds, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

**Section 608. Reliance by Trustee.** The Trustee may act on any requisition, resolution, notice, telegram, request, consent, waiver, opinion, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture, and the Trustee

shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

**Section 609. Trustee May Deal in Bonds.** The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

**Section 610. Construction of Ambiguous Provision.** The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

**Section 611. Resignation of Trustee.** The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation filed with the Secretary of the District not less than sixty (60) days before the date when such resignation is to take effect; provided that notice of such resignation shall be sent by first-class mail to each Owner as its name and address appears on the Bond Register and to any Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

**Section 612. Removal of Trustee.** Any Trustee hereunder may be removed at any time by an instrument appointing a successor to the Trustee so removed, upon application of the District; provided, however, that if an Event of Default has occurred hereunder and is continuing with respect to a Series of Bonds, then the Trustee hereunder may be removed only by an instrument appointing a successor to the Trustee so removed executed by the Majority Owners of the Series of Bonds as to which such Event of Default exists and filed with the Trustee and the District.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect

to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the District; provided that no Event of Default has occurred hereunder and is continuing, or upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding.

**Section 613. Appointment of Successor Trustee.** If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the District shall appoint a successor and shall mail notice of such appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Register, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer; provided, however, that the District shall not appoint a successor Trustee if an Event of Default has occurred and is continuing, unless the District shall have received the prior written consent, which consent shall not be unreasonably withheld, of any Credit Facility issuer and any Liquidity Facility issuer, to the appointment of such successor Trustee. If an Event of Default has occurred hereunder and is continuing and the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and a successor may be appointed by any court of competent jurisdiction upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding and such successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

**Section 614. Qualification of Successor Trustee.** A successor Trustee shall be a national bank with trust powers or a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

**Section 615. Instruments of Succession.** Except as provided in Section 616 hereof, any successor Trustee shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein, except for the predecessor's rights under Section 604 hereof. After withholding from the funds on hand any amounts owed to itself hereunder, the Trustee ceasing to act hereunder shall pay over to the successor Trustee all moneys held by it hereunder; and the Trustee ceasing to act and the District shall execute and deliver an instrument or instruments transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the Trustee ceasing to

act except for the rights granted under Section 604 hereof. The successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

Merger of Trustee.** Any corporation, entity or purchaser into which any Trustee hereunder may be merged or with which it may be consolidated or into which all or substantially all of its corporate trust assets shall be sold or its operations conveyed, or any corporation, entity or purchaser resulting from any merger, consolidation or sale to which any Trustee hereunder shall be a party, shall be the successor Trustee under this Master Indenture, without the execution or filing of any paper or any further act on the part of the parties thereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, entity or purchaser continuing to act as Trustee hereunder shall meet the requirements of Section 614 hereof, and if such corporation, entity or purchaser does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article VI.

**Section 617. Resignation of Paying Agent or Bond Registrar.** The Paying Agent or Bond Registrar may resign and be discharged of the duties created by this Master Indenture by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the District and the Trustee not less than sixty (60) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation mailed not less than sixty (60) days prior to such resignation date to each Owner as its name and address appear on the registration books of the District maintained by the Bond Registrar. Such resignation shall take effect on the date specified in such notice, unless a successor Paying Agent or Bond Registrar is previously appointed in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Bond Registrar. If a successor Paying Agent or Bond Registrar shall not have been appointed within a period of sixty (60) days following the giving of notice, then the Trustee may appoint a successor Paying Agent or Bond Registrar as provided in Section 619 hereof.

**Section 618. Removal of Paying Agent or Bond Registrar.** The Paying Agent or Bond Registrar may be removed at any time prior to any Event of Default by the District by filing with the Paying Agent or Bond Registrar to be removed and the Trustee, an instrument or instruments in writing executed by an Authorized Officer appointing a successor. Such removal shall be effective thirty (30) days after delivery of the instrument (or such longer period as may be set forth in such instrument); provided, however, that no such removal shall be effective until the successor Paying Agent or Bond Registrar appointed hereunder shall execute,

acknowledge and deliver to the District an instrument accepting such appointment hereunder.

**Section 619. Appointment of Successor Paying Agent or Bond Registrar.** In case at any time the Paying Agent or Bond Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Bond Registrar, as the case may be, and a successor shall be appointed by the District; and in case at any time the Paying Agent or Bond Registrar shall resign, then a successor shall be appointed by the District. Upon any such appointment, the District shall give written notice of such appointment to the predecessor Paying Agent or Bond Registrar, the successor Paying Agent or Bond Registrar, the Trustee and all Owners. Any new Paying Agent or Bond Registrar so appointed shall immediately and without further act supersede the predecessor Paying Agent or Bond Registrar.

**Section 620. Qualifications of Successor Paying Agent or Bond Registrar.** Every successor Paying Agent or Bond Registrar shall (a) be a commercial bank or trust company duly organized under the laws of the United States or any state or territory thereof, authorized by law to perform all the duties imposed upon it by this Master Indenture, and capable of meeting its obligations hereunder, and (b) have a combined net capital and surplus of at least \$50,000,000.

**Section 621. Acceptance of Duties by Successor Paying Agent or Bond Registrar.** Except as provided in Section 622 hereof, any successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Paying Agent or Bond Registrar, without any further act, deed or conveyance, shall become duly vested with all the estates property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Bond Registrar herein. (e) shall not be subject to lien or attachment by any creditor of the Trustee or any creditor of the District or any other Series of Bonds other than the Owners of such Series of Bonds and the issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds.

## **ARTICLE VIII COVENANTS AND AGREEMENTS OF THE DISTRICT**

**Section 801. Payment of Bonds.** The District shall duly and punctually pay or cause to be paid, but only from the Series Trust Estate with respect to each Series of Bonds, Debt Service on the dates, at the places, and in the amounts stated herein, in any Supplemental Indenture, and in the Bonds of such Series.

Except as provided herein, the District hereby represents that such moneys, securities and funds of the District are and will be free and clear of any pledge, lien, charge or encumbrance thereon and all action on the part of the District to that end has been

and will be duly and validly taken. The Bonds of each Series, this Master Indenture and any Supplemental Indenture are and will be the valid and legally enforceable obligations of the District, enforceable in accordance with their terms except to the extent that enforcement thereof may be subject to bankruptcy and other similar laws affecting creditors' rights generally. The District shall at all times, to the extent permitted by law, defend, preserve and protect the pledge and lien created by this Master Indenture and all the rights of the Owners hereunder against all claims and demands of all other persons whomsoever.

**Section 805. Power to Undertake Series Projects and to Collect Pledged Revenues.** The District has or will have upon the date of issuance of each Series of Bonds, and will have so long as any Bonds are Outstanding, good right and lawful power: (a) to undertake the Series Projects, or it will take such action on its part required which it deems reasonable in order to obtain licenses, orders, permits or other authorizations, if any, from any agency or regulatory body having lawful jurisdiction which must be obtained in order to undertake such Series Project; and (b) to fix, levy and collect or cause to be collected any and all Pledged Revenues.

**Section 806. The District may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments, or other movable property acquired by the District in connection with a Series Project, or any materials used in connection therewith, if the District shall determine that such articles are no longer needed or are no longer useful in connection with the acquisition, construction, operation or maintenance of a Series Project, and the proceeds thereof may be applied to the replacement of the properties so sold or disposed of and, if not so applied, shall be deposited to the credit of the related Series Acquisition and Construction Account or, after the Date of Completion of the Series Project, shall be applied as provided in the corresponding Supplemental Indenture. The District may from time to time sell or lease such other property forming part of a Series Project which it may determine is not needed or serves no useful purpose in connection with the maintenance and operation of such Series Project, if the Consulting Engineer shall in writing approve such sale or lease, and the proceeds of any such sale shall be disposed of as hereinabove provided for the proceeds of the sale or disposal of movable property. The proceeds of any lease as described above shall be applied as provided in the corresponding Supplemental Indenture.

Notwithstanding the foregoing, the District may: (a) dispose of all or any part of a Series Project, other than a Series Project the revenues to be derived from the operation of which are pledged to a Series of Bonds, by gift or dedication thereof to any unit of local government, or to the State or any agency or instrumentality of either of the foregoing or the United States Government; and/or (b) impose, declare or grant title to or interests in the Series Project or a portion or portions thereof in

**Section 808. Accounts and Reports.**

(a) **Annual Report.** The District shall, within thirty (30) days of receipt and approval by the District, so long as any Bonds are Outstanding, deliver to each Requesting Owner (hereinafter defined), and otherwise as provided by law, a copy of its annual audit for the immediately preceding Fiscal Year, accompanied by an Accountant's Certificate, including (i) statements in reasonable detail of its financial condition as of the end of such Fiscal Year and income and expenses for such Fiscal Year, and (ii) statements of all receipts and disbursements of the Pledged Revenues of each Series of Bonds (unless the Pledged Revenues of such Series are remitted directly by the District to the Trustee). The Trustee shall, within ninety (90) days after the close of each Fiscal Year so long as any Bonds are Outstanding, file with the District a summary with respect to each Fund and Account of the deposits thereto and disbursements therefrom during such Fiscal Year and the amounts held therein at the end of such Fiscal Year, or at the option of the Trustee, such summary can be made on a monthly basis. For purposes of the foregoing, the term "Requesting Owner" shall mean the Owner (or Beneficial Owner in the case of Bonds held in book-entry form) of more than \$1,000,000 aggregate principal amount of any Series of Bonds who requests such information in writing to the District.

(b) **Default Certificate.** The District shall file with the Trustee, so long as any Bonds are Outstanding, a certificate of an Authorized Officer upon the occurrence of an Event of Default as described in Section 902(h) hereof, such certificate to contain a description of the nature of such Event of Default and actions taken or to be taken to remedy such Event of Default.

(c) **Inspection.** The reports, statements and other documents required to be furnished by the District to the Trustee and by the Trustee to the District pursuant to any provisions hereof shall be available for inspection by any Owner at the designated office of the District or the designated office of the Trustee upon the giving

(d) **Reports Pursuant to Uniform Special District Accountability Act of 1989.** The District covenants and agrees that it will comply with the provisions of Chapter 189, Florida Statutes, the Uniform Special District Accountability Act of 1989, to the extent applicable to the District, including any reporting requirements contained therein which are applicable to the District. The District may contract with a service provider selected by the District to ensure such compliance.

**Section 809. Arbitrage and Other Tax Covenants.** The District hereby covenants that it will not take any action, and will not fail to take any action, which action or failure would cause any Tax-Exempt Bonds to become "arbitrage bonds" as defined in Section 148 of the Code. The District further covenants that it will take all such actions after delivery of any Tax-Exempt Bonds as may be required in order for interest on such Tax-Exempt Bonds to remain excludable from gross income (as defined in Section 61 of the Code) of the Owners. Without limiting the generality of the foregoing, the District hereby covenants that it will to the extent not remitted by the Trustee from funds held in the Rebate Account, remit to the United States the Rebate Amount at the time and place required by this Master Indenture, any Supplemental Indenture, and the Tax Regulatory Covenants.

**Section 810. Enforcement of Payment of Assessments.** The District will assess, levy, collect or cause to be collected and enforce the payment of Assessments, Benefit Special Assessments, and/or any other sources which constitute Pledged Revenues for the payment of any Series of Bonds in the manner prescribed by this Master Indenture, any Supplemental Indenture and all resolutions, ordinances or laws thereunto appertaining at times and in amounts as shall be necessary in order to pay, when due, the principal of and interest on the Series of Bonds to which such Pledged Revenues are pledged, and to pay or cause to be paid the proceeds of such Assessments, Benefit Special Assessments, and/or any other sources as received to the Trustee in accordance with the provisions hereof.

**Section 811. Method of Collection of Assessments and Benefit Special Assessments.** The District shall levy and collect Assessments and Benefit Special Assessments in accordance with applicable State law.

**Section 812. Delinquent Assessments.** If the owner of any lot or parcel of land shall be delinquent in the payment of any Assessment or Benefit Special Assessment, pledged to a Series of Bonds, then such Assessment or Benefit Special Assessment shall be enforced in accordance with the provisions of Chapters 170 and/or 197, Florida Statutes, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, or in the event that an Assessment or Benefit Special Assessment was directly collected by the District,

as permitted by a Supplemental Indenture, then upon the delinquency of any such Assessment or Benefit Special Assessment, the District either on its own behalf, or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Owners of the Bonds of such Series then Outstanding, declare the entire unpaid balance of such Assessment or Benefit Special Assessment, to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapters 170 and 173, and Section 190.026, Florida Statutes, as amended from time to time, or otherwise as provided by law. The District further covenants to furnish, at its expense, to any Owner of Bonds of the related Series so requesting, sixty (60) days after the due date of each annual installment, a list of all Delinquent Assessments together with a copy of the District's annual audit (if available), and a list of foreclosure actions currently in progress and the current status of such Delinquent Assessments.

**Section 813. Deposit of Proceeds from Sale of Tax Certificates.** If any tax certificates relating to Delinquent Assessments which are pledged to a Series of Bonds are sold by the Tax Collector pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the related Series Revenue Account.

**Section 814. Sale of Tax Deed or Foreclosure of Assessment or Benefit Special Assessment Lien.** If any property shall be offered for sale for the nonpayment of any Assessment or Benefit Special Assessment, which is pledged to a Series of Bonds, and no person or persons shall purchase such property for an amount less than or equal to the full amount due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series of Bonds to which such Assessments or Benefit Special Assessments were pledged; provided that the Trustee shall have the right, acting at the direction of the Majority Owners of the applicable Series of Bonds secured by such Assessments or Benefit Special Assessments, but shall not be obligated, to direct the District with respect to any action taken pursuant to this paragraph. The District, either through its own actions, or actions caused to be taken through the Trustee, acting at the direction of the Majority Owners of the applicable Series of Bonds secured by such Assessments or Benefit Special Assessments, shall have the power to lease or sell such property, and

deposit all of the net proceeds of any such lease or sale into the related Series Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as herein provided, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the related Series of Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to such representatives. The District, either through its own actions, or actions caused to be taken through the Trustee, acting at the direction of the Majority Owners of the applicable Series of Bonds secured by such Assessments or Benefit Special Assessments, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the related Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners of the Bonds of such Series then Outstanding.

**Section 815. Other Obligations Payable from Assessments or Benefit Special Assessments.** The District will not issue or incur any obligations payable from the proceeds of Assessments or Benefit Special Assessments securing a Series of Bonds nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge upon such Assessments or Benefit Special Assessments other than the lien of any Subordinate Debt except for fees, commissions, costs, and other charges payable to the Property Appraiser or to the Tax Collector pursuant to State law.

**Section 816. Re-Assessments.** If any Assessment or Benefit Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Assessment or Benefit Special Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Assessment or Benefit Special Assessment when it might have done so, the District shall either: (a) take all necessary steps to cause a new Assessment or Benefit Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement; or (b) in its sole discretion, make up the amount of such Assessment or Benefit Special Assessment from legally available moneys, which moneys shall be deposited into the related Series Revenue Account. In case any such subsequent Assessment or Benefit Special Assessment shall also be annulled, the District shall obtain and make other Assessments or Benefit Special Assessments until a valid Assessment or Benefit Special Assessment shall be made.

**Section 817. General.** The District shall do and perform, or cause to be done and performed, all acts and things required to be done or performed by or on behalf of the District under law and this Master Indenture, in accordance with the terms of such provisions.

Upon the date of issuance of each Series of Bonds, all conditions, acts and things required by law and this Master Indenture and any Supplemental Indenture

to exist, to have happened and to have been performed precedent to and in the issuance of such Series of Bonds shall exist, have happened and have been performed and upon issuance, such Series of Bonds shall be within every debt and other limit prescribed by the laws of the State applicable to the District.

The District shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the District shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Series Projects, and all parts thereof owned by the District to be (a) continuously operated, repaired, improved and maintained as shall be necessary to perform the functions for which they were intended, and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

**Section 818. Continuing Disclosure.** The District covenants and agrees that it will comply with and carry out all of the provisions of any Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture or any Supplemental Indenture, failure of the District or any other obligated person to comply with any Continuing Disclosure Agreement shall not be considered an Event of Default hereunder; however, the Trustee may (and, at the request of any participating underwriter or the Majority Owners of Bonds of a Series then Outstanding and receipt of indemnity to its satisfaction, shall) or any Owner or Beneficial Owner of the Bonds of a Series then Outstanding may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the District to comply with its obligations under this Section 818. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

## **ARTICLE IX EVENTS OF DEFAULT AND REMEDIES**

**Section 901. Extension of Interest Payment.** If the time for payment of interest of a Bond of any Series shall be extended, whether or not such extension be by or with the consent of the District, such interest so extended shall not be entitled in case of default hereunder to the benefit or security of this Master Indenture unless the aggregate principal amount of such Bonds then Outstanding and of all accrued interest the time for payment of which shall not have been extended, shall have previously been paid in full.

**Section 902. Events of Default.** Each of the following events is hereby declared an Event of Default with respect to a Series of Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

(a) Any payment of Debt Service on such Series of Bonds is not made when due;

(b) The District shall for any reason be rendered incapable of fulfilling its obligations hereunder or under the Supplemental Indenture relating to such Series of Bonds;

(c) The District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the related Series Project;

(d) The District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) The District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;

(f) Under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) Any portion of the Assessments or Benefit Special Assessments pledged to a Series of Bonds shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in a Series Reserve Account to pay Debt Service on the corresponding Series of Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series Reserve Account to pay Debt Service on the corresponding Series of Bonds);

(h) The District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture

relating to such Series of Bonds on the part of the District to be performed (other than a default in the payment of Debt Service on the related Series of Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds of such Series then Outstanding and affected by such default; and

(i) More than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Assessments or Benefit Special Assessments pledged to a Series of Bonds are not paid by the date such are due and payable.

**Section 903. Acceleration of Maturities of Bonds of a Series Under Certain Circumstances.** Upon the happening and continuance of any Event of Default specified in clauses (a) through (i) of Section 902 above with respect to a Series of Bonds, the Trustee shall, upon written direction of the Majority Owners of the Bonds of such Series then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all of the Bonds of such Series then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture authorizing such Series of Bonds to the contrary notwithstanding; provided, however, that no such declaration of acceleration shall occur in the case of Bonds of a Series secured by Assessments, except to the extent that the Assessments have been accelerated and are currently due and payable in accordance with applicable law; and provided further, however, that if at any time after the aggregate principal amount of the Bonds of any Series then Outstanding shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Master Indenture or the related Supplemental Indenture, moneys shall have accumulated in the related Series Revenue Account sufficient to pay the principal of all matured Bonds of such Series and all arrears of interest, if any, upon all Bonds of such Series then Outstanding (except the aggregate principal amount of any Bonds of such Series then Outstanding that is only due because of a declaration under this Section 903, and except for the interest accrued on the Bonds of such Series since the last Interest Payment Date), and all amounts then payable by the District hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Majority Owners of such Series of Bonds then Outstanding not then due except by virtue of a

declaration under this Section 903, may, by written notice to the District, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

**Section 904. Enforcement of Remedies.** Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee may protect and enforce the rights of the Owners of the Bonds of such Series under State law, and under this Master Indenture, the related Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Bonds of such Series then Outstanding shall, subject to the requirements of Section 607, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this second paragraph of this Section 904.

No Owner of such Series of Bonds shall have any right to pursue any other remedy under this Master Indenture or such Series of Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Bonds of such Series then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of this Section 904 or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 904 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 907, 909, 910, 912 and the second paragraph of this Section 904. No Owner or Owners of such Series of Bonds shall have any right in any manner

whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

**Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds.** Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article IX or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the

persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and then the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 hereof, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 hereof, then, if the aggregate principal amount of all of the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 hereof, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section 905 are in all respects subject to the provisions of Section 901 hereof.

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application

and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such moneys in accordance with such provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

**Section 906. Effect of Discontinuance of Proceedings.** If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

**Section 907. Restriction on Individual Owner Actions.** Except as provided in Section 910 below, no Owner of any Bonds of a Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

**Section 908. No Remedy Exclusive.** No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

**Section 909. Delay Not a Waiver.** No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

**Section 910. Right to Enforce Payment of Bonds.** Nothing in this Article IX shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

**Section 911. No Cross Default Among Series.** The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

**Section 912. Indemnification.** Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct.

**Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner.**

(a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Assessments pledged to the Bonds of a Series then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee

shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District hereby agrees that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such

Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

## ARTICLE X EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS

**Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds.** Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

Nothing contained in this Article X shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

**Section 1002. Deposit of Bonds.** Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

## **ARTICLE XI SUPPLEMENTAL INDENTURES**

**Section 1101. Supplemental Indentures Without Owner Consent.** The Governing Body from time to time may authorize such indentures supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which Supplemental Indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

(a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or

(b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or

(c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or

(d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or

(e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or

(f) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190, and 197, Florida Statutes, or any other Florida Statutes, so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

**Section 1102. Supplemental Indentures With Owner Consent.**

(a) Subject to the provisions contained in this Section 1102, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding any of the provisions of this Master Indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplement or amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;

(ii) a reduction in the principal, premium, or interest on any Bond;

(iii) a preference or priority of any Bond over any other Bond; or

(iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

(b) In addition to the foregoing, the Majority Owners of any Series of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereof, as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any indenture supplemental thereto; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding and affected by such amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;

(ii) a reduction in the principal, premium, or interest on any Bond of such Series;

(iii) a preference or priority of any Bond of such Series over any other Bond of such Series; or

(iv) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture.

(c) If at any time the District shall determine that it is desirable to approve any Supplemental Indenture or indenture supplemental to a Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail, at the expense of the District, notice of the proposed approval to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section 1102 to be mailed and any such failure shall not affect the validity of such Supplemental Indenture or indenture supplemental to a Supplemental Indenture when consented to and approved as provided in this Section 1102.

(d) Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

**Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture.** In addition to the other requirements herein set forth with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indenture shall be effective unless and until there shall have been delivered to the Trustee, at the expense of the District, an opinion of Bond Counsel to the effect that such indenture is permitted pursuant to this Master Indenture and that such indenture is the valid and binding obligation of the District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles, upon which opinion the Trustee may conclusively rely. In addition, if such indenture relates to a Series of Tax-Exempt Bonds, such opinion shall also state that such indenture will not adversely affect the

exclusion from gross income for federal income tax purposes of interest on the related Series of Bonds.

**Section 1104. Supplemental Indenture Part of Indenture.** Any Supplemental Indenture executed in accordance with this Article XI and approved as to legality by counsel to the District shall thereafter, except as otherwise provided therein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such Supplemental Indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof. The Trustee is not obligated to execute any amendment that is adverse to the interests of the Trustee.

**Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.**

(a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds of a Series then Outstanding is in effect and the issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility:

(i) at all times for the purpose of the execution and delivery of a Supplemental Indenture or of any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding;

(ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and

(iii) following an Event of Default for all other purposes.

(b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting:

(i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or

(ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or

(iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or

(iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

## **ARTICLE XII DEFEASANCE**

### **Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.**

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds, the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a particular Series or of any part of a particular maturity or Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or

security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1201. All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if:

(i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III hereof notice of redemption of such Bonds on such date;

(ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be;

(iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice to the registered Owners of such Bonds and to the Bond Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on such Bonds; and

(iv) an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased and that, in the case of Tax-Exempt Bonds, such defeasance will not adversely affect the tax-exempt status of such Series of Bonds.

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee:

(i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate, and to the extent all obligations under any Letter of Credit Agreement and any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility or Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and

(ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement and any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture.

For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

(d) As to any Variable Rate Bonds, whether discharged and satisfied under the provisions of subsection (a) or (b) above, the amount required for the interest thereon shall be calculated at the maximum rate permitted by the terms of the provisions which authorized the issuance of such Variable Rate Bonds; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the total amount of moneys and Investment Obligations on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to fully discharge and satisfy such Bonds and obligations under any Letter of Credit Agreement and any Liquidity Agreement pursuant to the provisions of this Section 1201, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Variable Rate Bonds or

otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(e) Notwithstanding any of the provisions of this Master Indenture to the contrary, Option Bonds may only be fully discharged and satisfied either pursuant to subsection (a) above or by depositing in the Series Interest Account, the Series Principal Account, the Series Sinking Fund Account and the Series Redemption Account, or in such other accounts which are irrevocably pledged to the payment of the Option Bonds, as the District may create and establish by Supplemental Indenture, moneys which together with other moneys lawfully available therefor shall be sufficient at the time of such deposit to pay when due the maximum amount of principal of and Redemption Price, if any, and interest on such Option Bonds which could become payable to the Owners of such Bonds upon the exercise of any options provided to the Owners of such Bonds; provided however, that if at the time a deposit is made pursuant to this subsection (e) the options originally exercisable by the Owner of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this subsection (e). If any portion of the moneys deposited for the payment of the principal of and Redemption Price, if any, and interest on Option Bonds is not required for such purpose and is not needed to reimburse an Insurer or an issuer of any Credit Facility or Liquidity Facility, for obligations under any Letter of Credit Agreement and any Liquidity Agreement, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing such Option Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(f) Anything in this Master Indenture to the contrary notwithstanding, any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for two (2) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bonds became due and payable, shall at the written request of the District be repaid by the Trustee or Paying Agent to the District, as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Bonds; provided, however, that before being required to make any such payment to the District, the Trustee or Paying Agent shall, at the expense of the District, cause to be mailed, postage prepaid, to any Insurer or any issuer of any Credit Facility or Liquidity Facility, and to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) days after the date of the mailing of such notice, the balance of such moneys then unclaimed shall be returned to the District.

(g) In the event that the principal and Redemption Price, if applicable, and interest due on the Bonds shall be paid by the Insurer pursuant to a municipal bond insurance policy, the assignment and pledge and all covenants, agreements and other obligations of the District to the Owners of such Bonds shall continue to exist and the Insurer shall be subrogated to the rights of such Owners.

(h) Anything in this Master Indenture to the contrary notwithstanding, the provisions of the foregoing subsections (b) through (g) shall apply to the discharge of Bonds of a Series and to the discharge of the lien of any Supplemental Indenture securing such Series of Bonds as though each reference to the "Master Indenture" were a reference to such "Supplemental Indenture" and as though each reference to "Bonds then Outstanding" were a reference to the "Bonds of such Series then Outstanding."

**Section 1202. Moneys Held in Trust.** All moneys and obligations held by an escrow or paying agent or trustee pursuant to this Section 1202 shall be held in trust and the principal and interest of said obligations when received, and said moneys, shall be applied to the payment, when due, of the principal, interest and premium, if any, of the Bonds to be paid or to be called for redemption.

**NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS, THIS FIRST SUPPLEMENTAL INDENTURE WITNESSETH:**

The Trustee is hereby authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2024 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2024 Bonds, together with accrued interest and redemption premium, if any, on such Series 2024 Bonds to the earliest Redemption Date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2024 Reserve Account into the Series 2024 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2024 Bonds on the earliest Redemption Date permitted for redemption therein and herein.

Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in the Series 2024 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

**Section 407. Tax Covenants.** The District shall comply with the Arbitrage Certificate, including but not limited to the Tax Regulatory Covenants set forth as an exhibit to the Arbitrage Certificate, as amended and supplemented from time to time in accordance with their terms.

**Section 408. Series 2024 Revenue Account; Application of Revenues and Investment Earnings.** (a) The Trustee is hereby authorized and directed to deposit any and all amounts required to be deposited in the Series 2024 Revenue Account by this Section 408 or by any other provision of the Master Indenture or this First Supplemental Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2024 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2024 Revenue Account (i) Series 2024 Assessment Revenues other than Series 2024 Prepayments (which Series 2024 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2024 Prepayment Subaccount), (ii) Series 2024 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2024 Revenue Account.

(c) On the forty-fifth (45<sup>th</sup>) day preceding each Quarterly Redemption Date (or if such forty-fifth (45<sup>th</sup>) day is not a Business Day, on the Business Day preceding such forty-fifth (45<sup>th</sup>) day), the Trustee shall determine the amount on deposit in the Series 2024 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2024 Revenue Account for deposit into the Series 2024 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2024 Revenue Account to pay Debt Service coming due on the Series 2024 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2024 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2024 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2024 Bonds set forth in the form of Series 2024 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2024 Capitalized Interest Account to the Series 2024 Interest Account the lesser of (x) the amount of interest coming due on the Series 2024 Bonds on such May 1 or November 1, less the amount already on deposit in the Series 2024 Interest Account, or (y) the amount remaining in the Series 2024 Capitalized Interest Account. Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts

on deposit in the Series 2024 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

**FIRST**, to the Series 2024 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2024 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2024 Capitalized Interest Account in accordance with this Section 408(d) and (ii) the amount already on deposit in the Series 2024 Interest Account not previously credited;

**SECOND**, on May 1, 20[\_\_\_], and on each May 1 thereafter, to the Series 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2024 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2024 Sinking Fund Account not previously credited;

**THIRD**, to the Series 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Account Requirement with respect to the Series 2024 Bonds; and

**FOURTH**, the balance shall first be deposited into the Series 2024 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds, and then the balance shall be retained in the Series 2024 Revenue Account.

On each November 2 (or if such November 2 is not a Business Day, on the next Business Day thereafter), any amount on deposit in the Series 2024 Revenue Account on such November 2 in excess of amounts previously deposited by the District in order to pay Debt Service on the Series 2024 Bonds in the then current Fiscal Year shall be paid over to the District at the written direction of an Authorized Officer of the District and used for any lawful purpose of the District; provided however, that on the date of such proposed transfer (a) the amount on deposit in the Series 2024 Reserve Account shall be equal to the Series 2024 Reserve Account Requirement, (b) there are no fees or expenses of the Trustee due, and (c) the Trustee shall not have actual knowledge (as described in Section 606 of the Master Indenture) of an Event of Default under the Master Indenture or hereunder relating to any of the Series 2024 Bonds.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2024 Revenue Account to the Series 2024 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security

for the Series 2024 Bonds shall be invested only in Series 2024 Investment Obligations. Earnings on investments in the Series 2024 Acquisition and Construction Account, the Series 2024 Interest Account and the Series 2024 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2024 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2024 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2024 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2024 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through November 1, 2025, and thereafter shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2024 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be retained in the Series 2024 Reserve Account until the amount on deposit therein is equal to the Series 2024 Reserve Account Requirement, and then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through November 1, 2025, and thereafter shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2024 Reserve Account made pursuant to Section 405 hereof.

## **ARTICLE V CONCERNING THE TRUSTEE**

**Section 501. Acceptance by Trustee.** The Trustee accepts the trusts declared and provided in this First Supplemental Indenture and agrees to perform such trusts upon the terms and conditions set forth herein and in the Master Indenture.

**Section 502. Limitation of Trustee's Responsibility.** The Trustee shall not be responsible in any manner for the due execution of this First Supplemental Indenture by the District or for the recitals contained herein, all of which are made solely by the District.

**Section 503. Trustee's Duties.** Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article VI thereof.

## **ARTICLE VI ADDITIONAL BONDS**

**Section 601. No Parity Bonds; Limitation on Parity Assessments.** Other than Refunding Bonds issued to refund the then Outstanding Series 2024 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2024 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2024 Trust Estate. The District further covenants and agrees that so long as the Series 2024 Assessments have not been Substantially Absorbed, it will not impose Assessments for capital projects on any lands subject to the Series 2024 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2024 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners.

## **ARTICLE VII MISCELLANEOUS**

**Section 701. Confirmation of Master Indenture.** As supplemented by this First Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this First Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this First Supplemental Indenture and to the Series 2024 Bonds issued hereunder.

**Section 702. Continuing Disclosure Agreement.** Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended. The District covenants and agrees to comply with the provisions of the Continuing

Disclosure Agreement. However, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but instead shall be enforceable as provided in the Continuing Disclosure Agreement.

**Section 703. Additional Covenant Regarding Assessments.** In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2024 Assessment Proceedings heretofore adopted with respect to the Series 2024 Assessments, including the Assessment Methodology, and to levy the Series 2024 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2024 Bonds, when due.

**Section 704. Collection of Assessments.** (a) Anything herein or in the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2024 Assessments levied on platted residential lots and pledged hereunder to secure the Series 2024 Bonds shall be collected pursuant to the Uniform Method, and Series 2024 Assessments levied on the remaining lands and pledged hereunder to secure the Series 2024 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default.

(b) A proportionate amount of Series 2024 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date; provided, however, that such Series 2024 Assessments shall not be deemed Delinquent Assessments unless and until such Series 2024 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

**Section 705. Foreclosure of Assessment Lien.** Notwithstanding Section 814 of the Master Indenture or any other provision of the Indenture to the contrary, the following provisions shall apply with respect to the Series 2024 Assessments and Series 2024 Bonds.

If any property shall be offered for sale for the nonpayment of any Series 2024 Assessments and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount less than or equal to the balance due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive, in its corporate name or in the name of a special purpose entity, title to the property for the benefit of the Owners of the Series 2024 Bonds; provided that the Trustee shall have the right acting at the direction of the Majority Owners, but shall not be obligated, to

direct the District with respect to any action taken pursuant to this Section 705. The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2024 Revenue Account. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2024 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners. The Trustee may, upon direction from the Majority Owners, pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture.

**Section 706. Owner Direction and Consent with Respect to Series 2024 Acquisition and Construction Account Upon Occurrence of Event of Default.** In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (a) the Series 2024 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may not be used by the District (whether to pay Costs of the Series 2024 Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the Trustee notifying the District of such declared Event of Default the District had incurred a binding obligation with third parties for work on the Series 2024 Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Series 2024 Project that will cause the expenditure of additional funds from the Series 2024 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

**Section 707. Assignment of District's Rights Under Collateral Assignments.** Subject to the terms of the Collateral Assignments, the District hereby assigns its rights under the Collateral Assignments to the Trustee for the benefit of the Owners, from time to time, of the Series 2024 Bonds and any other Bonds issued under the Master Indenture. The Trustee shall not be deemed to have accepted any obligation under the Collateral Assignments by virtue of such assignment.

**Section 708. Enforcement of True-Up Agreements and Completion Agreements.** The District, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the True-Up Agreements and the Completion Agreements and, upon the occurrence and continuance of a default under any or all of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, shall act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the True-Up Agreements and the Completion Agreements upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

**Section 709. Payment of Rebate Amount.** Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall cause a Rebate Analyst to determine the Rebate Amount, if any, at the times and in the manner provided in the Tax Regulatory Covenants attached as an exhibit to the Arbitrage Certificate. If a Rebate Amount shall be due, the District shall deliver to the Trustee the written direction of an Authorized Officer to pay from the Series 2024 Rebate Account, or from any other available funds as shall be provided in such written direction, the Rebate Amount to the District for remittance to the Internal Revenue Service. The Trustee may conclusively rely on such written direction and shall have no responsibility for the calculation or payment of the Rebate Amount, if any. Notwithstanding Section 507(b) of the Master Indenture, the District shall not be required to provide the report of the Rebate Analyst to the Trustee.

Interest on this Bond will be computed on the basis of a 360-day year comprised of twelve (12) thirty (30) day months. During any period that this Bond is registered in the name of Cede & Co., as Nominee of DTC, the provisions of the Supplemental Indenture (hereinafter defined) relating to the book-entry only system shall apply, including the payment provisions thereof. This Bond is one of a duly authorized issue of Bonds of the District designated "Dewey Robbins Community Development District Capital Improvement Revenue Bonds, Series 2024 (2024 Assessment Area)" in the aggregate principal amount of \$[Bond Amount] (the "Series 2024 Bonds") issued under a Master Trust Indenture, dated as of December 1, 2024 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, Fort Lauderdale, Florida, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture, dated as of December 1, 2024 (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture"), between the District and the Trustee (the Series 2024 Bonds together with any other Bonds issued under and governed by the terms of the Master Indenture are hereinafter collectively referred to as the "Bonds"). The District will apply the proceeds of the Series 2024 Bonds to (a) finance a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Series 2024 Project, (b) pay certain costs associated with the issuance of the Series 2024 Bonds, (c) make a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds, and (d) pay a portion of the interest to become due on the Series 2024 Bonds.

NEITHER THIS BOND NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THIS BOND AND THE SERIES

OF WHICH IT IS A PART AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON AND THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE TERMS HEREOF. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE TERMS HEREOF SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 PLEDGED REVENUES AND THE SERIES 2024 PLEDGED FUNDS PLEDGED TO THE SERIES 2024 BONDS, ALL AS PROVIDED HEREIN AND IN THE INDENTURE.

This Bond is issued under and pursuant to the Constitution and laws of the State of Florida, particularly Chapter 190, Florida Statutes, and other applicable provisions of law and pursuant to the Indenture, executed counterparts of which Indenture are on file at the corporate trust office of the Trustee. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of Series 2024 Bonds issued under the Indenture, the collection and disposition of revenues and the funds charged with and pledged to the payment of the principal, Amortization Installments and Redemption Price of, and the interest on, the Series 2024 Bonds, the nature and extent of the security thereby created, the covenants of the District with respect to the levy and collection of Series 2024 Assessments, the terms and conditions under which the Series 2024 Bonds are or may be issued, the rights, duties, obligations and immunities of the District and the Trustee under the Indenture and the rights of the Owners of the Series 2024 Bonds and, by the acceptance of this Bond, the Owner hereof assents to all of the provisions of the Indenture. The Series 2024 Bonds are equally and ratably secured by the Series 2024 Trust Estate, without preference or priority of one Series 2024 Bond over another. The Supplemental Indenture does not authorize the issuance of any additional Bonds ranking on parity with the Series 2024 Bonds as to the lien and pledge of the Series 2024 Trust Estate except, under certain circumstances, Refunding Bonds, and the Supplemental Indenture contains provisions limiting the imposition of capital Assessments on property subject to the Series 2024 Assessments.

Upon any such transfer a new Bond or Bonds, in the same aggregate principal amount as the Bond or Bonds transferred, will be issued to the transferee. At the corporate trust office of the Bond Registrar in Fort Lauderdale, Florida, in the manner and subject to the limitations and conditions provided in the Master Indenture and without cost, except for any tax or other governmental charge, Bonds may be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of Authorized Denominations and bearing interest at the same rate or rates.

Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2024 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2024 Bonds as set forth in the Supplemental Indenture.

(d) on the date on which the amount on deposit in the Series 2024 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2024 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2024 Bonds shall be called for redemption, the particular Series 2024 Bonds or portions of Series 2024 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of each redemption of Series 2024 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2024 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute an action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Series 2024 Bonds then Outstanding under the Indenture may become and may be declared due and payable before the stated maturities thereof, with the interest accrued thereon.

Modifications or alterations of the Master Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Master Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for two (2) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

If the District deposits or causes to be deposited with the Trustee cash or Federal Securities sufficient to pay the principal or Redemption Price of any Series 2024 Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of the Series 2024 Bonds as to the Series 2024 Trust Estate shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

This Bond is issued with the intent that the laws of the State of Florida shall govern its construction.

All acts, conditions and things required by the Constitution and laws of the State of Florida and the resolutions of the District to happen, exist and be performed precedent to and in the issuance of this Bond and the execution of the Indenture, have happened, exist and have been performed as so required. This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by the execution by the Trustee of the Certificate of Authentication endorsed hereon.

The Series 2024 Pledged Funds consist of the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture. See "SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2024 BONDS."

The Series 2024 Bonds, when issued, will be registered in the name of Cede & Co., as the Owner and Nominee for The Depository Trust Company ("DTC"). NEITHER THE SERIES 2024 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2024 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 PLEDGED REVENUES AND THE SERIES 2024 PLEDGED FUNDS, AS PROVIDED IN THE SERIES 2024 BONDS AND IN THE INDENTURE.

\* Preliminary, subject to change.

Neighborhood, as hereafter described under the caption “THE DEVELOPMENT” (together, the “Development”).

The Hodges Reserve Neighborhood is being developed in three (3) phases. The first phase (“Hodges Reserve Phase 1”), planned for 163 residential units, and the second phase (“Hodges Reserve Phase 2”), planned for 142 residential units, for a total of 305 residential units, collectively comprise the assessment area upon which the Series 2024 Assessments securing the Series 2024 Bonds will be levied (the “2024 Assessment Area”). The landowner and developer of Hodges Reserve Phase 1 of the 2024 Assessment Area is Landsea Homes of Florida, LLC, a Delaware limited liability company (the “HR Phase 1 Developer”), as described herein under the caption “THE HR PHASE 1 DEVELOPER.” The landowner and developer of Hodges Reserve Phase 2 of the 2024 Assessment area is Trinity Land Company, LLC, a Florida limited liability company (the “Master Landowner”), as described herein under “THE MASTER LANDOWNER.” The Act authorizes the District to issue bonds for the purpose, among others, of financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping, operating and maintaining water management, water supply, sewer and wastewater management, bridges or culverts, district roads, street lights and other basic infrastructure projects within or without the boundaries of the District, as provided in the Act.

Consistent with the requirements of the Indenture and the Act, the Series 2024 Bonds are being issued for the primary purpose of financing a portion of the Costs of planning, acquiring, constructing and/or equipping assessable improvements comprising the Series 2024 Project, as more fully described herein, paying certain Costs associated with the issuance of the Series 2024 Bonds, making a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds and paying a portion of the interest to become due on the Series 2024 Bonds.

The Series 2024 Assessments represent an allocation of a portion of the Costs of the Series 2024 Project (hereinafter defined), including bond financing costs, to the 2024 Assessment Area in accordance with the assessment methodology set forth in the Assessment Reports (hereinafter defined), as prepared by the District’s Methodology Consultant, Governmental Management Services – Central Florida, LLC, Orlando, Florida, attached hereto as composite APPENDIX B.

“Delinquent Assessments” is defined in the First Supplemental Indenture to mean, collectively, any Series 2024 Assessment Principal and Series 2024 Assessment Interest which are deposited by the District with the Trustee on or after May 1 of the year in which such Series 2024 Assessment Principal and Series 2024 Assessment Interest has, or would have, become delinquent under State law or the Series 2024 Assessment Proceedings applicable thereto.

The District covenants and agrees in the Indenture that other than Refunding Bonds issued to refund the then Outstanding Series 2024 Bonds, the issuance of which results in net present value Debt

Service savings, the District shall not, while any Series 2024 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2024 Trust Estate. The District further covenants and agrees in the Indenture that so long as the Series 2024 Assessments have not been Substantially Absorbed, it will not impose Assessments for capital projects on any lands subject to the Series 2024 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2024 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners.

“Substantially Absorbed” is defined in the First Supplemental Indenture to mean the date on which the principal amount of the Series 2024 Assessments equaling ninety percent (90%) of the then Outstanding principal amount of the Series 2024 Bonds is levied on tax parcels within the 2024 Assessment Area with respect to which a certificate of occupancy has been issued for a structure thereon and are owned by end users, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

## THE DISTRICT

### General

The District was established by Ordinance No. 24-14 of the City Commission of the City of Leesburg, Florida (as previously defined, the “City”), enacted and effective on March 11, 2024 (the “Ordinance”), under the provisions of the Act. The District encompasses approximately 282 acres of land in the City within Lake County, Florida (the “County”) and is generally located along the north side of Dewey Robbins Road.

### Legal Powers and Authority

The District is an independent unit of special-purpose, local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida (the “State”). The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District’s Board of Supervisors the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (v) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessment liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general-purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens.

## **Board of Supervisors**

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, Supervisors were appointed by the Ordinance. The Act provides that, at a meeting of the landowners held within ninety (90) days of establishment of the District, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within ninety (90) days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under State law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

[Remainder of page intentionally left blank]

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Anthony Iorio <sup>+</sup>	Chairperson	November, 2028
Doug Beasley <sup>+</sup>	Vice Chairperson	November, 2028
Jason Lonas <sup>+</sup>	Assistant Secretary	November, 2026

Duane "Rocky" Owen <sup>++</sup>	Assistant Secretary	November, 2026

<sup>+</sup> Affiliates of the Master Landowner or related entities.

<sup>++</sup> Appointed by, but not affiliated with, the Master Landowner.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

#### **District Manager and Other Consultants**

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a District Manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Governmental Management Services – Central Florida, LLC, Orlando, Florida, to serve as its District Manager. The District Manager's office is located at 219 E. Livingston Street, Orlando, Florida 32801, telephone number (407) 841-5524.

The Act further authorizes the District Manager to hire such employees and agents as it deems necessary and authorized by the Board. Thus, the District has employed the services of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, as Bond Counsel; GAI Consultants, Inc., Orlando, Florida, as Consulting Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained Governmental Management Services – Central Florida, LLC, Orlando, Florida, to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as Dissemination Agent for the Series 2024 Bonds.

#### **No Existing Indebtedness**

The District has not previously issued any other bonds or indebtedness.

Proceeds of the Series 2024 Bonds in the estimated amount of approximately \$4.5 million will be used to fund the acquisition of completed portions of the Series 2024 Project. As of September 15, 2024, the HR Phase 1 Developer has expended approximately \$7.2 million in development-related expenditures on the HR Phase 1 Project. The remainder of the HR Phase 1 Project not funded with proceeds of the Series 2024 Bonds is anticipated to be funded with equity from the HR Phase 1 Developer. Further, the Master Landowner will fund the HR Phase 2 Project not funded with proceeds of the Series 2024 Bonds. In connection with the issuance of the Series 2024 Bonds, the HR Phase 1 Developer and the Master Landowner will each enter into a Completion Agreement with the District whereby the HR Phase 1 Developer will agree to complete, or cause to be completed, the HR Phase 1 Project not funded with proceeds of the Series 2024 Bonds and the Master Landowner will agree to complete, or cause to be completed, the HR Phase 2 Project not funded with proceeds of the Series 2024 Bonds. The District cannot make any representation that either the HR Phase 1 Developer or the Master Landowner will have sufficient funds to complete their respective portions of the Series 2024 Project. See “SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2024 BONDS – Completion Agreements” and “BONDOWNERS’ RISKS – Completion of Series 2024 Project and CIP” herein.

The Consulting Engineer has indicated that all permits necessary to construct the Series 2024 Project have either been obtained or are expected to be obtained in the ordinary course of business. In addition to the Engineer’s Report, please refer to “THE DEVELOPMENT – Zoning

and Permitting” for a more detailed description of the entitlement, zoning and permitting status of the 2024 Assessment Area.

**ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS**

The District has adopted the Master Assessment Methodology dated March 20, 2024 (the “Master Assessment Report”) and the First Supplemental Assessment Methodology for the Series 2024 Bonds dated October [23], 2024 (the “Supplemental Assessment Report” and, together with the Master Assessment Report, the “Assessment Reports”), both of which are attached hereto as composite APPENDIX B. The Master Assessment Report provides for a methodology to allocate the total costs and benefits derived from the CIP to the lands within the District and the Supplemental Assessment Report applies the methodology set out in the Master Assessment Report to the Series 2024 Project and the Series 2024 Assessments levied in connection with the Series 2024 Bonds.

The Series 2024 Assessments securing the Series 2024 Bonds will initially be levied on an equal per acre basis on lands within the 2024 Assessment Area, which is planned to include 305 residential units in Hodges Reserve Phase 1 and Hodges Reserve Phase 2. As the assessable parcels of land within the 2024 Assessment Area are developed and platted, the Series 2024 Assessments are then allocated to each of the platted units by product type as set forth in the Supplemental Assessment Report. The Series 2024 Assessments are ultimately expected to be allocated on a per unit basis to the 305 residential units planned within the 2024 Assessment Area. As discussed herein, 163 lots in Hodges Reserve Phase 1 of the 2024 Assessment Area have been platted thereby resulting in the allocation of approximately \$2.8 million or 53% of the principal amount of the Series 2024 Assessments to such units. The table below illustrates the estimated per unit principal and annual Series 2024 Assessments.

## **Zoning and Permitting**

### Zoning

In January 2022 the approximately 149 acres constituting the Hodges Reserve Neighborhood received zoning approval from the City as a planned unit development pursuant to Ordinance No. 22-06 (the “PUD Ordinance”). Such PUD Ordinance provides for the development of up to 449 dwelling units comprising a mix of single-family forty-foot (40’) lots and single-family fifty-foot (50’) lots. The PUD Ordinance sets forth various development conditions pertaining to the matters discussed below, among others, certain of which are further memorialized in separate agreements as noted below.

*Recreation* – Recreational space is required to consist of not less than 200 square feet of space per dwelling unit or 2.26 acres, whichever is greater, and to include at least one (1) primary amenity facility with a pool and cabana. Construction of the recreational facility shall be completed no later than the construction of the first 150 residential units. See “– Recreational Amenities” herein.

*Utility Agreement* – The utility agreement between the Master Landowner and the City sets forth the requirement to install and construct off-site and on-site utility improvements as a provision of water and wastewater services for all 424 units planned within the Hodges Reserve Neighborhood. Among the requirements for the Hodges Reserve Neighborhood is the construction and installation of a sewer main and potable water main along Dewey Robbins Road as well as a pump station. Pursuant to the utility agreement, the Master Landowner will pay to design, permit and construct the utility improvements in exchange for impact fee credits. The City has agreed to provide impact fee credits in the estimated amount of \$1.7 million upon completion of the utility improvements which is required by January 2027.

*Gas Agreement* – Pursuant to two separate gas agreements between the Master Landowner and the City, the City has agreed to supply natural gas service for the Hodges Reserve Neighborhood. The Master Landowner is required to pay the full cost of the natural gas infrastructure required for the Hodges Reserve Neighborhood. The offsite and onsite work associated with the natural gas lines will be performed by the

City. The estimated cost for the natural gas infrastructure is \$1.041 million which amount shall be placed in escrow prior to commencement of construction. Pursuant to the HR Phase 1 PSA described below, the HR Phase 1 Developer paid \$314,000 of the referenced payment for the 163 platted lots in Hodges Reserve Phase 1. Further, pursuant to the gas agreements, the Master Landowner is required to install a natural gas water heater and natural gas furnace or natural gas stove and natural gas dryer in eighty percent (80%) of all homes in the Hodges Reserve Neighborhood. The City has commenced construction work associated with the natural gas lines.

*Proportionate Share School Mitigation Agreement* – The Master Landowner, the City, and the School Board of Lake County, Florida (the “School Board”) entered into an agreement to address school concurrency requirements for the 424 units planned within the Hodges Reserve Neighborhood. The total amount of proportionate share payments for the school concurrency requirements is approximately \$1.67 million. Such amount is payable in increments prior to recording the final plat for each phase based on the number of residential units reflected on the final plat for each such phase. The HR Phase 1 Developer has made payment in the amount of \$[\_\_\_\_\_] allocable to the 163 platted lots in Hodges Reserve Phase 1. The proportionate share payments are required to be credited against the total educational impact fees due for the Hodges Reserve Neighborhood.

#### Permits

Certain permits and approvals for the 2024 Assessment Area have been obtained, including those issued by the St. Johns River Water Management District and the Florida Department of Environmental Protection. Upon issuance of the Series 2024 Bonds, the Consulting Engineer will certify that any permits and approvals necessary for the 2024 Assessment Area that have not previously been obtained are expected to be obtained in the ordinary course of business. As described herein, the 163 lots in Hodges Reserve Phase 1 of the 2024 Assessment Area have been platted and are nearing completion. Development activities of the planned 142 lots in Hodges Reserve Phase 2 of the 2024 Assessment Area are anticipated to commence in the fourth quarter of 2025 and to be completed in the third quarter of 2026.

#### **Environmental**

In January 2021, an affiliate of the Master Landowner commissioned a Phase I Environmental Site Assessment from Ecological Consulting Solutions, Inc. for the approximately 149 acres constituting the Hodges Reserve Neighborhood which identified no evidence of on-site or off-site environmentally recognized conditions.

#### **Utilities**

The City is providing water, wastewater and reclaimed water services to the Hodges Reserve Neighborhood and Duke Energy is providing underground electrical power to the Hodges Reserve Neighborhood. In addition, the City will supply natural gas service for the Hodges Reserve Neighborhood. Cable and internet service is being provided by Spectrum.

**Residential Land Use and Development Plan**

As discussed herein, the 2024 Assessment Area consists of the initial two (2) phases of the Hodges Reserve Neighborhood, comprising an estimated 305 of the planned 424 single-family residential units within such neighborhood. The following table illustrates the current land use plan for the 2024 Assessment Area, which is subject to change.

<b>Lot Size</b>	<b>2024 Assessment Area</b>		<b>Total</b>

**Residential Land Sale/Contract Activity**

The acreage constituting the Hodges Reserve Neighborhood was acquired by the Master Landowner in 2022 for approximately \$3.81 million in cash. Subsequent to such acquisition, the Master Landowner sold the acreage constituting Hodges Reserve Phase 1 on an undeveloped basis to the HR Phase 1 Developer for its development of finished lots thereon. Further, it is anticipated the Master Landowner will enter into a purchase and sale agreement with Trinity Family Builders for the takedown of all 142 finished lots in Hodges Reserve Phase 2.

The narrative below provides a summary of the residential land sale and contract activity specific to the 2024 Assessment Area.

Hodges Reserve Phase 1

In May 2023 the Master Landowner entered into a purchase and sale agreement with the HR Phase 1 Developer for the sale of the acreage constituting Hodges Reserve Phase 1 (the “HR Phase 1 PSA”). In April 2024, the HR Phase 1 Developer acquired the acreage constituting Hodges Reserve Phase 1 planned for 163 lots on an undeveloped basis at an aggregate purchase price of \$5.167 million in cash. Further, the HR Phase 1 Developer will assign its right to payment from proceeds of the Series 2024 Bonds for completed infrastructure conveyed to the District to the Master Landowner. As previously stated, the HR Phase 1 Developer is nearing completion of the development of Hodges Reserve Phase 1.

The HR Phase 1 PSA provides for the Master Landowner’s option to repurchase fifty-one (51) forty-foot (40’) lots in Hodges Reserve Phase 1 upon the HR Phase 1 Developer’s receipt of the certificate of completion for such phase. The purchase price for the repurchased lots will be \$26,000 for each lot plus all development costs and all carry costs which is estimate to result in a total of \$75,000 for each lot. It is intended that the Master Landowner will repurchase such lots for the provision of the finished lots to Trinity Family Builders. Further, in exchange for the option provided to the Master Landowner to buy lots in Hodges Reserve Phase 1, in the event such option is exercised by the Master Landowner, the HR Phase 1 Developer shall have the option to purchase sixty-eight (68) fifty-foot (50’) lots in Hodges Reserve Phase 2 from the Master Landowner upon completion for a purchase price of \$32,500 for each fifty-foot (50’) lot plus all development costs and all carry costs. Further, the HR Phase 1 Developer has been provided with the right of first offer to purchase the balance of the lots within Phase 3 of the Hodges Reserve Neighborhood.

The HR Phase 1 PSA sets forth the obligations of the Master Landowner and the HR Phase 1 Developer as well as certain shared obligations. The Master Landowner’s primary obligation is to obtain all required permits and approvals and the HR Phase 1 Developer’s primary obligation is to complete all horizontal lot development including as may be necessary to allow the subsequent construction of all 163 residential homes to be constructed in Hodges Reserve Phase 1 of the 2024 Assessment Area. The Master Landowner is further responsible for the costs to develop and construct the amenity center in the Hodges Reserve Neighborhood. The Master Landowner is required to commence construction of the amenity center within thirty (30) days after the earlier of i) the 50th closing of a lot on which a home has been constructed to a homebuyer or ii) eighteen (18) months after the first closing of a lot on which a home has been constructed to a homebuyer. Construction of the amenity center is required to be completed within twelve (12) months of commencement of construction of the amenity center. Construction of the amenity center is anticipated to commence in the fourth quarter of 2027 with completion expected by the second quarter of 2028. See “– Recreational Amenities” herein.

The Master Landowner and the HR Phase 1 Developer also each have the shared obligation to construct and/or fund portions of the required traffic light improvements and the natural gas improvements as set forth in certain of the development agreements entered into between the Master Landowner and the City. As detailed herein, the Master Landowner has entered into gas agreements requiring the Master Landowner to pay \$1.041 million to the City to construct certain natural gas infrastructure required for the Hodges Reserve Neighborhood. Pursuant to the HR Phase 1 PSA, the Master Landowner and the HR Phase 1 Developer will allocate such required payment among the residential units to be owned by each of them within the Hodges Reserve Neighborhood. As previously stated, the HR Phase 1 Developer has paid \$314,000 of the referenced payment allocable to the 163 platted lots in Hodges Reserve Phase 1. Further, the Master Landowner and the Developer will share in the cost to install a traffic light signal based on the proportion of residential units owned by each of them within the Hodges Reserve Neighborhood.

Hodges Reserve Phase 2

To the extent the HR Phase 1 Developer does not exercise its option to purchase sixty-eight (68) fifty-foot (50’) finished lots in Hodges Reserve Phase 2, it is anticipated that the Master Landowner will enter into a lot purchase agreement with Trinity Family Builders for the purchase of all 142 single-family lots within Hodges Reserve Phase 2. To the extent effectuated, the lot purchase agreement will provide for Trinity Family Builder’s purchase of finished lots in Hodges Reserve Phase 2 in a series of takedowns, which shall occur upon substantial completion of all development-related work pertaining to each takedown. The first lot takedowns are anticipated to occur in January 2026, with periodic takedowns scheduled thereafter and final lot closings scheduled to occur in December 2028. As detailed in the table below, the anticipated base lot purchase price for each forty-foot (40’) lot is \$80,000 and \$90,000 for each fifty-foot (50’) lot. The Master Landowner and Trinity Family Builders are in the process of finalizing a contract memorializing these terms. Notwithstanding the foregoing, such contract terms may change and/or the Master Landowner may elect to sell some or all of such lots to one or more other builders.

Further, to the extent the HR Phase 1 Developer does not exercise its option to purchase sixty-eight (68) fifty-foot (50’) finished lots in Hodges Reserve Phase 2, all 142 homes in Hodges Reserve Phase 2 of the 2024 Assessment Area are anticipated to be constructed by Trinity Family Builders.

The information in the table below illustrates the current estimated base pricing and square footage for the residential units in the 2024 Assessment Area, which information is subject to change.

## Model Home/Sales Activity

It is currently anticipated that the HR Phase 1 Developer will construct two (2) model homes in the 2024 Assessment Area. In addition, it is anticipated that Trinity Family Builders will construct one (1) model home. Construction of the model homes along with an on-site sales center is anticipated to commence in the fourth quarter of 2024 with completion anticipated in the first quarter of 2025. Home sales and home construction activities are anticipated to commence in the first quarter of 2025 with home closings anticipated to commence in the fourth quarter of 2025.

## Projected Absorption

As previously indicated, home sales activities in the 2024 Assessment Area are anticipated to commence in the first quarter of 2025 with home closings anticipated to commence in the fourth quarter of 2025. The following table sets forth the anticipated pace of home closings in the 2024 Assessment Area, which is subject to change.

<u>Product Type</u>	<u>2025</u>	<u>2026</u>	<u>2027</u>	<u>2028</u>	<u>Total</u>

Single-Family – 50’	30	60	62	28	180
	<b>50</b>	<b>101</b>	<b>92</b>	<b>62</b>	<b>305</b>

The aforementioned projections are based upon estimates and assumptions that are inherently uncertain, though considered reasonable, and are subject to significant business, economic and competitive uncertainties and contingencies, all of which are difficult to predict. As a result, there can be no assurance that such projections will occur or be realized in the time frames anticipated. See “BONDOWNERS’ RISKS” herein.

### **Recreational Amenities**

The Hodges Reserve Neighborhood is planned to include recreational facilities to serve its residents. Such recreational facilities are planned to include a pool with a cabana, dog park, tot lot and a mail kiosk. Construction of the recreational facilities is scheduled to commence in the fourth quarter of 2027, with completion anticipated to occur in the third quarter of 2028. The estimated cost for such recreational facilities is approximately \$1.8 million which will be funded by the Master Landowner.

### **Schools**

Based upon current school districting, school-age children residing in the Hodges Reserve Neighborhood will attend Leesburg Elementary School, Oak Park Middle School and Leesburg High School, which each received a “C” rating from the Florida Department of Education for 2024. However, future capacity limitations or redistricting could result in a change to which school children residing in Hodges Reserve Neighborhood would attend.

### **Marketing**

It is anticipated that the HR Phase 1 Developer and Trinity Family Builders will undertake their own marketing efforts to market the homes in the 2024 Assessment Area. In addition to using various strategies, outlets and media, it is anticipated that the homebuilders will construct three (3) model homes and an on-site sales center within Hodges Reserve Phase 1 of the 2024 Assessment Area.

### **Fees and Assessments**

Each homeowner in the 2024 Assessment Area will be required to pay annual taxes, assessments, and fees on an ongoing basis as a result of their ownership of property within the District, including ad valorem property taxes, the Series 2024 Assessments levied by the District in connection with Series 2024 Bonds, homeowners’ association fees, and administrative, operation and maintenance assessments levied by the District, all as described in more detail below.

Property Taxes. The current millage rate for the area in which the District is located is 15.8956. Assuming a home with a taxable value of \$400,000, the annual property tax would be approximately \$6,358.

Homeowners’ Association Fees. All homeowners will be subject to annual master homeowners’ association (“HOA”) fees for architectural review, deed restriction enforcement and maintenance of any HOA-owned facilities. The current estimated annual HOA fee for the single-family homes in the 2024 Assessment Area is \$760.

District Special Assessments. Homeowners in the 2024 Assessment Area will be subject to the Series 2024 Assessments levied in connection with the Series 2024 Bonds. In addition, all homeowners in the District will be subject to annual operation and maintenance assessments levied by the District which are derived from the District’s annual budget and are subject to change each year. The table below illustrates

the aforementioned estimated annual assessments that will be levied in the 2024 Assessment Area by the District for each respective product type.

Single-Family – 50'	180	\$1,250	\$X
	<b>305</b>		

\* Includes gross-up of 4% for early payment and 2% for collection fees imposed by the County.

### **Competition**

Competition for the 2024 Assessment Area is expected to primarily come from communities within its sub-market including those to the north, south and east of the 2024 Assessment Area, which include the Eagletail, Trinity Lakes, and Reserve at Ridge Lake communities. Both Eagletail and Trinity Lakes are communities that an affiliate of the Master Landowner is actively developing.

In addition to the active communities described above, there are two (2) additional large-scale projects situated just north and south of the District that have been approved for development. Development activities for such projects have not yet commenced.

This section does not purport to summarize all of the existing or planned communities in the area of the 2024 Assessment Area, but rather to provide a description of those that the may pose primary competition to the homes to be constructed in the 2024 Assessment Area.

### **THE HR PHASE 1 DEVELOPER**

The landowner and developer of the lands in Hodges Reserve Phase 1 of the 2024 Assessment Area is Landsea Homes of Florida, LLC, a Delaware limited liability company (as previously defined, the “HR Phase 1 Developer”). ### **THE MASTER LANDOWNER**

Prior to the sale of the acreage constituting Hodges Reserve Phase 1 of the 2024 Assessment Area as described in “THE DEVELOPMENT – Residential Land Sale/Contract Activity,” the Master Landowner was the landowner of the acreage constituting the Hodges Reserve Neighborhood. Following the sale of Hodges Reserve Phase 1, the Master Landowner continues to be the landowner of the remaining lands consisting of Hodges Reserve Phase 2 and Phase 3 of the Hodges Reserve Neighborhood.

The Master Landowner is a special purpose entity whose primary asset is its interests in the lands within the Hodges Reserve Neighborhood. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefore as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

### **Book-Entry Only System**

THE FOLLOWING INFORMATION CONCERNING DTC AND DTC'S BOOK-ENTRY ONLY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE DISTRICT BELIEVES TO BE RELIABLE, BUT THE DISTRICT TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2024 BONDS, AS NOMINEE OF DTC, CERTAIN REFERENCES IN THIS LIMITED OFFERING MEMORANDUM TO THE SERIES 2024 BONDHOLDERS OR REGISTERED OWNERS OF THE SERIES 2024 BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2024 BONDS. THE DESCRIPTION WHICH FOLLOWS OF THE PROCEDURES AND RECORD KEEPING WITH RESPECT TO BENEFICIAL OWNERSHIP INTERESTS IN THE SERIES 2024 BONDS, PAYMENT OF INTEREST AND PRINCIPAL ON THE SERIES 2024 BONDS TO DIRECT PARTICIPANTS (AS HEREINAFTER DEFINED) OR BENEFICIAL OWNERS OF THE SERIES 2024 BONDS, CONFIRMATION AND TRANSFER OF BENEFICIAL OWNERSHIP INTERESTS IN THE SERIES 2024 BONDS, AND OTHER RELATED TRANSACTIONS BY AND BETWEEN DTC, THE DIRECT PARTICIPANTS AND

BENEFICIAL OWNERS OF THE SERIES 2024 BONDS IS BASED SOLELY ON INFORMATION FURNISHED BY DTC. ACCORDINGLY, THE DISTRICT NEITHER MAKES NOR CAN MAKE ANY REPRESENTATIONS CONCERNING THESE MATTERS.

DTC will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2024 Bond certificate will be issued for each maturity of the Series 2024 Bonds as set forth in the cover of this Limited Offering Memorandum, each in the aggregate principal amount of such maturity and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and the Indirect Participants are collectively referred to herein as the "DTC Participants." DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its DTC Participants are on file with the SEC. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2024 Bonds with DTC and

their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds within a series or maturity of a series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions and dividend payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the paying agent, on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, premium, if any, and interest on the Series 2024 Bonds, as applicable, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, the Series 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, the Series 2024 Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

NEITHER THE DISTRICT NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DTC PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2024 BONDS. THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DTC PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE SERIES 2024 BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM.

## SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2024 BONDS

### General

The Series 2024 Bonds are payable solely from and secured by the revenues derived by the District from the Series 2024 Assessments and amounts in the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture. Series 2024 Assessments will be allocated as described under "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein. The Series 2024 Assessments will secure the Series 2024 Bonds, the proceeds of which will be used to pay for a portion of the Costs of the Series 2024 Project. The Series 2024 Assessments will be levied on the 2024 Assessment Area in accordance with the Assessment Reports attached hereto as composite APPENDIX B.

NEITHER THE SERIES 2024 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2024 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 PLEDGED REVENUES AND THE SERIES 2024 PLEDGED FUNDS, AS PROVIDED IN THE SERIES 2024 BONDS AND IN THE INDENTURE.

### Funds and Accounts

The Indenture establishes with the Trustee the following Funds and Accounts: (a) within the Acquisition and Construction Fund, (i) a Series 2024 Acquisition and Construction Account and (ii) a Series 2024 Costs of Issuance Account; (b) within the Debt Service Fund, (i) a Series 2024 Debt Service Account and therein a Series 2024 Sinking Fund Account, a Series 2024 Interest Account and a Series 2024 Capitalized Interest Account; and (ii) a Series 2024 Redemption Account and therein a Series 2024 Prepayment Subaccount and a Series 2024 Optional Redemption Subaccount; (c) within the Reserve Fund, a Series 2024 Reserve Account, which shall be held for the benefit of all of the Series 2024 Bonds, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another; (d) within the Revenue Fund, a Series 2024 Revenue Account; and (e) within the Rebate Fund, a Series 2024 Rebate Account.

### Series 2024 Acquisition and Construction Account

Amounts on deposit in the Series 2024 Acquisition and Construction Account will be applied to pay Costs of the Series 2024 Project upon compliance with the requisition provisions set forth in the Indenture. The Trustee will have no duty to verify that any requested disbursement from the Series 2024 Acquisition and Construction Account is for a Cost of the Series 2024 Project. The Consulting Engineer shall establish a Date of Completion for the Series 2024 Project, and any balance remaining in the Series 2024 Acquisition and Construction Account after such Date of Completion (taking into account the moneys then

on deposit therein to pay any accrued but unpaid Costs of the Series 2024 Project which are required to be reserved in the Series 2024 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be transferred to the Series 2024 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with the Indenture and the Series 2024 Bonds. Notwithstanding the foregoing, the Indenture provides that the District shall not establish a Date of Completion until after the Reserve Account Release Conditions have been satisfied and moneys have been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of such satisfaction pursuant to the First Supplemental Indenture. Such amounts deposited into the Series 2024 Acquisition and Construction Account as a result of the satisfaction of the Reserve Account Release Conditions shall be paid to the Person or Persons designated in a requisition in the form attached to the First Supplemental Indenture, upon compliance with the requisition provisions set forth in this section, to cover any requisitions submitted pursuant to Section 403(a) of the First Supplemental Indenture which remain unpaid ("Unpaid Requisitions"), in full or in part, in chronological order (oldest to newest) based on the date such requisitions were submitted by the District to the Trustee. Any requisition submitted in compliance with the prior sentence shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Date of Completion might have been declared provided such Costs of the Series 2024 Project were not previously paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account. In the event that there are no Unpaid Requisitions to pay, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 Prepayment Subaccount upon direction to the Trustee by the District. At such time as there are no amounts on deposit in the Series 2024 Acquisition and Construction Account, such Account shall be closed.

#### **Series 2024 Reserve Account and Series 2024 Reserve Account Requirement**

The Series 2024 Reserve Account Requirement is an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions are met, at which time and thereafter, the Series 2024 Reserve Account Requirement is an amount equal to ten percent (10%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation. On the date of initial issuance of the Series 2024 Bonds, the Series 2024 Reserve Account Requirement shall be \$[\_\_\_\_\_].

Reserve Account Release Conditions means, collectively, that (a) all residential units/homes subject to the Series 2024 Assessments have been built, sold and closed with end-users, (b) all Series 2024 Assessments are being collected pursuant to the Uniform Method (as hereinafter defined), and (c) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2024 Bonds. An Authorized Officer shall provide a written certification to the District and the Trustee certifying that the events in clauses (a) and (b) have occurred and affirming clause (c), on which certifications the Trustee may conclusively rely.

The Series 2024 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2024 Reserve Account Requirement. Except as otherwise provided in the Indenture, amounts on deposit in the Series 2024 Reserve Account shall be used only for the purpose of making payments into the Series 2024 Interest Account and the Series 2024 Sinking Fund Account to pay Debt Service on the Series 2024 Bonds, when due, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are

insufficient and for no other purpose. The Series 2024 Reserve Account shall consist only of cash and Series 2024 Investment Obligations.

Anything in the Indenture to the contrary notwithstanding, on the forty-fifth (45<sup>th</sup>) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45<sup>th</sup>) day is not a Business Day, on the Business Day preceding such forty-fifth (45<sup>th</sup>) day), an Authorized Officer of the District shall recalculate the Series 2024 Reserve Account Requirement and shall direct the Trustee in writing to transfer any excess on deposit in the Series 2024 Reserve Account (a) resulting from Prepayments of Series 2024 Assessments into the Series 2024 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2024 Bonds, (b) resulting from a reduction of the Series 2024 Reserve Account Requirement as the result of the Reserve Account Release Conditions being met into the Series 2024 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in Section 408(f) of the First Supplemental Indenture. The Trustee is authorized under the First Supplemental Indenture to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2024 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2024 Bonds, together with accrued interest and redemption premium, if any, on such Series 2024 Bonds to the earliest Redemption Date permitted therein and in the Indenture, then the Trustee shall transfer the amount on deposit in the Series 2024 Reserve Account into the Series 2024 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2024 Bonds on the earliest Redemption Date permitted for redemption therein and in the Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2024 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

### **Flow of Funds**

(a) The First Supplemental Indenture authorizes and directs the Trustee to deposit any and all amounts required to be deposited in the Series 2024 Revenue Account by the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2024 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2024 Revenue Account (i) Series 2024 Assessment Revenues other than Series 2024 Prepayments (which Series 2024 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2024 Prepayment Subaccount), (ii) Series 2024 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2024 Revenue Account.

(c) On the forty-fifth (45<sup>th</sup>) day preceding each Quarterly Redemption Date (or if such forty-fifth (45<sup>th</sup>) day is not a Business Day, on the Business Day preceding such forty-fifth (45<sup>th</sup>) day), the Trustee

shall determine the amount on deposit in the Series 2024 Prepayment Subaccount, and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2024 Revenue Account for deposit into the Series 2024 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2024 Revenue Account to pay Debt Service coming due on the Series 2024 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2024 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2024 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2024 Bonds set forth in the form of Series 2024 Bonds attached to the First Supplemental Indenture and in accordance with the provisions of the Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2024 Capitalized Interest Account to the Series 2024 Interest Account the lesser of (x) the amount of interest coming due on the Series 2024 Bonds on such May 1 or November 1, less the amount already on deposit in the Series 2024 Interest Account, or (y) the amount remaining in the Series 2024 Capitalized Interest Account. Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2024 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

**FIRST**, to the Series 2024 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2024 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2024 Capitalized Interest Account in accordance with Section 408(d) of the First Supplemental Indenture and (ii) the amount already on deposit in the Series 2024 Interest Account not previously credited;

**SECOND**, on May 1, 20[\_\_\_], and on each May 1 thereafter, to the Series 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2024 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2024 Sinking Fund Account not previously credited;

**THIRD**, to the Series 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Account Requirement with respect to the Series 2024 Bonds; and

**FOURTH**, the balance shall first be deposited into the Series 2024 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds, and then the balance shall be retained in the Series 2024 Revenue Account.

On each November 2 (or if such November 2 is not a Business Day, on the next Business Day thereafter), any amount on deposit in the Series 2024 Revenue Account on such November 2 in excess of amounts previously deposited by the District in order to pay Debt Service on the Series 2024 Bonds in the then current Fiscal Year shall be paid over to the District at the written direction of an Authorized Officer of the District and used for any lawful purpose of the District; provided however, that on the date of such proposed transfer (a) the amount on deposit in the Series 2024 Reserve Account shall be equal to the Series 2024 Reserve Account Requirement, (b) there are no fees or expenses of the Trustee due, and (c) the Trustee

shall not have actual knowledge (as described in Section 606 of the Master Indenture) of an Event of Default under the Indenture relating to any of the Series 2024 Bonds.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2024 Revenue Account to the Series 2024 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

## **Investments**

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2024 Bonds shall be invested only in Series 2024 Investment Obligations. Earnings on investments in the Series 2024 Acquisition and Construction Account, the Series 2024 Interest Account and the Series 2024 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2024 Reserve Account, and other than as set forth in the preceding sentence, shall be deposited, as realized, to the credit of the Series 2024 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2024 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2024 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through November 1, 2025, and thereafter shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2024 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be retained in the Series 2024 Reserve Account until the amount on deposit therein is equal to the Series 2024 Reserve Account Requirement, and then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through November 1, 2025, and thereafter shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2024 Reserve Account made pursuant to Section 405 of the First Supplemental Indenture.

## **Agreements for Assignment of Development Rights**

Contemporaneously with the issuance of the Series 2024 Bonds, the District will enter into a Collateral Assignment and Assumption of Development and Contract Rights (the "HR Phase 1 Assignment Agreement") pertaining to Hodges Reserve Phase 1 with the HR Phase 1 Developer [and the Master Landowner] and a Collateral Assignment and Assumption of Development and Contract Rights (the "HR

Phase 2 Assignment Agreement” and, together with the HR Phase 1 Assignment Agreement, the “Assignment Agreement”) pertaining to Hodges Reserve Phase 2 with the Master Landowner. The following description of the Assignment Agreements is qualified in its entirety by reference to the respective Assignment Agreements. Pursuant to the Assignment Agreements, the HR Phase 1 Developer and the Master Landowner will collaterally assign to the District, to the extent assignable and to the extent solely owned and controlled by the HR Phase 1 Developer or Master Landowner, as applicable, all of their respective development rights and contract rights relating to the Series 2024 Project and the development of the 2024 Assessment Area (the “Development and Contract Rights”) as security for the HR Phase 1 Developer’s and the Master Landowner’s payment and performance and discharge of their respective obligations to pay the Series 2024 Assessments levied against the lands owned by them in the 2024 Assessment Area when due. The assignments will become effective and absolute upon failure of the HR Phase 1 Developer or the Master Landowner to pay the Series 2024 Assessments levied on lands within the 2024 Assessment Area owned by the HR Phase 1 Developer or the Master Landowner, respectively. The Development and Contract Rights specifically exclude any such portion of the Development and Contract Rights which have not been previously assigned, transferred, or otherwise conveyed to an end-user or homebuilder unaffiliated with the HR Phase 1 Developer or Master Landowner resulting from the sale of certain lands within the 2024 Assessment Area in the ordinary course of business, the City, the County, the District, any applicable homeowners’ association or other governing entity or association as may be required by applicable permits, approvals, plats, entitlements or regulations affecting the 2024 Assessment Area. Pursuant to the Indenture, but subject to the terms of the Assignment Agreements, the District assigns its rights under the Assignment Agreements to the Trustee for the benefit of the Owners, from time to time, of the Series 2024 Bonds.

### **Completion Agreements**

In connection with the issuance of the Series 2024 Bonds, the District will enter into agreements (the “Completion Agreements”) with each of the HR Phase 1 Developer and the Master Landowner pursuant to which the HR Phase 1 Developer or Master Landowner, as applicable, will agree to complete or provide funds to complete the HR Phase 1 Project or HR Phase 2 Project, respectively, portion of the Series 2024 Project to the extent that proceeds of the Series 2024 Bonds are insufficient therefor. Remedies for a default under the Completion Agreements include damages and/or specific performance.

### **True-Up Agreements**

In connection with the issuance of the Series 2024 Bonds, the District will enter into agreements (the “True Up Agreements”) with each of the HR Phase 1 Developer and the Master Landowner pursuant to which the HR Phase 1 Developer and the Master Landowner agrees to timely pay all Series 2024 Assessments on lands owned by the HR Phase 1 Developer or the Master Landowner and subject to the Series 2024 Assessments and to pay, when requested by the District, any amount of Series 2024 Assessments not allocated due to a plat or replat and therefore remains unallocated pursuant to the Assessment Reports or any update thereto.

### **Enforcement of True-Up Agreements and Completion Agreements**

The District, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the True-Up Agreements and the Completion Agreements, and, upon the occurrence and continuance of a default under any of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners shall act on behalf

of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything in the Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the True-Up Agreements and the Completion Agreements upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

#### **Owner Direction and Consent with Respect to Series 2024 Acquisition and Construction Account Upon Occurrence of Event of Default**

In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District acknowledges in the First Supplemental Indenture that (a) the Series 2024 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may not be used by the District (whether to pay Costs of the Series 2024 Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the Trustee notifying the District of such declared Event of Default the District had incurred a binding obligation with third parties for work on the Series 2024 Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Series 2024 Project that will cause the expenditure of additional funds from the Series 2024 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

#### **Collection of Series 2024 Assessments**

The Indenture provides, notwithstanding anything contrary therein, that when permitted by law, Series 2024 Assessments levied on platted residential lots and pledged to secure the Series 2024 Bonds shall be collected pursuant to the Uniform Method, and Series 2024 Assessments levied on the remaining lands and pledged to secure the Series 2024 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default.

A proportionate amount of Series 2024 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date; provided, however, that such Series 2024 Assessments shall not be deemed Delinquent Assessments unless and until such Series 2024 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

#### **Covenants with Regard to Enforcement and Collection of Delinquent Assessments**

The District covenants and agrees in the Indenture that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and

Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Series 2024 Bonds. Notwithstanding anything to the contrary in the Indenture, and unless otherwise directed by the Majority Owners of the Series 2024 Bonds and allowed pursuant to federal or State law, the District acknowledges and agrees in the Indenture that (i) upon failure of any property owner to pay an installment of Series 2024 Assessments collected directly by the District when due, that the entire Series 2024 Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within one hundred twenty (120) days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (ii) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

The District covenants in the Indenture that if the owner of any lot or parcel of land shall be delinquent in the payment of any Series 2024 Assessment, then such Series 2024 Assessment shall be enforced in accordance with the provisions of Chapters 170 and/or 197, Florida Statutes, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, or in the event that a Series 2024 Assessment was directly collected by the District, as permitted by the First Supplemental Indenture, then upon the delinquency of any such Series 2024 Assessment, the District either on its own behalf, or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Owners of the Series 2024 Bonds then Outstanding, declare the entire unpaid balance of such Series 2024 Assessment, to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapters 170 and 173, and Section 190.026, Florida Statutes, as amended from time to time, or otherwise as provided by law. The District further covenants in the Indenture to furnish, at its expense, to any Owner of Series 2024 Bonds so requesting, sixty (60) days after the due date of each annual installment, a list of all Delinquent Assessments together with a copy of the District's annual audit (if available), and a list of foreclosure actions currently in progress and the current status of such Delinquent Assessments.

If any tax certificates relating to Delinquent Assessments which are pledged to the Series 2024 Bonds are sold by the Lake County Tax Collector (the "Tax Collector") pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the Series 2024 Revenue Account.

### **Foreclosure of Assessment Lien**

The Indenture provides that if any property shall be offered for sale for the nonpayment of any Series 2024 Assessments and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount less than or equal to the balance due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if

any), from any legally available funds of the District and the District shall receive, in its corporate name or in the name of a special purpose entity, title to the property for the benefit of the Owners of the Series 2024 Bonds; provided that the Trustee shall have the right acting at the direction of the Majority Owners, but shall not be obligated, to direct the District with respect to any action taken pursuant to the First Supplemental Indenture. The District, either through its own actions or actions caused to be taken through the Trustee shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2024 Revenue Account. The District, either through its own actions or actions caused to be taken through the Trustee agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2024 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners. The Trustee may, upon direction from the Majority Owners, pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture.

### **Additional Covenants Regarding Series 2024 Assessments**

In the Indenture, the District covenants to comply with the terms of the Series 2024 Assessment Proceedings with respect to the Series 2024 Assessments, including the Assessment Reports, and to levy the Series 2024 Assessments and collect any required true-up payments set forth in the Assessment Reports, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2024 Bonds, when due.

### **No Parity Bonds; Limitation on Parity Assessments**

The District covenants and agrees in the First Supplemental Indenture that other than Refunding Bonds issued to refund the then Outstanding Series 2024 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2024 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2024 Trust Estate. The District further covenants and agrees that so long as the Series 2024 Assessments have not been Substantially Absorbed, it will not impose Assessments for capital projects on any lands subject to the Series 2024 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2024 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners.

“Substantially Absorbed” is defined in the First Supplemental Indenture to mean the date on which the principal amount of the Series 2024 Assessments equaling ninety percent (90%) of the then Outstanding principal amount of the Series 2024 Bonds is levied on tax parcels within the 2024 Assessment Area with respect to which a certificate of occupancy has been issued for a structure thereon and are owned by end users, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

### **Events of Default**

Each of the following events is an Event of Default with respect to the Series 2024 Bonds:

- (a) Any payment of Debt Service on the Series 2024 Bonds is not made when due;

(b) The District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;

(c) The District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the Series 2024 Project;

(d) The District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) The District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;

(f) Under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) Any portion of the Series 2024 Assessments pledged to the Series 2024 Bonds shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2024 Reserve Account to pay Debt Service on the Series 2024 Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners of the Series 2024 Bonds, actually withdraw such funds from the Series 2024 Reserve Account to pay Debt Service on the Series 2024 Bonds);

(h) The District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2024 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2024 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2024 Bonds then Outstanding and affected by such default; and

(i) More than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Series 2024 Assessments are not paid by the date such are due and payable.

#### **Provisions Relating to Bankruptcy or Insolvency of Landowner**

(a) The provisions of this section of the Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Series 2024 Assessments pledged to the Series 2024 Bonds then Outstanding (an "Insolvent

Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”).

(b) The District acknowledges and agrees in the Indenture that, although the Series 2024 Bonds were issued by the District, the Owners of the Series 2024 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District agrees in the Indenture that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2024 Bonds then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments, the Series 2024 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2024 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(ii) the District agrees in the Indenture that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments, the Series 2024 Bonds then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District agrees in the Indenture that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2024 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2024 Assessments related to the Series 2024 Bonds then Outstanding, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2024 Assessments, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer’s exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Series 2024 Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Series 2024 Assessments pledged to the Series 2024 Bonds then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees in the Indenture that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Nothing in Section 913 of the Master Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Series 2024 Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2024 Assessments whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in paragraph (b)(iv) above.

#### **Re-Assessment**

If any Series 2024 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Series 2024 Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Assessment when it might have done so, the District shall either: (i) take all necessary steps to cause a new Series 2024 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement; or (ii) in its sole discretion, make up the amount of such Series 2024 Assessment from legally available moneys, which moneys shall be deposited into the Series 2024 Revenue Account. In case any such subsequent Series 2024 Assessment shall also be annulled, the District shall obtain and make other Series 2024 Assessments until a valid Series 2024 Assessment shall be made.

## ENFORCEMENT OF ASSESSMENT COLLECTIONS

### General

The primary source of payment for the Series 2024 Bonds is the collection of the Series 2024 Assessments (“Special Assessments”) imposed on certain lands in the District specially benefited by the Series 2024 Project pursuant to the Series 2024 Assessment Proceedings. See “ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS” herein and “APPENDIX B – ASSESSMENT REPORTS.”

The imposition, levy, and collection of Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Lake County Tax Collector (as previously defined, the “Tax Collector”) or the Lake County Property Appraiser (“Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Special Assessments during any year. Such delays in the collection of Special Assessments, or complete inability to collect any of the Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds. See “BONDOWNERS’ RISKS” herein. To the extent that landowners fail to pay the Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds.

For the Special Assessments to be valid, the Special Assessments must meet two requirements: (1) the benefit from the Series 2024 Project to the lands subject to the Special Assessments must exceed or equal the amount of the Special Assessments, and (2) the Special Assessments must be fairly and reasonably allocated across all such benefited properties. The Certificate of the Methodology Consultant to be delivered at closing will certify that these requirements have been met with respect to the Special Assessments. In the event that the Special Assessments are levied based on the assumptions that future contributions will be made, or that future assessments may be levied to secure future bond issuances, the Special Assessments may need to be reallocated in the event such contributions are not made and/or future assessments and bonds are not levied and issued.

Pursuant to the Act, and the Series 2024 Assessment Proceedings, the District may collect the Special Assessments through a variety of methods. See “BONDOWNERS’ RISKS” herein. Initially, and for undeveloped properties, the District will directly issue annual bills to landowners requiring payment of the Special Assessments, and will enforce that bill through foreclosure proceedings. See “ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS” herein and “APPENDIX B” hereto. For platted lands, the Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

### Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Special Assessments. In this context, Section 170.10, Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of its annual installment of principal and/or interest of a special assessment due, including the Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject

to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Special Assessments and the ability to foreclose the lien of such Special Assessments upon the failure to pay such Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Special Assessments. See “BONDOWNERS’ RISKS” herein.

### **Uniform Method Procedure**

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Special Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, “Taxes and Assessments”), all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Special Assessments. In other words, any partial prepayment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the Debt Service requirements on the Series 2024 Bonds.

Under the Uniform Method, if the Special Assessments are paid during November when due or during the following three (3) months, the taxpayer is granted a variable discount equal to four percent

(4%) in November and decreasing one percentage point per month to one percent (1%) in February. No discount is given for payment in March or later. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Special Assessments, (2) that future landowners and taxpayers in the District will pay such Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Series 2024 Assessment Proceedings to discharge the lien of the Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than eighteen percent (18%)).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently eighteen percent (18%). The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than eighteen percent (18%) per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of five percent (5%), unless the rate borne by the certificates is zero percent (0%). The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a

bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three (3) years from the date the land was offered for public sale, unsold lands escheat to the County in which they are located, free and clear. All tax certificates, accrued taxes, and liens of any nature against the property are canceled and a tax deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Special Assessments, which are the primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS" herein.

## **BONDOWNERS' RISKS**

There are certain risks inherent in an investment in bonds secured by special assessments issued by a public authority or governmental body in the State. Certain of such risks are associated with the Series 2024 Bonds offered hereby and are set forth below. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum, including all appendices hereto, in its entirety to identify investment considerations relating to the Series 2024 Bonds. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment.

### **Limited Pledge**

The principal security for the payment of the principal of and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Assessments. Recourse for the failure of any landowner to pay the Series 2024 Assessments, or otherwise fail to comply with its obligations, is limited to the collection proceedings against the land, which proceedings differ depending on whether the Series 2024 Assessments are being collected pursuant to the Uniform Method or directly by the District. The Series 2024 Assessments do not constitute a personal indebtedness of the landowners but are secured only by a lien on the land in the 2024 Assessment Area. The District has not granted, and may not grant under State law, a mortgage or security interest on any land subject to the Series 2024 Assessments. Furthermore, the District has not pledged the revenues, if any, from the operation of any portion of the Series 2024 Project as security for, or a source of payment of, the Series 2024 Bonds. Neither the HR Phase 1 Developer nor the Master Landowner is not a guarantor of payment of any Series 2024 Assessments and the recourse for the HR Phase 1 Developer's or the Master Landowner's failure to pay the Series 2024 Assessments on any land owned by each of them in the 2024 Assessment Area, like any landowner, is limited to the collection proceedings against such land. Several mortgage lenders have in the past, raised legal challenges to the primacy of liens similar to those of the Series 2024 Assessments in relation to the liens of mortgages burdening the same real property. There can be no assurance that mortgage lenders will not challenge the priority of the lien status of the Series 2024 Assessments in the event that actions are taken to foreclose on any property in the 2024 Assessment Area.

### **Bankruptcy and Related Risks**

The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. Under existing constitutional and statutory law and judicial decisions, in the event of the institution of bankruptcy or similar proceedings with respect to any landowner, including the HR Phase 1 Developer and the Master Landowner, if applicable, the remedies specified by federal, State and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay the Series 2024 Assessments, may not be readily available or may be limited. Bankruptcy can also affect the ability of (1) any landowner being able to pay the Series 2024 Assessments, (2) the Tax Collector being able to sell tax certificates related to land owned by a landowner in bankruptcy, to the extent the Uniform Method is being utilized for collecting the Series 2024 Assessments, and (3) the inability of the District to foreclose the lien of the Series

2024 Assessments not being collected by the Uniform Method. Any such adverse effect, either partially or fully, on the ability to enforce such remedies, could have a material adverse effect on the District's ability to make the full or punctual payment of Debt Service on the Series 2024 Bonds.

### **Delay and Discretion Regarding Remedies**

The remedies available to the owners of the Series 2024 Bonds are in many respects dependent upon judicial actions which are often subject to discretion and delay. In addition to legal delays that could result from bankruptcy, the ability of the District to enforce collection of Delinquent Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding and the value of the land which is the subject of such proceedings and which may be subject to sale. In addition, if the District commences a foreclosure action against a landowner for nonpayment of Series 2024 Assessments, such landowner might raise affirmative defenses to such foreclosure action, which affirmative defenses could result in delays in completing the foreclosure action.

### **Limitation on Funds Available to Exercise Remedies**

In the event of a default by a landowner in payment of Series 2024 Assessments, if the Series 2024 Assessments are not collected under the Uniform Method, a foreclosure may be commenced to collect the delinquent Series 2024 Assessments. It is possible that there will not be sufficient funds to pay for the foreclosure and/or that funds on deposit under the Indenture may be used to pay such costs. Under the Code (hereinafter defined), there are limitations on the amount of the Series 2024 Bond proceeds that can be used for such purposes. As a result, there may be insufficient funds for the exercise of remedies.

### **Determination of Land Value upon Default**

To the extent that any portion of the Series 2024 Assessments are being collected by the Uniform Method, the ability of the Tax Collector to sell tax certificates, and to the extent that any portion of the Series 2024 Assessments are not being collected by the Uniform Method, the ability of the District to sell land upon foreclosure, both will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The determination of the benefits to be received by the benefited land within the District as a result of implementation and development of the Series 2024 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. In other words, the value of the land could potentially be ultimately less than the debt secured by the Series 2024 Assessments associated with it. To the extent that the realizable or market value of the land is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land, or the District to sell such land upon foreclosure, may be adversely affected. Such adverse effect could render the District unable to collect Delinquent Assessments, if any, and could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2024 Bonds.

### **Landowner Challenge of Assessed Valuation**

State law provides both administrative and judicial procedures whereby a taxpayer may contest the assessed valuation of his or her property determined by the Property Appraiser. If the individual property owner believes that his or her property has not been appraised at just value, the owner may (i) request an informal conference with the Property Appraiser to resolve the issue, (ii) file a petition with the

clerk of the county value adjustment board, or (iii) appeal to the Circuit Court within sixty (60) days of the certification for collection of the tax roll or within sixty (60) days of the issuance of a final decision by the value adjustment board. A petitioner before the value adjustment board who challenges the assessed value of property must pay all non-ad valorem assessments and make a partial payment of at least 75% of the ad valorem taxes, less any applicable discount, before the taxes become delinquent. Before any judicial action to contest a tax assessment may be brought, the taxpayer shall pay to the tax collector not less than the amount of the tax which the taxpayer admits in good faith to be owing. During any such proceeding, all procedures for the collection of the unpaid taxes are suspended until the petition or suit is resolved. This could result in a delay in the collection of the Series 2024 Assessments which could have a material adverse effect upon the ability of the District to make full or punctual payment of the Debt Service on the Series 2024 Bonds.

### **Failure to Comply with Assessment Proceedings**

The District is required to comply with statutory procedures in levying the Series 2024 Assessments. Failure of the District to follow these procedures could result in the Series 2024 Assessments not being levied or potential future challenges to such levy.

### **Other Taxes**

The willingness and/or ability of a landowner within the 2024 Assessment Area to pay the Series 2024 Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District, such as a county, a school board, a municipality and other special districts, could, without the consent of the owners of the land within the 2024 Assessment Area, impose additional taxes or assessments on the property within the 2024 Assessment Area. County, municipal, school and special district taxes and assessments, including the Series 2024 Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds, are payable at the same time when collected under the Uniform Method, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment, the taxpayer cannot designate specific line items on the tax bill as deemed paid in full. Therefore, any failure by a landowner to pay any one line item, whether or not it is the Series 2024 Assessments, would result in such landowner's assessments to not be collected to that extent, which could have a significant adverse impact on the District's ability to make full or punctual payment of Debt Service on the Series 2024 Bonds.

The District may also impose additional assessments which could encumber the property burdened by the Series 2024 Assessments. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2024 Assessments. In addition, lands within the District may also be subject to assessments by property and homeowner associations.

### **Inadequacy of Reserve Account**

Some of the risk factors described herein, if materialized, could result in a delay in the collection of the Series 2024 Assessments or a failure to collect the Series 2024 Assessments, but may not affect the timely payment of Debt Service on the Series 2024 Bonds because of the Series 2024 Reserve Account established by the District for the Series 2024 Bonds. However, the ability of the District to fund deficiencies caused by delinquent or delayed Series 2024 Assessments is dependent upon the amount, duration and frequency of

such deficiencies or delays. If the District has difficulty in collecting the Series 2024 Assessments, the Series 2024 Reserve Account could be rapidly depleted and the ability of the District to pay Debt Service could be materially adversely affected. Owners should note that although the Indenture contains the Series 2024 Reserve Account Requirement for the Series 2024 Reserve Account, and a corresponding obligation on the part of the District to replenish the Series 2024 Reserve Account to the Series 2024 Reserve Account Requirement, the District does not have a designated revenue source for replenishing the Series 2024 Reserve Account. Moreover, the District will not be permitted to re-assess real property then burdened by the Series 2024 Assessments in order to provide for the replenishment of the Series 2024 Reserve Account.

Moneys on deposit in the Series 2024 Reserve Account may only be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys available in the Series 2024 Reserve Account to make up deficiencies or delays in collection of Series 2024 Assessments.

### **Economic Conditions**

The proposed development of the 2024 Assessment Area may be affected by changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the landowners or the District. Although the 2024 Assessment Area is anticipated to be developed as described herein, there can be no assurance that such development will occur or be realized in the manner currently anticipated.

### **Concentration of Land Ownership in 2024 Assessment Area**

Until further development and lot sales take place in the 2024 Assessment Area, payment of the Series 2024 Assessments is substantially dependent upon their timely payment by the HR Phase 1 Developer or the Master Landowner, as applicable. At closing of the sale of the Series 2024 Bonds it is expected that all of the lands within Hodges Reserve Phase 1 of the 2024 Assessment Area will be owned either directly or indirectly by the HR Phase 1 Developer and all of the lands within Hodges Reserve Phase 2 of the 2024 Assessment Area will be owned either directly or indirectly by the Master Landowner. In the event of the institution of bankruptcy or similar proceedings with respect to the HR Phase 1 Developer, the Master Landowner or any other subsequent significant owner of property within the 2024 Assessment Area, delays could most likely occur in the payment of Debt Service on the Series 2024 Bonds. Such bankruptcy could negatively impact the ability of: (i) the HR Phase 1 Developer, the Master Landowner or any other landowner being able to pay the Series 2024 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of any Series 2024 Assessments not being collected pursuant to the Uniform Method. The Series 2024 Assessments levied on unplatted lands will be collected directly by the District and not via the Uniform Method unless the Board determines that such method of collection is not in the best interest of the District or unless, in an Event of Default, the Majority Owners direct the District as to the collection method for the Series 2024 Assessments, so long as such method complies with State law.

### **Undeveloped Land**

The 2024 Assessment Area is not fully developed. The ultimate successful development of the 2024 Assessment Area and the remainder of the District depends on several factors discussed herein. There is

no assurance that the HR Phase 1 Developer, the Master Landowner and any other subsequent landowners will be successful in developing part or all of the undeveloped acreage.

### **Change in Development Plans**

The HR Phase 1 Developer and the Master Landowner have the right to modify or change plans for development of their respective property within the 2024 Assessment Area from time to time including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and the Master Landowner may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

### **Bulk Sale of Land in 2024 Assessment Area**

The HR Phase 1 Developer, the Master Landowner or any other subsequent landowner may make bulk sales of all or a portion of the lands owned by it within the 2024 Assessment Area at any time. Bulk sale agreements may be canceled or amended without the consent of the District or any other party. Such changes could affect the purchase price of, delivery timing and/or development of lots within the 2024 Assessment Area that is otherwise described herein.

### **Completion of Series 2024 Project and CIP**

The Series 2024 Bond proceeds will not be sufficient to finance the completion of the Series 2024 Project or the CIP. The HR Phase 1 portion of the Series 2024 Project not funded with proceeds of the Series 2024 Bonds is expected to be completed by or funded with contributions from the HR Phase 1 Developer. The HR Phase 2 portion of the Series 2024 Project not funded with proceeds of the Series 2024 Bonds is expected to be completed by or funded with contributions from the Master Landowner. There can be no assurance that the HR Phase 1 Developer or the Master Landowner will be able to pay for the cost of any of these improvements. Upon issuance of the Series 2024 Bonds, the HR Phase 1 Developer will enter into a Completion Agreement with respect to any portions of the HR Phase 1 Project portion of the Series 2024 Project not funded with the proceeds of the Series 2024 Bonds and the Master Landowner will enter into a Completion Agreement with respect to any portions of the HR Phase 2 portion of the Series 2024 Project not funded with the proceeds of the Series 2024 Bonds. Additionally, upon issuance of the Series 2024 Bonds, the HR Phase 1 Developer and the Master Landowner will also execute and deliver to the District an Assignment Agreement, pursuant to which the HR Phase 1 Developer and the Master Landowner, as applicable, will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the HR Phase 1 Developer or Master Landowner, as applicable, all of its respective development rights relating to the Series 2024 Project and the 2024 Assessment Area as security for the HR Phase 1 Developer's or the Master Landowner's, as applicable, payment and performance and discharge of its obligation to pay the Series 2024 Assessments. Notwithstanding the foregoing, there can be no assurance that the District will have sufficient moneys on hand and/or the necessary development rights to complete the Series 2024 Project. See "THE DEVELOPMENT – Residential Land Sale/Contract Activity," "SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2024 BONDS – Completion Agreements" and "SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2024 BONDS – Agreements for Assignment of Development Rights" herein.

Undeveloped or partially developed land is inherently less valuable than developed land and provides less security to the owners of the Series 2024 Bonds should it be necessary to institute proceedings

due to the nonpayment of the Series 2024 Assessments. Failure to complete or substantial delays in the completion of the Series 2024 Project or the CIP due to litigation or other causes may reduce the value of the lands in the District and increase the length of time during which Series 2024 Assessments will be payable from undeveloped property and may affect the willingness and ability of the landowners to pay the Series 2024 Assessments when due and likewise the ability of the District to make full or punctual payment of Debt Service on the Series 2024 Bonds.

Pursuant to the Indenture, the District will covenant and agree that so long as the Series 2024 Assessments have not been Substantially Absorbed, it will not impose Assessments for capital projects on any lands subject to the Series 2024 Assessments without the written consent of the Majority Owners. Such covenant shall not prohibit the District from issuing refunding bonds or other Bonds secured by Assessments to finance any other capital project that is necessary, as determined by the District, for health, safety, or welfare reasons or to remediate any natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners.

### **Regulatory and Environmental Risks**

The Development is subject to comprehensive federal, State and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the 2024 Assessment Area or other District lands.

The value of the land within the District, the ability to complete the Series 2024 Project or CIP, or to develop the Development and the likelihood of timely payment of Debt Service on the Series 2024 Bonds could be affected by environmental factors with respect to the lands in the District, such as contamination by hazardous materials. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the 2024 Assessment Area or other District lands. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District.

### **District May Not be Able to Obtain Permits**

In connection with a foreclosure of the lien of the assessments prior to completion of a development, the Circuit Court in and for Lake County, Florida concluded that a community development district had no right, title or interest in any permits and approvals owned by the owner of the parcels so foreclosed. As discussed above, the District will enter into Assignment Agreements with the HR Phase 1 Developer and the Master Landowner upon issuance of the Series 2024 Bonds in which the HR Phase 1 Developer and the Master Landowner, as applicable, collaterally assign to the District all of their respective development rights and contract rights relating to the Series 2024 Project and the 2024 Assessment Area. Notwithstanding the foregoing, in the event that the District forecloses on the property subject to the lien of the Series 2024 Assessments, to enforce payment thereof, the District may not have the right, title or interest in the permits and approvals owned by the HR Phase 1 Developer or the Master Landowner and

failure to obtain any such permits or approvals in a timely manner could delay or adversely affect the completion of the Series 2024 Project and the Development.

### **Cybersecurity**

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurance can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2024 Bonds.

### **Infectious Viruses and/or Diseases**

A novel coronavirus outbreak first identified in 2019 as causing coronavirus disease 2019 ("COVID-19") was characterized by the World Health Organization on March 11, 2020, as a pandemic. Responses to COVID-19 varied at the local, state and national levels. In reaction to the pandemic declaration a variety of federal agencies, along with state and local governments, implemented efforts designed to limit the spread of COVID-19. Since the pandemic declaration, COVID-19 has negatively affected travel, commerce, and financial markets globally, including supply chain, inflation, and labor shortage issues, and could continue to have a lingering negative affect on economic growth and financial markets worldwide, including within the State. Although the World Health Organization no longer considers COVID-19 to be a global public health emergency, how long the foregoing negative impacts will last cannot be determined at this time; however, these negative impacts could reduce property values, slow or cease development and sales within the 2024 Assessment Area and/or otherwise have a negative financial impact on the Development, the HR Phase 1 Developer, the Master Landowner or subsequent landowners. While the foregoing describes certain risks related to the recent outbreak of COVID-19, the same risks may be associated with any contagious epidemic, pandemic or disease.

### **Damage to District from Natural Disasters**

The value of the lands subject to the Series 2024 Assessments could be adversely affected by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the 2024 Assessment Area or other District lands unable to support the development and construction of the Series 2024 Project or the CIP. The occurrence of any such events could materially adversely affect the District's ability to collect Series 2024 Assessments and pay Debt Service on the Series 2024 Bonds. The Series 2024 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

### **Limited Secondary Market**

The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an owner thereof determines to solicit purchasers of the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that

paid by the current owner of the Series 2024 Bonds, depending on the progress of the Series 2024 Project and the Development, existing market conditions and other factors.

### **Interest Rate Risk; No Rate Adjustment for Taxability**

The interest rates borne by the Series 2024 Bonds are, in general, higher than interest rates borne by other bonds of political subdivisions that do not involve the same degree of risk as investment in the Series 2024 Bonds. These higher interest rates are intended to compensate investors in the Series 2024 Bonds for the risk inherent in the purchase of the Series 2024 Bonds. However, such higher interest rates, in and of themselves, increase the amount of Series 2024 Assessments that the District must levy in order to provide for payment of Debt Service on the Series 2024 Bonds, and, in turn, may increase the burden of landowners within the District, thereby possibly increasing the likelihood of non-payment or delinquency in payment of such Series 2024 Assessments.

The Indenture does not contain an adjustment of the interest rates on the Series 2024 Bonds in the event of a determination of taxability of the interest thereon. Such a change could occur as a result of the District's failure to comply with tax covenants contained in the Indenture or the Arbitrage Certificate signed by the District upon issuance of the Series 2024 Bonds or due to a change in the United States income tax laws. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, owners of the Series 2024 Bonds will be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties. Because the interest rate on such Series 2024 Bonds will not be adequate to compensate owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline. Prospective purchasers of the Series 2024 Bonds should evaluate whether they can own the Series 2024 Bonds in the event that the interest on the Series 2024 Bonds becomes taxable and/or the District is ever determined to not be a political subdivision for purposes of the Code and/or Securities Act.

### **IRS Audit and Examination Risk**

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. There is no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law. Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the owners of the Series 2024 Bonds may have limited rights to participate in such procedure.\* The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. An adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds may adversely impact any secondary market for the Series 2024 Bonds, and, if a secondary market exists, will likely adversely impact the price for which the Series 2024 Bonds may be sold.

---

\* Owners of the Series 2024 Bonds are advised to consult with their own tax advisors regarding their rights (if any) with respect to such audit.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax exempt status, but has advised such districts that such districts must have public electors within the timeframe established by applicable State law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors.

### **Florida Village Center CDD TAM**

In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this paragraph, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the Agency found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

### **Legislative Proposals and State Tax Reform**

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2024 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2024 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2024 Bonds and their market value. No assurance can be given that legislative proposals will not be

enacted that would apply to, or have an adverse effect upon, the Series 2024 Bonds. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. For example, in connection with federal deficit reduction, job creation and tax law reform efforts, proposals have been made and others are likely to be made that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Series 2024 Bonds. There can be no assurance that any such legislation or proposal will be enacted, and if enacted, what form it may take. The introduction or enactment of any such legislative proposals may affect, perhaps significantly, the market price for, or marketability of the Series 2024 Bonds.

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor of the State, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any pending or future legislation will or may have on the security for the Series 2024 Bonds.

### **Loss of Exemption from Securities Registration**

Since the Series 2024 Bonds have not been, and will not be, registered under the Securities Act, or any state securities laws, because of the exemption for political subdivisions and regardless of any potential IRS determination that the District is not a political subdivision for purposes of the Code, it is possible that federal or state regulatory authorities could independently determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of the Series 2024 Bonds may not be able to rely on the exemption from registration relating to securities issued by political subdivisions. In that event, the owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

### **Performance of District Professionals**

The District has represented to the Underwriter that it has selected its District Manager, District Counsel, Consulting Engineer, Methodology Consultant, Trustee and other professionals with the appropriate due diligence and care. While the foregoing professionals have each represented that they have the respective requisite experience to accurately and timely perform the duties assigned to them in such roles, the District does not guarantee the performance of such professionals.

### **Mortgage Default and FDIC**

In the event a bank forecloses on a property in the 2024 Assessment Area because of a default on a mortgage with respect thereto and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2024 Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action on such property for failure to pay Series 2024 Assessments.

The risks described under this "BONDOWNERS' RISKS" section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety, and to ask questions of

representatives of the District to obtain a more complete description of investment considerations relating to the Series 2024 Bonds.

## **TAX MATTERS**

### **Opinion of Bond Counsel**

In the opinion of Bond Counsel, the form of which is included as APPENDIX D hereto, the interest on the Series 2024 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax under existing statutes, regulations, rulings and court decisions; provided, however, with respect to certain corporations, interest on the Series 2024 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. Failure by the District to comply subsequent to the issuance of the Series 2024 Bonds with certain requirements of the Internal Revenue Code of 1986, as amended (the "Code"), including but not limited to requirements regarding the use, expenditure and investment of Series 2024 Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2024 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2024 Bonds for purposes of federal income taxation. In rendering its opinion, Bond Counsel has assumed continuing compliance with such covenants.

### **Internal Revenue Code of 1986**

The Code contains a number of provisions that apply to the Series 2024 Bonds, including, among other things, restrictions relating to the use or investment of the proceeds of the Series 2024 Bonds and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2024 Bonds to the Treasury of the United States. Noncompliance with such provisions may result in interest on the Series 2024 Bonds being included in gross income for federal income tax purposes retroactive to their date of issuance.

### **Collateral Tax Consequences**

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should be aware that the ownership of the Series 2024 Bonds may result in other collateral federal tax consequences. For example, ownership of the Series 2024 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2024 Bonds, (2) the branch profits tax, and (3) the inclusion of interest on the Series 2024 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2024 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2024 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES REFERRED TO ABOVE. PROSPECTIVE SERIES 2024

BONDHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR INFORMATION IN THAT REGARD.

### **Florida Taxes**

In the opinion of Bond Counsel, the Series 2024 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

### **Other Tax Matters**

Interest on the Series 2024 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2024 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2024 Bonds in their particular state or local jurisdictions.

The Inflation Reduction Act, H.R. 5376 (the “IRA”), was passed by both houses of the U.S. Congress and was signed by the President on August 16, 2022. As enacted, the IRA includes a 15 percent alternative minimum tax to be imposed on the “adjusted financial statement income”, as defined in the IRA, of certain corporations. Interest on the Series 2024 Bonds will be included in the “adjusted financial statement income” of such corporations for purposes of computing the corporate alternative minimum tax. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential tax consequences of owning the Series 2024 Bonds.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2024 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2024 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2024 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2024 Bonds.

On February 23, 2016, the Internal Revenue Service issued a notice of proposed rulemaking (the “Proposed Regulations”) and notice of public hearing containing proposed regulations that provided guidance regarding the definition of political subdivision for purposes of the rules for tax-exempt bonds, including determinations of entities that are valid issuers of tax-exempt bonds. On October 4, 2017, the Treasury Department (“Treasury”) announced that it would withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.” The Proposed Regulations were officially withdrawn on October 20, 2017. See also “BONDOWNERS’ RISKS” herein.

## **Original Issue Discount**

Certain of the Series 2024 Bonds (the “Discount Bonds”) may be offered and sold to the public at an original issue discount, which is the excess of the principal amount of the Discount Bonds over the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity was sold. Original issue discount represents interest which is excluded from gross income for federal income tax purposes to the same extent as interest on the Discount Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded semi-annually. An initial purchaser who acquires a Discount Bond at the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period such purchaser holds such Discount Bond and will increase its adjusted basis in such Discount Bond by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bond. The federal income tax consequences of the purchase, ownership and prepayment, sale or other disposition of Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition of such Discount Bonds and with respect to the state and local tax consequences of owning and disposing of such Discount Bonds.

## **Bond Premium**

Certain of the Series 2024 Bonds (the “Premium Bonds”) may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser’s adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

## **DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS**

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975. The District has issued no bonds prior to the issuance of the Series 2024 Bonds.

## NO RATING OR CREDIT ENHANCEMENT

The Series 2024 Bonds are neither rated nor credit enhanced. No application for a rating or credit enhancement with respect to the Series 2024 Bonds was made.

## VALIDATION

The Bonds issued pursuant to the terms of the Master Indenture, which includes the Series 2024 Bonds, were validated by a Final Judgment of the Circuit Court of the Fifth Judicial Circuit of the State of Florida, in and for Lake County, Florida, rendered on [November 5], 2024 (the “Final Judgment”). The appeal period with respect to the Final Judgment will expire on December [\_\_], 2024. It is a condition precedent to the issuance of the Series 2024 Bonds that such appeal period shall have expired with no appeal having been taken.

## LITIGATION

### **The District**

There is no pending or, to the knowledge of the District, any threatened litigation against the District of any nature whatsoever which in any way questions or affects the validity of the Series 2024 Bonds, or any proceedings or transactions relating to their issuance, sale, execution, or delivery, or the execution of the Indenture. Neither the creation, organization or existence, nor the title of the present members of the Board or the District Manager is being contested.

From time to time, the District expects to experience routine litigation and claims incidental to the conduct of its affairs which individually are not expected to have a material and adverse effect on the operations or financial condition of the District, but may, in the aggregate have a material impact thereon. In connection with the issuance and sale of the Series 2024 Bonds, District Counsel will represent to the District and the Underwriter that there are no actions presently pending or to the knowledge of the District threatened against the District, the adverse outcome of which could reasonably be expected to have a material adverse effect on the availability of the Series 2024 Trust Estate, or the ability of the District to pay the Series 2024 Bonds from the Series 2024 Trust Estate.

**ACQUISITION AGREEMENT**  
**(SERIES 2024 PROJECT – HODGES RESERVE PHASE 2)**

**THIS ACQUISITION AGREEMENT (SERIES 2024 PROJECT – HODGES RESERVE PHASE 2) (“Agreement”)** is made and entered into by the following parties, and to be effective as of October 23, 2024 (“**Effective Date**”):

**DEWEY ROBBINS COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located entirely within the City of Leesburg, Florida (“**District**”); and

**TLC HODGES RESERVE, LLC**, a Florida limited liability company, an owner and developer of the Hodges Reserve Phase 2 lands located in the boundaries of the District, whose address is 605 Commonwealth Avenue, Orlando, Florida 32803 (“**Developer**” and together with the District, each a “**Party**” and collectively, the “**Parties**”).

**RECITALS**

**WHEREAS**, the District was established by Ordinance No. 24-14, adopted by the City Commission of the City of Leesburg, Florida, for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure, including but not limited to stormwater management facilities; potable water, reclaimed water, and wastewater systems; onsite and offsite roadway improvements; undergrounding of electrical; gas; landscape, hardscape, and irrigation improvements, and other infrastructure; and

**WHEREAS**, the Developer is an owner and developer of certain lands within the boundaries of the District known as Hodges Reserve Phase 2 (“**HR Phase 2**” or “**Development**”), which together with those certain lands in the District known as Hodges Reserve Phase 1 shall be known as the “**2024 Assessment Area**”;

**WHEREAS**, the District presently intends to finance a portion of the planning, design, acquisition, construction, and/or installation of infrastructure improvements, facilities, and services comprising the District’s capital improvement plan for Hodges Reserve Phase 1 and Hodges Reserve Phase 2 (“**Series 2024 Project**”)<sup>1</sup> as detailed in the *Master Engineer’s Report*, dated March 20, 2024 (as amended and/or supplemented from time to time, “**Engineer’s Report**”), and attached to this Agreement as **Exhibit A** (“**District Improvements**”); and

**WHEREAS**, the anticipated costs of the Series 2024 Project improvements relating to HR Phase 2 (“**District Improvements**”) are identified in **Exhibit F** of the Engineer’s Report (“**Project Costs**”); and

---

<sup>1</sup> Note, the Series 2024 Project includes those capital infrastructure improvements relating to both Hodges Reserve Phase 1 and Hodges Reserve Phase 2. The Series 2024 Project improvements relating to Hodges Reserve Phase 1, which are also described in the Engineer’s Report and necessary for the development of the 2024 Assessment Area, are not included in this Agreement. Instead, Series 2024 Project improvements relating to Hodges Reserve Phase 1 will be subject to a separate acquisition agreement by and between the District and Landsea Homes of Florida, LLC.

**WHEREAS**, the District does not have sufficient monies on hand to allow the District to contract directly for the preparation of the necessary surveys, reports, drawings, plans, permits, specifications, and related third-party development documents which would allow the timely commencement and completion of construction of the District Improvements (“**Work Product**”); and

**WHEREAS**, the District will not have sufficient monies to proceed with either the preparation of the Work Product or the commencement of construction of the District Improvements described in **Exhibit A** until such time as the District has closed on the sale of its proposed Capital Improvement Revenue Bonds, in one or more series (“**Bonds**”), the proceeds of which will be utilized as payment for the Work Product and the District Improvements contemplated by this Agreement; and

**WHEREAS**, in order to avoid a delay in the commencement of the construction of the District Improvements, which delay would also delay the Developer from implementing its planned development program, the Developer will advance, fund, commence, and complete and/or cause third parties to commence and complete certain work to enable the District to expeditiously provide the infrastructure; and

**WHEREAS**, as of each Acquisition Date (as hereinafter defined), Developer desires to convey, or assign as applicable, to the extent permitted, and the District desires to acquire, or take assignment of as applicable, the Work Product, the District Improvements, and the real property sufficient to allow the District to own, operate, maintain, construct, or install the District Improvements described in **Exhibit A**, if any such conveyances are appropriate (“**Real Property**”), upon the terms and conditions contained herein; and

**WHEREAS**, the District and the Developer are entering into this Agreement to ensure the timely provision of the District Improvements and completion of the Series 2024 Project.

**NOW, THEREFORE**, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which is hereby acknowledged, the District and the Developer agree as follows:

**1. INCORPORATION OF RECITALS.** The recitals stated above are true and correct and by this reference are incorporated as a material part of this Agreement.

**2. ACQUISITION DATE.** The Parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement on such date as the Parties may jointly agree upon (“**Acquisition Date**”). The Parties agree that separate or multiple Acquisition Dates may be established for any portion of the acquisitions contemplated by this Agreement.

**3. ACQUISITION OF WORK PRODUCT.** Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the Bonds, and the requirements of this Agreement, the District agrees to pay the actual reasonable cost incurred by the Developer in preparation of the Work

Product in accordance with the provisions of this Agreement. The Developer shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred by the Developer for the Work Product acquired with proceeds from the Bonds. The District Engineer shall review all evidence of cost and shall certify to the District's Board of Supervisors ("**Board**") the total actual amount of cost, which in the District Engineer's sole opinion, is reasonable for the Work Product. The District Engineer's opinion as to cost shall be set forth in an Engineer's Certificate which shall accompany the requisition for the funds from the District's trustee for the Bonds ("**Trustee**"). In the event that the Developer disputes the District Engineer's opinion as to cost, the District and the Developer agree to use good faith efforts to resolve such dispute. If the Parties are unable to resolve any such dispute, the Parties agree to jointly select a third-party engineer whose decision as to any such dispute shall be binding upon the Parties. Such a decision by a third-party engineer shall be set forth in an Engineer's Affidavit which shall accompany the requisition for Bond funds from the Trustee. The foregoing engineering review and certification process shall hereinafter be referred to as the "**Review Process.**" The Parties acknowledge that the Work Product is being acquired for use by the District in connection with the construction of the District Improvements.

- A. The Developer agrees to convey to the District any and all of its right, title and interest in the Work Product (except as otherwise provided for in this Agreement) upon payment of the sums determined to be reasonable by the District Engineer, or a third-party engineer selected pursuant to this Section, or prior to payment of such as provided for herein, and approved by the Board pursuant to and as set forth in this Agreement.
- B. Except as otherwise provided for in this Agreement, the Developer agrees to release, or assign as applicable, to the District all transferrable right, title, and interest which the Developer may have in and to the above described Work Product, as well as all common law, statutory, and other reserved rights of Developer in and to the Work Product, including any and all copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised if owned by Developer. To the extent determined necessary by the District, the Developer shall use good faith efforts to obtain all releases from any professional providing services in connection with the Work Product acquired with the proceeds of the Bonds to enable the District to use and rely upon the Work Product. Such releases may include, but are not limited to, any architectural, engineering, or other professional services.
- C. Notwithstanding anything to the contrary contained herein: (i) Developer's conveyance or assignment of the Work Product is made without representation or warranty whatsoever, and Developer shall not be held liable for the Work Product or any defect therein and (ii) Developer reserves a license to use the Work Product as set forth below, including reliance upon and enforcement thereof. The District agrees to seek recovery for any loss with respect to the Work Product from any person or entity who created the

Work Product or who has provided an applicable warranty that has been assigned to the District pursuant to Section 3.D. of this Agreement.

- D. The Developer agrees to provide or cause to be provided to the District, either by assignment or directly from such third parties as may be necessary and desirable to the mutual satisfaction of the Parties hereto, any transferable warranty for the person or entity who created the Work Product which is in favor of Developer that the Work Product is fit for the purposes to which it will be put by the District, as contemplated by the Engineer's Report.
- E. The District hereby grants to Developer, and Developer hereby reserves, access to and the right to use the Work Product, without the payment of any fee by the Developer. However, to the extent the Developer's access to and use of the Work Product causes the District to incur any de minimus cost, such as copying costs, the Developer agrees to pay such cost or expense.

**4. ACQUISITION OF DISTRICT IMPROVEMENTS.** Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the Bonds, and the requirements of this Agreement, the District agrees to acquire completed District Improvements. When a portion of the District Improvements are completed and ready for conveyance by the Developer to the District, the Developer shall notify the District in writing, describing the nature of the improvement, its general location, and its estimated cost. Developer agrees to provide, at or prior to each Acquisition Date, the following: (i) documentation of actual costs paid, (ii) instruments of conveyance such as special warranty bills of sale or such other instruments necessary to convey such portion of the District Improvements as may be reasonably requested by the District in accordance (but not in conflict) with this Agreement, and (iii) any other reasonable releases or documentation as may be reasonably requested by the District or Developer in accordance (but not in conflict) with this Agreement. Any real property interests necessary for the functioning of the District Improvements to be acquired under this paragraph shall be reviewed and conveyed in accordance with the provisions of Section 5. The District Engineer in consultation with Counsel shall determine in writing whether or not the infrastructure to be conveyed is a part of the District Improvements contemplated by the Engineer's Report, and if so, shall provide Developer with a list of items necessary to complete the acquisition. Each such acquisition shall also be subject to the Review Process described in Section 3 above. The District's Manager ("**District Manager**") shall determine, in writing, whether the District has, based on the Developer's estimate of cost, sufficient unencumbered funds to acquire the improvement.

- A. All documentation of any acquisition (e.g., bills of sale, receipts, maintenance bonds, as-builts, evidence of costs, deeds or easements, etc.) shall be to the reasonable satisfaction of the District. If any item acquired is to be conveyed to a third-party governmental body, then the Developer agrees to cooperate and provide such certifications or documents as may reasonably be required by that governmental body, if any.

- B. The District Engineer shall certify as to the actual cost of any District Improvement. Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the Bonds, and the requirements of this Agreement, the District shall pay no more than the actual cost incurred, as determined by the District Engineer.
- C. The Developer agrees to cooperate fully in the transfer of any permits to the District or any governmental entity with maintenance obligations for any District Improvements conveyed pursuant to this Agreement.

**5. CONVEYANCE OF REAL PROPERTY.**

- A. Conveyance. The Developer agrees that it will convey, or cause to be conveyed, to the District, at or prior to each Acquisition Date as reasonably determined by the District and Developer, by a special warranty deed (or, if less than a fee estate, by easement or other instrument) reasonably acceptable to the Board together with a metes and bounds or other description, the lands (or less interest therein) upon which the District Improvements are constructed or which are necessary for the operation and maintenance of, and access to the District Improvements. The parties agree that all Real Property shall be provided to the District at no cost unless the costs for the Real Property are expressly included as part of the Project Costs. The District may determine in its reasonable discretion that fee title is not necessary and in such cases shall accept such other interest in the lands upon which the District Improvements are constructed as the District deems acceptable. Such special warranty deed (or, if less than fee estate, other instrument) shall be subject to a reservation by Developer of its right and privilege to use the area conveyed and/or grant to third parties the right to construct the District Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of HR Phase 2) not inconsistent with the District's use, occupation or enjoyment thereof. The Developer shall pay all required closing costs (i.e., documentary stamps) if any, for the conveyance of the lands upon which the District Improvements are constructed. The Developer shall be responsible for all taxes and assessments levied on the lands upon which the District Improvements are constructed until such time as the Developer conveys all said lands to the District. At the time of conveyance, and if desired by the District, the Developer shall provide, at its expense, an owner's title insurance policy or obtain an opinion of title in a form satisfactory to the District.
- B. Boundary or Other Adjustments. Developer and the District agree that reasonable future boundary adjustments may be made as deemed necessary by both Parties in order to accurately describe lands conveyed to the District and lands which remain in Developer's ownership. The Parties agree that

any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the Party requesting such adjustment shall pay any third-party transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other third-party transfer costs.

**6. TAXES, ASSESSMENTS, AND COSTS.**

- A. Taxes, assessments and costs resulting from Agreement. The Developer agrees to indemnify the District from and make payment for any and all taxes (ad valorem, personal property, intangibles, or otherwise) or non-ad valorem assessments, which may be imposed upon the District, or which the District is legally obligated to pay, as a result of the Parties entering into this Agreement, if any, whether such taxes or assessments are imposed upon the District's property or property interest, or the Developer's property or property interest. As to any parcel of Real Property conveyed by Developer pursuant to this Agreement, the potential obligations of the Developer to pay such taxes and assessments that may be incurred as a result of the Parties entering into this Agreement shall terminate one (1) year after conveyance of such parcel of Real Property. Notwithstanding the foregoing, the Parties represent to each other that they are not aware of any such taxes or assessments imposed upon the District as of the Effective Date of this Agreement.
- B. Taxes and assessments on property being acquired. The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Developer agrees to reserve an amount equal to the current ad valorem taxes and non-ad valorem assessments (with the exception of those ad valorem taxes and non-ad valorem assessments levied by the District) prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.
1. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Developer agrees to reimburse the District for payment, or pay on its behalf, the prorated portion of any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed. For example, if the District acquires property in October 2025, the Developer shall escrow the pro rata amount of taxes due for the tax bill payable in November 2025. If any additional taxes are imposed on the District's property in 2025 for a period which property was owned by Developer, then the Developer agrees to reimburse the District for that additional amount.

2. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.

C. Notice. The Parties agree to provide notice to the other within ten (10) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes, assessments or costs imposed on the property acquired by the District as described in subsection B above. The Developer covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Developer fails to make timely payment of any such taxes or costs, the Developer acknowledges the District's right to make such payment. If the District makes such payment, the Developer agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.

D. Tax liability not created. Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Developer or the District. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

**7. ACQUISITION IN ADVANCE OF RECEIPT OF PROCEEDS.** The District and Developer hereby agree that an acquisition pursuant to this Agreement ("**Acquisition**") by the District may be completed prior to the District obtaining proceeds from Bonds. The District agrees to pursue the issuance of the Bonds in good faith; provided however, nothing herein shall cause or be construed to require the District to issue Bonds or other forms of indebtedness to provide funds for any unfunded Acquisition. In the event that the District issues Bonds and has Bond proceeds available to pay for any portion of the Acquisitions acquired by the District, and subject to the terms of the applicable documents relating to the Bonds, then the District shall promptly make payment for any such acquired Work Product, District Improvements or Real Property pursuant to the terms of this Agreement; provided, however, that no such obligation shall exist where the Developer is in default on the payment of any debt service assessments due on any property owned by the Developer, or, further, in the event the District's bond counsel determines that any such Acquisitions are not properly compensable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to make payment for such Acquisitions. Interest shall not accrue on the amounts owed for any prior Acquisitions. In the event the District does not or cannot issue the sufficient Bonds within six (6) years from the Effective Date of this Agreement to pay for all Acquisitions hereunder and, thus, does not make payment to the Developer for any unfunded Acquisitions, then the Parties agree that the District

shall have no reimbursement obligation whatsoever for those unfunded Acquisitions except as otherwise designated in writing by the District as Unpaid Requisitions pursuant to, and as defined in, the applicable Supplemental Trust Indenture. The Developer acknowledges that the District may convey some or all of the District Improvements, Work Product, or Real Property described in the Engineer’s Report to a general purpose unit of local government or certain utility providers and consents to such conveyance(s) prior to payment being made to the Developer for any prior Acquisitions.

**8. DEFAULT.** A default by either Party under this Agreement, which continues for a period of thirty (30) days after notice of such default, shall entitle the other Party to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages and/or, if applicable, specific performance.

**9. ENFORCEMENT OF AGREEMENT.** In the event that either of the Parties is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the prevailing Party shall be entitled to recover from the other Party, in addition to all other relief granted or awarded, all fees and costs incurred, including reasonable attorneys’ fees and costs for trial, alternative dispute resolution, appellate proceedings and post-judgment collection proceedings.

**10. AGREEMENT.** This instrument shall constitute the final and complete expression of this Agreement between the District and the Developer relating to the subject matter of this Agreement.

**11. AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by all Parties hereto.

**12. AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer. The District and the Developer have complied with all the requirements of law. The District and the Developer have full power and authority to comply with the terms and provisions of this Agreement.

**13. NOTICES.** All notices, requests, consents and other communications under this Agreement (“**Notices**”) shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the Parties, as follows:

Any Parties or other person to whom Notices are to be sent or copied may notify the other Parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days written notice to the Parties and addressees set forth in this Agreement.

**14. ARM’S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm’s length transaction. All Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against any Party hereto.

**15. THIRD PARTY BENEFICIARIES.** This Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third-party not a formal Party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

**16. ASSIGNMENT; RESERVATION OF RIGHT TO ASSIGN PAYMENT.** This Agreement may be assigned, in whole or in part, by either Party only upon the written consent of the other, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, the Developer may assign its right to payment hereunder from Bond proceeds for the Acquisitions acquired by the District pursuant to this Agreement without further consent of the Parties hereto.

**17. APPLICABLE LAW AND VENUE.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each Party consents that the venue for any litigation arising out of or related to this Agreement shall be in Lake County, Florida.

**18. [RESERVED]**

**19. TERMINATION.** This Agreement may be terminated by the District or the Developer without penalty in the event that the District does not issue its proposed Bonds.

**20. PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and will be treated as such in accordance with Florida law.

**21. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

**22. LIMITATIONS ON GOVERNMENTAL LIABILITY.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third-party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

**23. HEADINGS FOR CONVENIENCE ONLY.** The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

**24. COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

**ACQUISITION AGREEMENT**  
**(SERIES 2024 PROJECT – HODGES RESERVE PHASE 1)**

**THIS ACQUISITION AGREEMENT (SERIES 2024 PROJECT – HODGES RESERVE PHASE 1) (“Agreement”)** is made and entered into by the following parties, and to be effective as of October 23, 2024 (“**Effective Date**”):

**DEWEY ROBBINS COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located entirely within the City of Leesburg, Florida (“**District**”); and

**LANDSEA HOMES OF FLORIDA, LLC**, a Delaware limited liability company, an owner and developer of the Hodges Reserve Phase 1 lands located in the boundaries of the District, whose address is 2420 S. Lakemont Avenue, Orlando, Florida 32814 (“**Developer**” and together with the District, each a “**Party**” and collectively, the “**Parties**”).

**RECITALS**

**WHEREAS**, the District was established by Ordinance No. 24-14, adopted by the City Commission of the City of Leesburg, Florida, for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure, including but not limited to stormwater management facilities; potable water, reclaimed water, and wastewater systems; onsite and offsite roadway improvements; undergrounding of electrical; gas; landscape, hardscape, and irrigation improvements, and other infrastructure; and

**WHEREAS**, the Developer is an owner and developer of certain lands within the boundaries of the District known as Hodges Reserve Phase 1 (“**HR Phase 1**” or “**Development**”), which together with those certain lands in the District known as Hodges Reserve Phase 2 shall be known as the “**2024 Assessment Area**”;

**WHEREAS**, the District presently intends to finance a portion of the planning, design, acquisition, construction, and/or installation of infrastructure improvements, facilities, and services comprising the District’s capital improvement plan for Hodges Reserve Phase 1 and Hodges Reserve Phase 2 (“**Series 2024 Project**”)<sup>1</sup> as detailed in the *Master Engineer’s Report*, dated March 20, 2024 (as amended and/or supplemented from time to time, “**Engineer’s Report**”), and attached to this Agreement as **Exhibit A** (“**District Improvements**”); and

**WHEREAS**, the anticipated costs of the Series 2024 Project improvements relating to HR Phase 1 (“**District Improvements**”) are identified in **Exhibit F** of the Engineer’s Report (“**Project Costs**”); and

---

<sup>1</sup> Note, the Series 2024 Project includes those capital infrastructure improvements relating to both Hodges Reserve Phase 1 and Hodges Reserve Phase 2. The Series 2024 Project improvements relating to Hodges Reserve Phase 2, which are also described in the Engineer’s Report and necessary for the development of the 2024 Assessment Area, are not included in this Agreement. Instead, Series 2024 Project improvements relating to Hodges Reserve Phase 2 will be subject to a separate acquisition agreement by and between the District and TLC Hodges Reserve, LLC.

**WHEREAS**, the District does not have sufficient monies on hand to allow the District to contract directly for the preparation of the necessary surveys, reports, drawings, plans, permits, specifications, and related third-party development documents which would allow the timely commencement and completion of construction of the District Improvements (“**Work Product**”); and

**WHEREAS**, the District will not have sufficient monies to proceed with either the preparation of the Work Product or the commencement of construction of the District Improvements described in **Exhibit A** until such time as the District has closed on the sale of its proposed Capital Improvement Revenue Bonds, in one or more series (“**Bonds**”), the proceeds of which will be utilized as payment for the Work Product and the District Improvements contemplated by this Agreement; and

**WHEREAS**, in order to avoid a delay in the commencement of the construction of the District Improvements, which delay would also delay the Developer from implementing its planned development program, the Developer will advance, fund, commence, and complete and/or cause third parties to commence and complete certain work to enable the District to expeditiously provide the infrastructure; and

**WHEREAS**, as of each Acquisition Date (as hereinafter defined), Developer desires to convey, or assign as applicable, to the extent permitted, and the District desires to acquire, or take assignment of as applicable, the Work Product, the District Improvements, and the real property sufficient to allow the District to own, operate, maintain, construct, or install the District Improvements described in **Exhibit A**, if any such conveyances are appropriate (“**Real Property**”), upon the terms and conditions contained herein; and

**WHEREAS**, the District and the Developer are entering into this Agreement to ensure the timely provision of the District Improvements and completion of the Series 2024 Project.

**NOW, THEREFORE**, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which is hereby acknowledged, the District and the Developer agree as follows:

**1. INCORPORATION OF RECITALS.** The recitals stated above are true and correct and by this reference are incorporated as a material part of this Agreement.

**2. ACQUISITION DATE.** The Parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement on such date as the Parties may jointly agree upon (“**Acquisition Date**”). The Parties agree that separate or multiple Acquisition Dates may be established for any portion of the acquisitions contemplated by this Agreement.

**3. ACQUISITION OF WORK PRODUCT.** Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the Bonds, and the requirements of this Agreement, the District agrees to pay the actual reasonable cost incurred by the Developer in preparation of the Work

Product in accordance with the provisions of this Agreement. The Developer shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred by the Developer for the Work Product acquired with proceeds from the Bonds. The District Engineer shall review all evidence of cost and shall certify to the District's Board of Supervisors ("**Board**") the total actual amount of cost, which in the District Engineer's sole opinion, is reasonable for the Work Product. The District Engineer's opinion as to cost shall be set forth in an Engineer's Certificate which shall accompany the requisition for the funds from the District's trustee for the Bonds ("**Trustee**"). In the event that the Developer disputes the District Engineer's opinion as to cost, the District and the Developer agree to use good faith efforts to resolve such dispute. If the Parties are unable to resolve any such dispute, the Parties agree to jointly select a third-party engineer whose decision as to any such dispute shall be binding upon the Parties. Such a decision by a third-party engineer shall be set forth in an Engineer's Affidavit which shall accompany the requisition for Bond funds from the Trustee. The foregoing engineering review and certification process shall hereinafter be referred to as the "**Review Process.**" The Parties acknowledge that the Work Product is being acquired for use by the District in connection with the construction of the District Improvements.

- A. The Developer agrees to convey to the District any and all of its right, title and interest in the Work Product (except as otherwise provided for in this Agreement) upon payment of the sums determined to be reasonable by the District Engineer, or a third-party engineer selected pursuant to this Section, or prior to payment of such as provided for herein, and approved by the Board pursuant to and as set forth in this Agreement.
- B. Except as otherwise provided for in this Agreement, the Developer agrees to release, or assign as applicable, to the District all transferrable right, title, and interest which the Developer may have in and to the above described Work Product, as well as all common law, statutory, and other reserved rights of Developer in and to the Work Product, including any and all copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised if owned by Developer. To the extent determined necessary by the District, the Developer shall use good faith efforts to obtain all releases from any professional providing services in connection with the Work Product acquired with the proceeds of the Bonds to enable the District to use and rely upon the Work Product. Such releases may include, but are not limited to, any architectural, engineering, or other professional services.
- C. Notwithstanding anything to the contrary contained herein: (i) Developer's conveyance or assignment of the Work Product is made without representation or warranty whatsoever, and Developer shall not be held liable for the Work Product or any defect therein and (ii) Developer reserves a license to use the Work Product as set forth below, including reliance upon and enforcement thereof. The District agrees to seek recovery for any loss with respect to the Work Product from any person or entity who created the

Work Product or who has provided an applicable warranty that has been assigned to the District pursuant to Section 3.D. of this Agreement.

- D. The Developer agrees to provide or cause to be provided to the District, either by assignment or directly from such third parties as may be necessary and desirable to the mutual satisfaction of the Parties hereto, any transferable warranty for the person or entity who created the Work Product which is in favor of Developer that the Work Product is fit for the purposes to which it will be put by the District, as contemplated by the Engineer's Report.
- E. The District hereby grants to Developer, and Developer hereby reserves, access to and the right to use the Work Product, without the payment of any fee by the Developer. However, to the extent the Developer's access to and use of the Work Product causes the District to incur any de minimus cost, such as copying costs, the Developer agrees to pay such cost or expense.

**4. ACQUISITION OF DISTRICT IMPROVEMENTS.** Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the Bonds, and the requirements of this Agreement, the District agrees to acquire completed District Improvements. When a portion of the District Improvements are completed and ready for conveyance by the Developer to the District, the Developer shall notify the District in writing, describing the nature of the improvement, its general location, and its estimated cost. Developer agrees to provide, at or prior to each Acquisition Date, the following: (i) documentation of actual costs paid, (ii) instruments of conveyance such as special warranty bills of sale or such other instruments necessary to convey such portion of the District Improvements as may be reasonably requested by the District in accordance (but not in conflict) with this Agreement, and (iii) any other reasonable releases or documentation as may be reasonably requested by the District or Developer in accordance (but not in conflict) with this Agreement. Any real property interests necessary for the functioning of the District Improvements to be acquired under this paragraph shall be reviewed and conveyed in accordance with the provisions of Section 5. The District Engineer in consultation with Counsel shall determine in writing whether or not the infrastructure to be conveyed is a part of the District Improvements contemplated by the Engineer's Report, and if so, shall provide Developer with a list of items necessary to complete the acquisition. Each such acquisition shall also be subject to the Review Process described in Section 3 above. The District's Manager ("**District Manager**") shall determine, in writing, whether the District has, based on the Developer's estimate of cost, sufficient unencumbered funds to acquire the improvement.

- A. All documentation of any acquisition (e.g., bills of sale, receipts, maintenance bonds, as-builts, evidence of costs, deeds or easements, etc.) shall be to the reasonable satisfaction of the District. If any item acquired is to be conveyed to a third-party governmental body, then the Developer agrees to cooperate and provide such certifications or documents as may reasonably be required by that governmental body, if any.

- B. The District Engineer shall certify as to the actual cost of any District Improvement. Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the Bonds, and the requirements of this Agreement, the District shall pay no more than the actual cost incurred, as determined by the District Engineer.
- C. The Developer agrees to cooperate fully in the transfer of any permits to the District or any governmental entity with maintenance obligations for any District Improvements conveyed pursuant to this Agreement.

**5. CONVEYANCE OF REAL PROPERTY.**

- A. Conveyance. The Developer agrees that it will convey, or cause to be conveyed, to the District, at or prior to each Acquisition Date as reasonably determined by the District and Developer, by a special warranty deed (or, if less than a fee estate, by easement or other instrument) reasonably acceptable to the Board together with a metes and bounds or other description, the lands (or less interest therein) upon which the District Improvements are constructed or which are necessary for the operation and maintenance of, and access to the District Improvements. The parties agree that all Real Property shall be provided to the District at no cost unless the costs for the Real Property are expressly included as part of the Project Costs. The District may determine in its reasonable discretion that fee title is not necessary and in such cases shall accept such other interest in the lands upon which the District Improvements are constructed as the District deems acceptable. Such special warranty deed (or, if less than fee estate, other instrument) shall be subject to a reservation by Developer of its right and privilege to use the area conveyed and/or grant to third parties the right to construct the District Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of HR Phase 1) not inconsistent with the District's use, occupation or enjoyment thereof. The Developer shall pay all required closing costs (i.e., documentary stamps) if any, for the conveyance of the lands upon which the District Improvements are constructed. The Developer shall be responsible for all taxes and assessments levied on the lands upon which the District Improvements are constructed until such time as the Developer conveys all said lands to the District. At the time of conveyance, and if desired by the District, the Developer shall provide, at its expense, an owner's title insurance policy or obtain an opinion of title in a form satisfactory to the District.
- B. Boundary or Other Adjustments. Developer and the District agree that reasonable future boundary adjustments may be made as deemed necessary by both Parties in order to accurately describe lands conveyed to the District and lands which remain in Developer's ownership. The Parties agree that

any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the Party requesting such adjustment shall pay any third-party transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other third-party transfer costs.

**6. TAXES, ASSESSMENTS, AND COSTS.**

- A. Taxes, assessments and costs resulting from Agreement. The Developer agrees to indemnify the District from and make payment for any and all taxes (ad valorem, personal property, intangibles, or otherwise) or non-ad valorem assessments, which may be imposed upon the District, or which the District is legally obligated to pay, as a result of the Parties entering into this Agreement, if any, whether such taxes or assessments are imposed upon the District's property or property interest, or the Developer's property or property interest. As to any parcel of Real Property conveyed by Developer pursuant to this Agreement, the potential obligations of the Developer to pay such taxes and assessments that may be incurred as a result of the Parties entering into this Agreement shall terminate one (1) year after conveyance of such parcel of Real Property. Notwithstanding the foregoing, the Parties represent to each other that they are not aware of any such taxes or assessments imposed upon the District as of the Effective Date of this Agreement.
- B. Taxes and assessments on property being acquired. The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Developer agrees to reserve an amount equal to the current ad valorem taxes and non-ad valorem assessments (with the exception of those ad valorem taxes and non-ad valorem assessments levied by the District) prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.
1. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Developer agrees to reimburse the District for payment, or pay on its behalf, the prorated portion of any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed. For example, if the District acquires property in October 2025, the Developer shall escrow the pro rata amount of taxes due for the tax bill payable in November 2025. If any additional taxes are imposed on the District's property in 2025 for a period which property was owned by Developer, then the Developer agrees to reimburse the District for that additional amount.

2. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.

C. Notice. The Parties agree to provide notice to the other within ten (10) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes, assessments or costs imposed on the property acquired by the District as described in subsection B above. The Developer covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Developer fails to make timely payment of any such taxes or costs, the Developer acknowledges the District's right to make such payment. If the District makes such payment, the Developer agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.

D. Tax liability not created. Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Developer or the District. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

**7. ACQUISITION IN ADVANCE OF RECEIPT OF PROCEEDS.** The District and Developer hereby agree that an acquisition pursuant to this Agreement ("**Acquisition**") by the District may be completed prior to the District obtaining proceeds from Bonds. The District agrees to pursue the issuance of the Bonds in good faith; provided however, nothing herein shall cause or be construed to require the District to issue Bonds or other forms of indebtedness to provide funds for any unfunded Acquisition. In the event that the District issues Bonds and has Bond proceeds available to pay for any portion of the Acquisitions acquired by the District, and subject to the terms of the applicable documents relating to the Bonds, then the District shall promptly make payment for any such acquired Work Product, District Improvements or Real Property pursuant to the terms of this Agreement; provided, however, that no such obligation shall exist where the Developer is in default on the payment of any debt service assessments due on any property owned by the Developer, or, further, in the event the District's bond counsel determines that any such Acquisitions are not properly compensable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to make payment for such Acquisitions. Interest shall not accrue on the amounts owed for any prior Acquisitions. In the event the District does not or cannot issue the sufficient Bonds within six (6) years from the Effective Date of this Agreement to pay for all Acquisitions hereunder and, thus, does not make payment to the Developer for any unfunded Acquisitions, then the Parties agree that the District

shall have no reimbursement obligation whatsoever for those unfunded Acquisitions except as otherwise designated in writing by the District as Unpaid Requisitions pursuant to, and as defined in, the applicable Supplemental Trust Indenture. The Developer acknowledges that the District may convey some or all of the District Improvements, Work Product, or Real Property described in the Engineer’s Report to a general purpose unit of local government or certain utility providers and consents to such conveyance(s) prior to payment being made to the Developer for any prior Acquisitions.

**8. DEFAULT.** A default by either Party under this Agreement, which continues for a period of thirty (30) days after notice of such default, shall entitle the other Party to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages and/or, if applicable, specific performance.

**9. ENFORCEMENT OF AGREEMENT.** In the event that either of the Parties is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the prevailing Party shall be entitled to recover from the other Party, in addition to all other relief granted or awarded, all fees and costs incurred, including reasonable attorneys’ fees and costs for trial, alternative dispute resolution, appellate proceedings and post-judgment collection proceedings.

**10. AGREEMENT.** This instrument shall constitute the final and complete expression of this Agreement between the District and the Developer relating to the subject matter of this Agreement.

**11. AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by all Parties hereto.

**12. AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer. The District and the Developer have complied with all the requirements of law. The District and the Developer have full power and authority to comply with the terms and provisions of this Agreement.

**14. ARM’S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm’s length transaction. All Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against any Party hereto.

**15. THIRD PARTY BENEFICIARIES.** This Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third-party not a formal Party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns.

**16. ASSIGNMENT; RESERVATION OF RIGHT TO ASSIGN PAYMENT.** This Agreement may be assigned, in whole or in part, by either Party only upon the written consent of the other, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, the Developer may assign its right to payment hereunder from Bond proceeds for the Acquisitions acquired by the District pursuant to this Agreement without further consent of the Parties hereto.

**17. APPLICABLE LAW AND VENUE.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each Party consents that the venue for any litigation arising out of or related to this Agreement shall be in Lake County, Florida.

**18. [RESERVED]**

**19. TERMINATION.** This Agreement may be terminated by the District or the Developer without penalty in the event that the District does not issue its proposed Bonds.

**20. PUBLIC RECORDS.** The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and will be treated as such in accordance with Florida law.

**21. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

**22. LIMITATIONS ON GOVERNMENTAL LIABILITY.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third-party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

**23. HEADINGS FOR CONVENIENCE ONLY.** The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

**24. COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.
